Morris Jr.,2019-07-17 What do all Christians talk about and do very little of Pray Yes prayer is the most talked about subject in Christendom but very few people regularly do it For most it is because no one has ever taught them Only six of Jesus s prayers are recorded in scripture Is that an accident Or could these six prayers teach us how to grow our prayer life deeper and wider than ever before Pray like Jesus is intended to be a simple spiritual how to manual for those who do not have a vital prayer life but seek one It is not intended to be an academic book as much as it is an epistle from a fellow believer who may have learned a few things in forty one years of ministry Author Robert L Morris Jr invites you to join him and look at six prayers of Jesus but you will intentionally not examine the Lord s Prayer in depth The reason is simple the Lord s Prayer contains valuable information on how disciples should pray but this book is about how Jesus personally prayed Pray like Jesus is not the destination but a directional sign Jesus and no other is the destination If you have longed for a prayer life that was more than treating God like a benevolent genie who granted wishes to those he favored then read on to see how prayer is so much more than that **The Lord's Prayer** Rose Publishing,2021-10-05 The Lord s Prayer pamphlet explores and explains the way that Jesus taught his followers to pray Each phrase of Jesus prayer model is examined using both NIV and KJV Scriptures Each phrase reflects a different attribute of God the pamphlet explores the meaning of each attribute and the petition the prayer reveals The pamphlet also offers additional Scripture references and examples of Jesus demonstrating God s attributes This bestselling 12 panel pamphlet gives believers new insights into our Heavenly Father his power and forgiveness Glossy finish with full color design Size 8 5 x 5 5 unfolds to 33 long Fits inside most Bible covers The Lord s Prayer pamphlet is one of the easiest ways to teach the purpose of the prayer the guidelines Jesus taught and their power to put needs and desires in proper perspective Pastors may want to purchase a copy of this pamphlet for each church member to use in Bible study or private devotion The easy to use fold out format provides a concise look at Each phrase in the prayer with traditional and contemporary wordingSeven of God s attributesThe importance of submitting our will to his willAsking for our needs and our forgivenessAn understanding of

The Prayer of Jesus Michael E. Cannon, 2010-11-05 Prayer is an often practiced more often neglected and less often understood practice of Christendom Counselors prescribe prayer as a means to reduce stress and lower blood pressure Some approach prayer as Eastern meditation some as an expression of tongues and other traditions offer chants in a strict liturgical form John 17 offers the reader an unusual opportunity to listen to a prayer Some might say the prayer in John 17 is the prayer of all prayers the true definition of the Lord's prayer Drawing on classic commentators Michael Cannon casts John 17 in a pastoral light showing the grace wisdom and love of Christ for his people as he pours his heart out before his heavenly Father on their behalf While these were messages originally preached in the context of worship they also serve as a detailed commentary on one of the most beloved passages of Scripture
