Pray To Live Thomas Merton Contemplative Critic:

Thomas Merton, Contemplative Critic Henri J. M. Nouwen, 1981 A unique meditation on the life writings of Thomas Merton by one of the most popular Catholic writers today In reading this book one can meet for a brief moment the living spirit of Merton It is a refreshing encounter John Eudes Bamberger **Pray to Live** Henri J. M. Nouwen, 1968 The Spiritual Legacy of Henri Nouwen Deirdre LaNoue, 2000-10-01 In 1969 the year following the death of Thomas Merton Henri Nouwen published his first book Who reading Intimacy Essays in Pastoral Psychology at the time could have guessed that its 37 year old Dutch priest author would become one of the most popular spiritual writers of the 20th century Unlike Merton whose strictly spiritual writings appealed almost exclusively to Roman Catholics Nouwen had an enormous following among Protestants as well as Catholics What was it about this man and his work that so resonated with the American psyche over the past thirty years In The Spiritual Legacy of Henri Nouwen Deirdre LaNoue analyzes Nouwen's voluminous writings in the context of his life and times providing a key to his more than forty individual books as well as a cogent summary of his contribution to the spiritual lives of millions of people The book includes a complete bibliography of Nouwen's writings as well as a Scripture index of his books The Social Thought of Thomas Merton David W. Givney, 2009 This new edition traces the evolution of Thomas Merton's social thought particularly as it evolved toward a way of nonviolence and peacemaking grounded in contemplation and Christian love It identifies the social context that shaped Merton including civil rights and racism the Vietnam War and a growing nuclear threat And it explores the religious influences and experiences that shaped Merton including Catholic social teaching particularly Pope John XXIII's encyclical letter *Pacem in Terris* Peace on Earth the words and actions of Mahatma Gandhi and Martin Luther King Jr the practice of contemplation and Zen and Merton's own life as a Trappist monk **Thomas Merton and the Noonday Demon** Donald Grayston, 2015-05-19 How did Thomas Merton become Thomas Merton Starting out from any one of his earlier major life moments wealthy orphan boy big man on campus fervent Roman Catholic convert new and obedient monk we find ourselves asking how by his life's end he had grown from who he was then into a transcultural and transreligious spiritual teacher read by millions This book takes another such starting point his attempt in the mid 1950s to move from his abbey of Gethsemani in Kentucky a place that had become in his view noisy beyond bearing to an Italian monastery Camaldoli which he idealized as a place of monastic peace The ultimate irony Camaldoli at that time bucolic and peaceful outwardly was inwardly riven by a pre Vatican II culture war whereas Gethsemani which he tried so hard to leave became when he was given his hermitage there in 1965 his place to recover Eden In walking with Merton on this journey and reading the letters he wrote and received at the time we find ourselves asking as he did with so much energy and honesty the deep questions that we may well need to answer in our own lives *Walking with Henri Nouwen* Robert Waldron, 2003 Written in journal form as a preparation for a retreat on Henri Nouwen one of the most revered spiritual writers and guides of our time this engaging book examines themes of brokenness transcended and

integrated into Christian wholeness Waldron takes full measure of Nouwen's often conflicted personal nature struggles with loneliness rejection depression and sexuality and professional from brilliant tenure as a pastoral psychologist at Yale Harvard and Notre Dame to his call to personal ministry to the profoundly mentally and physically disabled at L'Arche Daybreak in Canada He augments it with in depth accounts of Nouwen's literary works his interest in painting iconography music and clowning The result is this poignant multifaceted work that resounds in its chief conceit the walk or journey toward wholeness is achieved through the balm of healing that we receive when we follow Jesus example and take on the crosses of the broken and weak Students and scholars of art literature psychology and religion followers of Nouwen retreatants and the general public will find this work compelling Henri Nouwen and The Return of the Prodigal Son Gabrielle

Earnshaw, 2020-05-12 *The Return of the Prodigal Son* A Story of Homecoming is Henri Nouwen's most popular book selling over one million copies since its publication in 1992 What accounts for its ongoing popularity as a spiritual classic Drawing from extensive research in Nouwen's archives author and Chief Archivist for the Henri Nouwen Legacy Trust Gabrielle Earnshaw provides a detailed account of how the book came to be written shedding light on Nouwen's writing process and aspects of his life experience that influenced his insights and ideas Earnshaw examines Nouwen's intellectual formation as well as the impact of his family and friends on the shape of the book Letters many published here for the first time give us a privileged look at Henri's world during the nine years he took to complete the book Earnshaw considers how it compares to other books published at the same time to place the work and its author in a historical cultural and religious spiritual context Finally she explores how Nouwen himself was changed by the book and why twenty three years later it continues to touch the hearts and minds of 21st century readers *Hopeful Realism in Urban Ministry* Barry K. Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy Genius Born of Anguish: The Life and Legacy of Henri Nouwen Michael
