A scheming nobleman and a willful woman clash in this alluring novel from one of the best loved authors of Regency romance
The Romance Reader Captain Christopher Kit Meredith recuperating from wartime injuries learned that he had become the
new Viscount of Crittendem All he cared about was returning to Crittendem Grange and beginning a new life in peace and
quiet He was unaware that Caroline Whitlow and her two younger brothers were living at the Grange and that they would be
dispossessed when he returned When Kit learned the facts he was happy to provide a bequest to them But Caro was
determined to refuse charity and would not be swayed A chance encounter on the streets of London literally threw Kit and
Caro together under the hooves of a pair of out of control horses Caro was drawn to the stranger who saved her life and Kit
formulated a plan to get her to accept the bequest He didn t realize that his subterfuge would first win and then lose the
