Richardson, 2009-08-01 It's a time when we prepare our lives hearts minds and spirits for the coming of the Christ child We sweep out the corners of our hearts cleaning up the clutter to make space for God's hope peace joy love and presence The Uncluttered Heart offers four weeks of guided reflection through the weeks of Advent on through Epiphany Each day provides a quotation scripture passage reflection prayer This book includes a study guide for groups Three Are Gathered Daniel L. Prechtel, 2012-04 Much has been written about the practice of one to one spiritual directions but much less about small group communities that offer in depth mutual spiritual support and quidance to its members But small groups are most likely the more usual setting for spiritual companionship and have strong biblical theological and historical foundation in the Christian tradition This book offers a detailed presentation of ten small group models plus guidance in group leadership dynamics It also presents material related to group retreat work spiritual guidance with organizations and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats Church leaders spiritual directors and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats **As If the Heart Mattered** Gregory S. Clapper, 2014-02-25 As If the Heart Mattered expounds on John Wesley's image of religion as a house by exploring three main parts the porch of repentance the door of faith and holiness the house itself Useful study helps include references to John Wesley sermons and Charles Wesley hymns But this approach to spiritual life transcends Methodism and provides essential biblical truth applicable to all Christians Questions for reflection or discussion are provided at the end of each chapter For Goodness' Sake: Principles of an Ecotheology Robert Cuttino, 2014-10-23 There seems to be a huge disconnect between religion and the environment In For Goodness Sake Principles of an Ecotheology author Robert Cuttino challenges hyperindividualized self absorbed contemporary theology that insists on our favored status He proposes an ecotheology Cuttino considers among other things that individuals are not the greatest good despite what we might think He shows we may be in fact secondary in importance to the health of all environmental systems that make life possible And individual humans are likely second in importance to the health of those economic systems that provide decent livelihoods and quality of life to all Readers will also learn why just greening the Bible will not work For Goodness Sake Principles of an Ecotheology isn t only about what will not work Cuttino shows that especially for restoring the health of the most important system of all the ethical sphere there may be an imperative for Christianity Pastoral Care for Post-Traumatic Stress Disorder Dalene C.
