Pray Like Hell Maxine Outlaw,2012-12-11 Pray Like Hell How to Talk with God is a practical highly entertaining guide to prayer for people who consider themselves spiritual but not necessarily religious People are seeking fresh ways to talk with God as a way of coping in a fragmented lonely world With lots of stories anecdotes and an edgy sense of humor Maxine Outlaw shows people how to pray *Meditation & Prayer* YDS Yvette Silva,2013-09-13 I found myself almost immediately relaxing into bed It is like your mind really does take a vacation T Smith Director of Employee Benefits **How to Pray Like Mary** Sonja Corbitt,2019-06-01 Listen and Respond Like Mary at the Annunciation Mary has been called the mother of listening She didn't just hear the Word she pondered it in light of her own relationships and circumstances and then let it transform her Sonja Corbitt is a best selling catholic author and one of the most dynamic and compelling new voices in the Church today After years of Bible study she recognized that the mother of listening was providing a model of prayer that has the power to revolutionize your life of prayer Starting with Mary's response to the Annunciation Sonja Corbitt will show you how to pray with Scripture under the guidance of the Blessed Mother You will learn a powerful practice for daily prayer as Mary models it Listen Observe Verbalize Entrust Sonja Corbitt draws from vivid biblical texts to show you the key to loving Scripture and deepening your relationship with God In How to Pray Like Mary by Sonja Corbitt you will Develop a daily habit of life changing prayer Learn how to tell the difference between God's voice and your own thoughts in prayer Understand Mary as the mother of the Church and a model for individual Christians and why this is so important Rediscover the power in the early Church's method of Scripture based prayer Discover how to hear the voice of God in Scripture and so that reading Scripture becomes a joyful encounter with the one who loves you Find peace and direction every day as you turn to God's Word and discover him working in your heart and your life Most importantly You will know how to respond to God when you do hear him just like the Blessed Mother American Book Publishing Record Cumulative 1998 R R Bowker Publishing,1999-03 The Prayer of Silence PhD Bruce Fraser MacDonald,2011-11 The Prayer of Silence has several aims 1 to teach basic relaxation and concentration methods based on bodily awareness 2 to develop an awareness of the Divine Presence 3 to overcome emotional and personality blocks to develop a sense of personal wholeness 4 to develop an awareness of what the author drawing on a near death experience in 1966 calls the Watcher aspect of consciousness that speeds the development of spiritual perception of inner Love Peace and Joy 5 to transform the ego from attachment to material and emotional limits to a spiritual Ego that is one with the Atman or Spirit and to extend that spiritual awareness to the world and other people 6 to be able to deal with the conflicts and potential arising from the memory of past lives 7 to be able to find a Spiritual Guide in the inner person 8 to be able to deal with the inevitable dry periods in spiritual practice 9 to experience Nirvana where all lower attachments are blown out and 10 to achieve Divine Union where the Ego and God are One where Atman experiences itself as one with Brahman where one can say with Jesus I and the Father are One There is

also a very good chapter on mantras so the student can learn about their nature and use although the Prayer of Silence uses a different more direct form of focus to achieve concentration and inner awareness Dr MacDonald has also remembered and worked with many of his own past lives so he is a reliable guide to others who are going through that process The author is a master teacher and the book presents its material in a steadily more complex form laying the necessary foundations before proceeding to the higher levels of learning There is a combination of theory and practical exercises so the learner can develop meditation skills gradually but with confidence building from one stage to the next to achieve mastery of the subject The writing is clear and concise and easy to understand In order to explain the often difficult ideas associated with meditation and spiritual growth Dr MacDonald draws on the language ideas and practice of Christian Hindu Jewish and Buddhist traditions to clarify ideas from different angles He also draws on relevant scientific studies of human consciousness to help make the ideas and aims of this Prayer of Silence clear to the reader
