

A woman with long, wavy hair is shown in profile, facing left. Her hands are clasped together in a prayer position, held up towards her face. She is looking out over a body of water, likely a lake or bay, with mountains in the background. The sun is setting or rising, creating a warm, golden glow over the entire scene. The water reflects the light from the sun, and the mountains are silhouetted against the bright sky.

Hansen, 2012-09-27 Leading us well beyond the niceties of self help literature Montana pastor David Hansen pulls back the veil on the actual pastorate the one that emerges without your permission in the midst of life and ministry In this revised and expanded edition Hansen expands on his view of the pastor as a parable of Jesus and adds a new postlude Prayer, Middle Knowledge, and Divine-Human Interaction Kyle D. DiRoberts, 2018-07-27 Christians generally believe that in prayer they are free in their act to petition God Christians also believe that they pray to a God that is sovereign and omniscient Kyle DiRoberts maintains that explanation as to how one affirms these two truths is dependent upon one's account of divine providence which determines how motivated the person is to offer petitionary prayer in the divine human relationship The theories of providence and their understanding of petitionary prayer discussed in this book include compatibilism hard determinism open theism and middle knowledge Each of the theories of divine providence discussed in this book share a desire to construct a view concerning petitionary prayer that would propel the Christian toward God in relationship and then lead the body of Christ to pray without ceasing DiRoberts argues that middle knowledge is the preferred theory of providence as it relates to petitionary prayer because for middle knowledge God's sovereignty includes both his omniscience and libertarian human freedom **The Art of Prayer** Timothy Jones, 2011-08-17 I often shrink from books about prayer because they usually produce in me feelings of inadequacy I was delighted to find Tim Jones to be a sympathetic not intimidating guide He writes with humility clarity and practicality exactly the qualities I want in a book on prayer Philip Yancey Revised and Expanded Edition with Study Guide Included Timothy Jones guides us into a life of prayer not by cramming us with knowledge and technique but by quietly returning us to simplicity of soul and the presence of God Eugene Peterson

Something within us wants to grow closer to the God who loves to relate to us But we often hesitate Even though we have a desire to pray questions nag us Can I pray when I feel distant from God Is it okay to ask God for help in little things What do I do when I don't know what to say What sense can I make of seemingly unanswered prayer How do I keep growing closer to God In *The Art of Prayer* Timothy Jones honestly shares his own struggles with prayer and invites you to be honest and

hopeful as well Offering biblically wise warmly instructive explorations of our questions Jones considers how you can become fluent in the world's simplest language talking with God Includes a full length inductive Bible study guide on prayer ideal for small groups or individual readers wisely human spiritually practical and wonderfully interesting the late Lewis Smedes author of *My God and I* luminous prose and lucid insights Publishers Weekly

Organic Prayer Sherry Harney, Kevin G. Harney, 2024-07-15 Often we view prayer as an activity reserved for a certain time in a certain place offered in a specific way Scripture invites us to pray continually This exhortation is an opportunity for prayer to permeate every aspect of our lives when we're alone or in a crowd when it's quiet and when it's chaotic when we feel like it and when we don't Organic Prayer shows us how to make continuous prayer a natural part of our lives rather than something on a spiritual checklist It helps us encounter God in new ways as we learn to open our eyes to see his presence and the world around us open our ears to hear his voice guiding us open our hearts to experience freedom and power as we pray and open our lives as we pray for and with others and shine the light of Jesus in our dark world Anyone desiring a richer more transformative prayer life will welcome this fresh take on conversing with our Creator Anyone hungering to share the grace and goodness of Jesus in our hurting and confused world will find practical ideas for world changing prayer
