Poor Doubting Christian Drawn Unto Christ 1629:

The Poor Doubting Christian Drawn to Christ Thomas Hooker, C. Matthew McMahon, 2019-06-25 Thomas Hooker 1586 1647 was an English separatist Pilgrim who was a popular New England Reformed preacher and minister of the Gospel William Ames spoke of him highly saying he never met with Mr Hooker's equal either for preaching or for disputing Every Christian desires a full and unwavering assurance of salvation It rests on a true conversion experience which is the work of God in a sinful soul brought to believe in Christ by the power of the Spirit John 3:3 Without an initial spiritual birth into God's covenant through the Holy Spirit there can never be a real assurance of faith because assurance of salvation is directly connected to a genuine saving faith in the Lord Jesus Christ True assurance is Christ centered relying wholly on the Lord's work and merit Thomas Hooker looks to draw the Christian towards understanding that the foundation on which assurance for the believer must rest is the merits of Christ's death and resurrection on their behalf They must look to him But how will they look to Christ when so many doubts and difficulties attack and weaken their faith One of the greatest hindrances a Christian has walking with God comfortably is their fickle nature Christians have difficulty overcoming their fallen emotions Hooker helps to overcome this by reasoning with the Christian through the word of God He covers removing hindrances to coming to Christ how the Christian is drawn to Christ using the word of God what kind of interest the Christian should have in the promises of God and how they might live by true biblical faith all the days of their life This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions

Poor Doubting Christian Drawn Unto Christ Thomas Hooker, 2014-03-29 This Is A New Release Of The Original 1629 Edition *George MacDonald's Challenging Theology of the Atonement, Suffering, and Death* Miho Yamaguchi, 2007-06 This book sheds light on the challenging theology of nineteenth century Scottish writer George MacDonald concerning the true meaning of the Atonement the purpose of trials and suffering the nature of the unpardonable sin hope for growth and death Under consideration is Thomas Hooker's *Poor Doubting Christian Drawn unto Christ* on the redemption of Joan Drake and its influence on MacDonald's Wingfold trilogy MacDonald's version of the Wandering Jew MacDonald's interpretation of Coleridge's *The Rime of the Ancient Mariner* and Dante's *Divine Comedy* and similarities and differences between the theological ideas of MacDonald C S Lewis Elizabeth Prentiss and Shusaku Endo

Female Piety in Puritan New England Amanda Porterfield, 1992 This treatise documents the claim that for Puritan men and women alike the ideals of selfhood were conveyed by female images It argues that these images taught self control shaped pious ideals and established the standards against which the moral character of real women was measured **Mary Lyon and the Mount Holyoke Missionaries** Amanda Porterfield, 1997 American women played an important part in Protestant foreign missionary work from its early days at the beginning of the nineteenth century enabling them not only to disseminate religious principles but also to break into public life and create expanded opportunities for themselves and other

women No institution was more closely associated with women missionaries than Mount Holyoke College This book examines Mount Holyoke founder Mary Lyon and the missionary women trained by her Porterfield sees Lyon and her students as representative of dominant trends in American missionary thought before the Civil War She focuses on how their activities in several parts of the world particularly northwest Persia Maharashtra in western India and Natal in southeast Africa and shows that while their primary goals remained elusive antebellum missionary women made major contributions to cultural change and the development of new cultures **Harvard Theological Studies**, 1975 Salvation in New England Phyllis M. Jones, Nicholas R. Jones, 2011-10-26 The sermon as crafted by the early New England preachers was the most prominent literary form of its day yet the earliest Puritan texts have as a rule been available only in rare book collections This anthology of sermons of the first generation of preachers fills a serious gap in American literature The preachers collected here the most widely published of their time were among the eighty or more who emigrated to Massachusetts Bay during the 1630s They are John Cotton of Boston Thomas Shepard of Cambridge and Thomas Hooker of Hartford the three foremost lights of the western churches and two eminent colleagues Peter Bulkeley of Concord and John Davenport first of New Haven and later of Boston The selections are chosen to be representative of the lengthy works from which they are drawn to reflect the major concerns and styles of the preachers work as a whole and to demonstrate the genre of the sermon as developed by the early American Puritans Not only does this anthology represent an important contribution to literary history but the sermons also illustrate a doctrine uniquely elaborated in this period a consistent and emphatic narrative mythlike in its repetition and heroics of the progress of the soul from a state of nature to a state of salvation This theme may be seen as a three stage development although individual sermons may vary These stages preparation vocation and regeneration determine the order of the selections The editors introductory material supplies a comprehensive and thorough discussion of the early New England sermons concentrating on their role history structure style and subject matter A separate essay on the texts of the sermons describes the relationship between the early printed versions and their form as delivered in the pulpit The introduction preceding each selection presents original research on the historical circumstances of the preaching and publication of the work from which the sermon is drawn The editors have also provided brief biographies of the preachers represented here an annotated list of recommended background reading and the most exhaustive checklist available of authoritative editions of the sermons of these five preachers This book will be useful to colonial specialists as well as to students of early American literature religion and history The texts are critically edited for readability with modernized spelling and annotations of unfamiliar phrases and allusions Damned Women Elizabeth Reis, 1999-01-18 In her analysis of the cultural construction of gender in early America Elizabeth Reis explores the intersection of Puritan theology Puritan evaluations of womanhood and the Salem witchcraft episodes She finds in those intersections the basis for understanding why women were accused of witchcraft more often than men why they confessed more often and why they frequently

accused other women of being witches In negotiating their beliefs about the devil s powers both women and men embedded womanhood in the discourse of depravity Puritan ministers insisted that women and men were equal in the sight of God with both sexes equally capable of cleaving to Christ or to the devil Nevertheless Reis explains womanhood and evil were inextricably linked in the minds and hearts of seventeenth century New England Puritans Women and men feared hell equally but Puritan culture encouraged women to believe it was their vile natures that would take them there rather than the particular sins they might have committed Following the Salem witchcraft trials Reis argues Puritans understanding of sin and the devil changed Ministers and laity conceived of a Satan who tempted sinners and presided physically over hell rather than one who possessed souls in the living world Women and men became increasingly confident of their redemption although women more than men continued to imagine themselves as essentially corrupt even after the Great Awakening

Resurrection, Immortality, and Eternal Life in Intertestamental Judaism George W. E. Nickelsburg,1972 The Manor: Three Centuries at a Slave Plantation on Long Island Mac Griswold,2013-07-02 In 1984 the landscape historian Mac Griswold was rowing along a Long Island creek when she came upon a stately yellow house and a garden guarded by looming boxwoods She instantly knew that boxwoods that large twelve feet tall fifteen feet wide had to be hundreds of years old So as it happened was the house Sylvester Manor had been held in the same family for eleven generations Formerly encompassing all of Shelter Island a pearl of 8 000 acres caught between the North and South Forks of Long Island the manor had dwindled to 243 acres Still its hidden vault proved to be full of revelations and treasures including the 1666 charter for the land and correspondence from Thomas Jefferson Most notable was the short and steep flight of steps the family had called the slave staircase which would provide clues to the extensive but little known story of Northern slavery Alongside a team of archaeologists Griswold began a dig that would uncover a landscape bursting with stories Based on years of archival and field research as well as voyages to Africa the West Indies and Europe The Manor is at once an investigation into forgotten lives and a sweeping drama that captures our history in all its richness and suffering *Damnable Heresy* David M. Powers,2015-01-19 Misunderstandings between races hostilities between cultures Anxiety from living in a time of war in one s own land Being accused of profiteering when food was scarce Unruly residents in a remote frontier community Charged with speaking the unspeakable and publishing the unprintable All of this can be found in the life of one man William Pynchon the Puritan entrepreneur and founder of Springfield Massachusetts in 1636 Two things in particular stand out in Pynchon s pioneering life he enjoyed extraordinary and uniquely positive relationships with Native peoples and he wrote the first book banned and burned in Boston Now for the first time this book provides a comprehensive account of Pynchon s story beginning in England through his New England adventures to his return home Discover the fabric of his times and the roles Pynchon played in the Puritan venture in Old England and New England **The Poor Doubting Christian Drawn to Christ** Thomas Hooker,1845 *Historical Magazine of the Protestant Episcopal Church* Edward Clowes Chorley,Walter
