Stephen Samuel Lomax,2009 The main premise of the book It was written to destroy ignorance and myth It was written to separate fact from fiction and truth from folklore It was written to highlight knowledge and establish it as a necessity of production happiness and fulfillment of life The book is a testimony that the most violent element in society is ignorance A mind is a terrible thing to waste and if you think education cost try ignorance It was written to correct the historically dangerous sentiment that What you don t know won t hurt you But let it be proclaimed from every mountain hill and

housetop What you don t know can not only hurt you but destroy you Prayer Alert Nita Scoggan,1989-10 **Profanity, What You Don't Know Shows** Eloise Coker Hunter,2009-12 Faith Comes By Hearing The WORD GOD challenges you to use the mind He gave you Denying His existence without researching His Word is dishonest immature and deadly This concise distillation of GOD s most important messages to mankind is His outreach in these last few days before JESUS return Rom 10 16 Esaias saith LORD who hath believed our report 17 So then faith cometh by hearing and hearing by the Word of GOD 18 But I say Have they not heard Yes verily their sound went into all the earth and their words unto the ends of the world The whole world knows the name JESUS The WORD of The Holy Bible Ps 14 1 The fool has said in his heart There is no GOD They are corrupt they have done abominable works there is none that doeth good 3 They are all gone aside They are altogether become filthy There is none that doeth good no not one 4 Have all the workers of iniquity no knowledge GOD does not mince words describing people who have ignored the proofs He has provided for any reasonable person to understand Hosea 4 1 Because there is no truth nor mercy nor knowledge of GOD in the land 2 By swearing and lying and killing and stealing and committing adultery they break out and blood toucheth blood 4 Therefore shall the land mourn and everyone that dwelleth therein shall languish 6 My people are destroyed for lack of knowledge Because thou hast rejected knowledge I will also reject thee I will also forget thy children People audaciously judge GOD as a failure by the state of the world They never look into The Holy Bible to see that man is the cause GOD is pursuing all agnostics atheists evolutionists and humanists Start reading His WORD to understand how He thinks and accept JESUS as the door to eternity **Be Still: Uncovering God's**

Solution for Achieving Happiness, Healing, and Wholeness Anita Marchesani, Ph.D.,2019-12-07 No one escapes this life without heartbreak emotional pain and suffering God promises to heal your wounded scarred broken and shattered heart Counseling therapy and even medications have limits on the depth of healing they can provide Sometimes only a direct intimate specific supernatural word from the Sovereign Creator of the universe can heal an emotional wound We have a role and responsibility in our healing relationship with Jesus God cannot heal us without our active participation beyond even prayer We must place ourselves in the proper spiritual and emotional position to receive God s healing word into our hearts That position is Biblical stillness When God commands us to be still He is serious God wants us to be still according to His

definition of stillness Being still does not come naturally but we can learn specific strategies and techniques to move into still space From that posture we can receive the gravitas of His word that heals us immediately **Forthcoming Books** Rose Army,1993 A Student of Life Sally Stierhoff,2022-07-14 The Great Commission commands us to make Disciples not Converts In the Christian context a Disciple is most commonly referred to as a follower of Jesus In its most literal context a disciple is a learner In either case we re not talking about an event but rather a process or lifestyle Sally s story and stories of life garnered experience are both wisdom and practical next steps for the serious disciple A Student of Life is a Discipleship Primer that will both inspire instruct and enlighten the reader as they establish their own life story Pastor Steven S Harman Th D Retired church plant pastor current volunteer missionary with A Time to Revive and Revive Ohio Ministries In Sally Steirhoff s most recent work A Student of Life she invites her readers to share an intimate stroll with her Savior The conversation pairs insightful stories with lessons for living with each page being gently sprinkled with Scripture Take time as I did to enjoy its many flavors I guarantee you ll be amply rewarded with refreshing insights that linger long in your soul Dr Wayne Cordeiro Author and Sr Pastor New Hope Church College Eugene Oregon A Student of Life conveys wisdom and practical advice on topics such as fear anger and grief marriage and blended families self worth and personal growth and finding true happiness and peace Life can be a journey of adventures and challenges and how you deal with them determines your level of success and joy In this book the author draws on her life experiences and observations to convey the unlimited love of God She answers questions such as How can you ask for God s help when you need it What are the benefits of spending time in prayer How can you overcome past mistakes Why should you surrender yourself to Christ As a student of life the Lord has revealed many wonderful things to the author By learning about them you ll find an easier road to travel Evaluate your life ignite your faith and enjoy the benefits that go along with knowing how much God loves you with the lessons in this book The Hour of Degeneration Twyman Preston Joyner D.D.,2014-07-09 Jesus reveals to us in Luke 17 22 30 that before His return the world s sinful state would be synonymous with the days of Noah and Lot who dwelled in Sodom Genesis 19 1 30 thus the people would be going about their business as usual cf Matthew 24 34 44 However sin s deteriorating effect on this world will someday closeout and Christ will return with power and great glory Matthew 24 30 putting an end to this world s system that is under Satan s authority Ephesians 2 1 3 It is my intention to get the reader to see that the times in which we live are serious and critical These are dangerous times and we must be alert watching and praying Mark 13 33ff We must become the true people of God the household of faith that is in Christ Jesus and not just following after every wind and doctrine taught by false prophets and false teachers It is my prayer that this book enlightens and gives the reader more knowledge about the perilous times in which we live **Lesson of the Day** Brian Tarver,2014-08-07 We never know what life will have in store from day to day Some days may be filled with exceeding joy and other days filled with great sorrow However regardless of what each day may bring there is one thing that is certain God

the most part this book will show you a way to avoid having too much stress in your life It does not promise to make life stress free Instead it gives you a method of living by certain formulas and concepts designed to help you cope with the trials and tribulations of everyday life It is meant to help with the common dilemmas found in a society that is not beset with life and death decisions at every turn Using the ideas methods formulas and concepts suggested in this book makes it possible to live life in a reasonably relaxed manner **What's the Plan?** Brad LeRoy,2024-07-02 If you live long enough some level of

pain in some area of your life will find you When it does many people are tempted to ask Why It's a fair and natural question to ask The problem is it's the wrong question If you ask the question Why for too long you will just end up in the same place you're already in with the same problems to solve The much better question to ask is What's the Plan It's only when we move from Why to What that we begin to gain traction When it comes to pain we can actually do more with What than with Why This is the moment where God is given complete control of everything where pain is no longer in the driver's seat and forward momentum can begin to happen again Through the life of Job my own personal experiences and most importantly the Lord's Prayer we will discover how to find God's purpose in the middle of our pain Nourishment for the Spiritual

Pilgrimage Vernon T. Jones,2017-02-16 In the morning while it was still very dark he got up and went out to a deserted place and there he prayed Mark 1:35 Jesus taught by his words and actions He went by himself to pray when he was tired when faced with upcoming trying events or when he just wanted to be alone in the presence of his Lord He gave us guidance about

what to pray how to pray and why to pray and was very familiar with the Hebrew Scriptures Thus if we want to become Jesus disciple we should follow his model and invest time and emotional energy into prayer Bible study and reflection Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ It offers insight and support for those who daily want to turn their hearts souls and minds to God s will in their lives as they strive to help in bringing about God s kingdom in this present time There are countless other devotionals but hopefully this can offer something that many of the others may not a specific focus on the concept of discipleship
