almost as necessary for all those who have attained the age of reason as the knowledge of the mysteries of the Trinity and Incarnation The importance of this great truth seems to be a mystery not merely to the heathen Jews and heretics but even to the greater part of Christians nay even to many of those who have consecrated themselves to God We often hear in sermons and read in pious books of the necessity of avoiding bad company of hating sin of forgiving injuries and of being reconciled to our enemies but seldom are we taught this great truth or if it is sometimes spoken of it is rarely done in a manner calculated to leave upon our minds a lasting impression of its great importance and necessity Now this important truth is that according to the ordinary course of Divine providence man cannot be saved without prayer

**Practicing Prayer for the Dead** James B. Gould, 2016-11-04 Throughout history Christians have prayed for the dead This book challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well Gould discusses the meaning of prayer for final consummation of all things growth of the blessed in heaven purification of the imperfect in purgatory and salvation of the unsaved in hell identifying the necessary conception of the afterlife required by each particular prayer He also reflects on the spiritual value of prayer for the departed how it enhances faith builds hope and sharpens discipleship and provides some sample prayers for public liturgy and private devotion In essence *Practicing Prayer for the Dead* offers an outline of theology from the perspective of death arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned

*How Prayer Helped Me!* Michael A. Berkley, 2003 No matter how many trials and tribulations may come upon us in this life just know that the struggle can be defeated through Prayer No matter what the situation is or even if it seems as though there is no light at the end of the tunnel or even if the crossroad seems very confusing please believe that prayer through Jesus to God is real He will hear your prayer and answer your prayer according to His will I believe God answers our prayers with a yes and sometimes with a no I am reminded of Paul who asked God 3 times to remove the thorn from his flesh II Corinthians 12 5 10 I believe God answers prayer according to His will what is best for us

*The Prayer Of Faith* Daniel Owusu Yeboah, 2019-01-29 In my years in the Prayer Ministry I have come to discover that there are many diverse views of prayer

apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help Thus in many instances the object of prayer praying to God has shifted from God to faith in men who promote prayer through Wealth and Healing Ministries These men promote prayer by manipulating their followers minds as the only power to gain wealth and healing while acting as their intermediaries between them and God to receive answers to their prayers Their goal however is to make money on the backs of their followers who are manipulated to believe in the so called miracles they perform for them The power and true benefits are now shifting to false miracle working prayers Of course there is a place for power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to God to experience his blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book The Prayer of Faith Praying with Hope is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the less we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on **Prayers for Parents of Prodigals** Linda
