The Complete Works of Zacharias Taneé Fomum on Prayer (Volume 2)

Zacharias Taneé Fomum, The Complete Works of Zacharias Taneé Fomum on Prayer Volume 2 contains the following books 1 The Art of Intercession 2 The Practice of Intercession 3 Practical Spiritual Warfare Through Prayer 4 Life Changing Thoughts on Prayer Volume 1 5 The Overthrow of Principalities and Powers 6 The Prophecy of the Overthrow of the Satanic Prince of Douala 7 The Prophecy of the Overthrow of the Prince of Cameroon Having left the ABCs of prayer behind this volume deals with the intricacies of intercession spiritual warfare and the overthrow of satanic princes ruling entire nations behind the scenes It tackles both the art and practice of intercession Simply put intercession is both the art and practice by a righteous blameless and absolutely consecrated person to accept stand in the gap and defend a person or people that God has targeted

for destruction due to their brazen and sustained violation of His will The Lord s response to Moses intercession and entreaty for the children of Israel was swift and dramatic The Bible says Then the Lord relented and did not bring on his people the disaster he had threatened Exodus 32 14 That was intercession in both its art and practice So many advanced believers in Christ don t even believe that satanic princes exist They exist They are so real so devastating in their work and so strangulating in their grip of people and their affairs that you can only ignore them to your own undoing Daniel battled these satanic princes all his adult life in exile in the Babylonian Persian and Median realms He did so through strategic prevailing and sustained prayer and fasting Daniel 10 1 21 11 1 He battled in prayer and fasting until the satanic princes of Persia and Greece which were opposing God s purposes were overcome overturned and overthrown We send this second prayer volume out with a cry to the Lord that He should use it to teach the church of the Firstborn the intricacies of intercession and spiritual warfare In this age of atheism agnosticism humanism espionage robots sophisticated gadgets and the Internet there was never a time we needed intercession and spiritual warfare like now

Leading a Local Church (Volume 2) Zacharias Tane Fomum, This book is a heart surgery of the spiritual leader The leader s inner life spiritual condition is determinant Without a deep and intimate knowledge of God any leadership exercised is from skill talent or natural endowment It can never satisfy God s heart neither can it lead God s people to destiny In Leading a Local Church Volume 2 the author Z T Fomum will take you through the necessary heart cultivation required to build the leadership wealth that will set you apart and promote a mere seeker after God into a spiritual leader He show case the spiritual dynamics that will empower anyone in leadership at all levels with the capacity to move God to move and transform both men and situations And since the heart condition of a leader is most altered in the place of prayer where the heart is welded to that of God then it is obvious that no spiritual leader can go beyond his performance in the closet time spent alone with God From another angle the author demonstrates that leadership is conditioned on a life sacrificed spent and sold out for others He elaborates at great length some critical aspects of spiritual leadership like strategic planning the setting of goals providing a model etc alongside practical strategies on how to successfully start and progress in leading a local church The normal member of the local church is not left out since they play a key role in their leader s well being This book will be of great help in providing insight on how you can be a source of great encouragement and spiritual progress booster to your leader If you are actively leading or aspiring to lead God s people and are determined to dive deep into God so as to take those under your leadership to God s heights and full approval then this book is for you
