Prayer Asking And Receiving:

Prayer John R. Rice, 2000-08 God still answers prayer Dr John R Rice opens the bible to help believers better understand prayer and develop a relationship with their lord Prayer... Asking and Receiving John R. Rice, 1950 PRAYER J.R. RICE,

Prayer, Asking and Receiving John R 1895- Rice, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Prayer Is Asking and Receiving Michael Folorunsho Olumbo D Phil, 2023-04-15 This book titled Prayer is asking and receiving is written to enlighten the readers about what prayer really is the importance of prayer and how to pray When we pray we are joining forces with God to combat all issues to attack and bring to obedience all life s issues It is having fellowship with God to exalt praise magnify and glorify God and His Name In the book we discussed how we are supposed to pray as Jesus directed us to do before He left this earth Following the directives of Jesus we looked at the preliminaries of prayer noting that we do not have to jump into prayer without proper preparation We must come to God fully prepared In the book we looked at the main act of praying following the guidelines as given by Jesus as He directed us to do in The Lord s Prayer and as the Lord directed the children of Israel to do in the wilderness After deciding what you really want from God then you must go into the Scriptures and search the Scripture to see if the need falls in line with God s will We must be definite and exact in what we ask for There should be no repetitions or tautology A very important point that was emphasized in this book is the statement that Jesus made in Mark 11 24 where He said that when we pray we must believe that we have received what we prayed for while praying not later then we will receive it What He said there is that we must pray in faith and not in hope This is important because most Christians pray in hope not in faith They pray believing that they will receive their answer sometimes later In this book we discussed the different kinds of prayer when each type is used and how it is used Prominent among the types discussed in this book are the prayer of agreement the prayer of petition or request united prayer or prayer of unity prayer of importunity or persistence the prayer of consecration and dedication the prayer of commitment prayer of worship and the prayer of intercession We looked in detail at the prayer of intercession which is a prayer in which one takes the place of another in prayer That is going to God for somebody That somebody could be a person a ministry a church a nation or even the Kingdom itself That is standing in the gap between that somebody and God Another important topic that we covered in the book is the use of the

Name of Jesus in our Prayer Jesus gave us two separate instructions as to how we should use His Name in prayer However most of us Christians do not differentiate the two We tend not to know the difference The Name of Jesus is the key that unlocks Heaven All authority has been vested in that Name We tend to use the two instructions that Jesus gave concerning the use of His Name interchangeably but wrongly most of the time The ways we use the Name in our prayers tend to show that we do not know the power that is vested in the Name Perhaps that is the reason why the answers to most of our prayers do not manifest physically The right use of the Name is thoroughly explained in the book and examples are cited as to how the disciples followed the instructions of Christ in the use of His Name We ought to follow in their footsteps We also discussed the subject of Praying in the Spirit in the book We depend on the Holy Spirit in order to be able to pray in the Spirit The Spirit makes intercession for us according to the will of God because we know not what to pray for sometimes We also noted that if we want quick answers to our prayers then our prayers must be loaded with worship and praise exalting the Name of the Lord God lives in the praises of His people In this book we also looked at and discussed in detail how to conduct spiritual war faring in prayers the enemy s armor and the weapons at the disposal of the Christian We can see that for prayer to be answered does not depend on how loud we shout but how much interaction we have with the Holy Spirit

The Art of Asking and Receiving E. Richard Bridgeforth, 2009-06-05

Prayer James T. Curtis, 2014-02-04 The thesis of this book is one of the most vital to human existence both in this life and in the life to come Without a true and unwavering knowledge of this subject one misses so much in this life that is due him If one will truly master the following truths and simply refuse ever to fail in practicing them to the letter he will never experience the many unanswered prayers that the average person does One can get what he wants from God if he will literally do what God says for him to do The absolute assurance of receiving from God in abundance is just as certain as anything can possibly be if one will follow the instructions given in this book God cannot fail His promises cannot fail The believer cannot fail if he will be as dogged about refusing to accept any failure as most men seem determined to fail in the business of asking and receiving The following great lessons on prayer and how to get answers to prayer should be fervently practiced until asking is second nature and receiving is a normal experience

Excerpts from Preface *Great Preaching on Prayer*, 2000-08
