Peterson, Jim Lyster, John

Sharon, Peter Santucci, 1997-06-27 In *Subversive Spirituality* Peterson has gathered together a host of writings penned over the past twenty five years that reflect on the overlooked facets of the spiritual life. Comprising occasional pieces, short biblical studies, poetry, pastoral readings and interviews, this work captures the epiphanies of life with the pleasing pastoral style and inspiring depth of insight for which Peterson is well known. Peterson describes his book this way: "This gathering of articles and essays, poems and conversations is a kind of kitchen midden of my noticings of the obvious in the course of living out the Christian life in the vocational context of pastor, writer and professor. The randomness and repetitions and false starts are rough edges that I am leaving as is in the interests of honesty. Spirituality is not by and large smooth. I do hope, however, that these pieces will be found to be freshly phrased."

Prayer for Owen Meany John Irving, 1990-04 In the summer of 1953 two 11 year old boys, best friends, are playing in a Little League baseball game in New Hampshire. One of the boys hits a foul ball that kills his best friend's mother. Owen Meany believes he didn't hit the ball by accident. He believes he is God's instrument. What happens to Owen after 1953 is extraordinary and terrifying. He is Irving's most heartbreaking hero.

Feasting on the Word David Lyon, Bartlett, Barbara Brown Taylor, 2009-10-01 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today. When complete, the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day, Epiphany, Holy Week and All Saints Day. For each lectionary text, preachers will find four brief essays, one each on the theological, pastoral, exegetical and homiletical challenges of the text. This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion. The editors and contributors to this series are world class scholars, pastors and writers representing a variety of denominations and traditions. And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary, each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its contents.
