Robinson, 2012-08 Make the Confession I am Healed in Jesus Name is written as a tool and resource encouraging believers of Christ to tap into their supernatural inheritance which was made possible because of the resurrection of the Lord Jesus Christ Sickness remains in the earth realm because God has not called His children home unto eternal heaven and the last enemy death has not been destroyed 1st Corinthians 15 26 Christians must know their ancestral heritage the Creator and architect of the gift of healing God the Father The Lord Jesus Christ has called us out of darkness and has placed us into His marvelous light In the light of God dwells the fullness of God the Father Well if we dwell in the fullness of God than there is no other choice other than believing that God can and will heal every sickness and disease that encroaches upon our bodies according to the faith that we

relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God s voice and offers a hopeful supposition God is always speaking we ve just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God s questions and how to hear God s voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God s guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks Today's Parish ,1984 *Pray This Way to Connect with God* Hal Green,2023-01-03 Prayer is the singular bridge between you and God The state of your prayer life is the state of your God relationship It is as vital to your well being to develop a flourishing prayer life as it is to develop satisfying communication with loved ones If you seek to know God personally this book will assist you in your seeking as well as in your finding If you want to transform your prayers from a monologue with you merely addressing God to a dialogue with God also addressing you this book is for you It will guide you from what prayer is to how to pray from breath prayers all the way to contemplative prayer **A Praying Congregation** Jane E. Vennard,2005-06-30 Pastors and others who want to develop their skills as teachers of prayer and spiritual practices will find in this book not only wisdom for themselves but easily accessible lesson plans enabling them to share Vennard s insights with others while infusing the activities with their own spirit and creative ideas Through this book readers hearts are made ready to explore the wonder of strengthening their relationship with God through prayer *Let's Chat* Renee Richter,2019-12-31 When we become Christians we all learn to pray We learn that when we pray we re addressing the Almighty God who sits enthroned in glory and power accordingly we must approach Him with respect and honor But what if there is more to prayer than that What if God can also be a dear friend who wants to hear about the highs and lows of our regular lives What if the God who breathed out the galaxies just wants to chat with you Let s Chat introduces the Jesus who wants to be a part of your everyday life in a personal intimate way Speaker and discipleship leader Renee Richter presents a thirty day journey toward learning a new sort of prayer one in which you can experience friendship with Jesus She draws from her own personal testimony and from the stories of biblical heroes to show how prayer can be radically more than you ever imagined it These thirty days could change your prayers and your life 55 Devotions Brigitta Diaz,2019-03-07 The 55 Devotions are here to encourage and

motivate you to go through the day as God wants you to live Each devotional has a title telling you what the devotion is about and at the end is a command on what you can do during that day to apply the lesson Each devotional has a beautiful nature landscape photo with a fitting Bible verse There are often so many small things that make or break our day We are so busy that we often do not realize how God is at work in our lives Let God speak into your life today All the topics and examples in 55 Devotions are real thoughts experiences and circumstances that the author has gone through God still speaks today may the 55 devotions help you to see how God speaks to you today in your circumstances thoughts and daily lives *What is Prayer?* J. D. Balentine, 2022-06-24 The discourse of prayer responds to the abiding lure of transcendence From Gilgamesh to the primordial human beings in Eden to Odysseus the quest for ultimate truths has summoned forth all manner of human effort courageous desperate pious impious successful failed invited forbidden and like all such lures one can never be certain whether the glimmer of transcendence is that of a bright and shining star that illuminates the shadows or only a shiny object that seduces one into an inescapable darkness a fishing lure for example In this study Samuel E Balentine demonstrates how prayer s invocation of God transgresses the limits of human beings The author shows how inviting let alone commanding God to speak may be the acme of bardic pretention but in the ancient world such transgression characterizes the audacity of prayer **Take the Plunge** Brad Huebert, 2000
