Escaping Through Prayer Diane M. Riley, 2008-12 I P T Mission The mission of the Intercessory Prayer Team is to personally see to the vision of the Revelation Pentecostal Holiness Church being fulfilled through our leaders We will endeavor to support the ministry through prayer and supplication until the coming of our Lord and Savior Jesus Christ We will intercede on the behalf of others who are in need of miracles blessings deliverance salvation or any personal need according to the will of God Our mission is to get to our heavenly place of rest by any means necessary and we will encourage as many as we can to join us on this journey We will not get weary in well doing and we will walk and not faint Giving up is not an option and negative speech is not allowed in our presence We can do and will do all things through Christ who strengthens us We will interrupt the flow of Satan and count all things to our good We are bold strong powerful intelligent faithful and always ready for battle Empowered to achieve *The Invisible Things of God* Bob Joseph, 2023-05-08 What does nature speak about God There are many mysteries or invisible things about God encrypted in the universe When we examine the physical world at various resolutions of detail from the vast unending expanse of the universe to the minute microorganisms that inhabit our planet we can discover a lot of things about God Science and faith in God are not opposed to each other This book highlights how scientific study can reveal several things about the character of God especially His power greatness and wisdom If we open our hearts to seek and understand the truth we can learn many things about Him without having to sacrifice common sense logic and rational thinking This colorful and picture filled book takes you through many examples in nature that clearly display God s amazing work of creation and in the process provokes you to awe and wonder *The Invisible Things of God* also introduces a slightly different perspective about the often misunderstood concept of faith It also reminds you of the impending reality of God s final judgment and His easily attainable loving free gift of salvation from eternal suffering It describes the sweetness blessedness and joy associated with knowing and walking with the Creator of this universe based on the author s own relationship with God Prayer, Prophecy, Discipleship and The Holy Spirit Curtis Lee Marsh, 2015-10-27 In this Book the Prayer Prophecy Discipleship and The Holy Spirit is a basic Textbook style of simple studies of a beginning scholar entering into the deep waters of God s apostolic calling It introduces you to the order in which God developed Apostle Curtis Marsh s calling Character and competency in Affirming his Office of the Apostle Through his first two Chapters being about prayer he felt that God has charged him with prayer to be the Lifeline of his five fold apostolic gifts He expresses how prayer can change your life situations as it did his Therefore quoted by Apostle Marsh knowing the will of God s word in prayer is part of the believers driving power as he petitions God However prayer as stated by Apostle Marsh gives insight on matters and issues of the heart of God Nevertheless this book provides a comprehensive textbook style view for those who do not have the ability or time to research and understand Biblical terminology when it comes to text content and context of theological doctrine as well The uniqueness of this book is to guide already trained lay

leaders and potential laid leaders in an upscale fast track training and study guide text to understanding the apostolic way of life This is the life that Jesus Christ walked and lived in This creates an atmosphere of Spiritual physical and social well being benefits for the lay members as well as the community they live in This book is also recommended by Apostle Marsh for colleges around the world to draw from the basic research and knowledge of simple modern day terminology This book is not just for a particular group or audience It has the ability to connect non believers as well as a believer with a greater influence and regard for the Kingdom of God The effectiveness of this book will affect your ministry allowing it to grow in every area God intended it to The practical applications of this book are design to move your lay leaders forward in a framework of their God given purpose and plan For I know the thoughts that I think toward you saith the LORD thoughts of peace and not of evil to give you an expected end Then shall ye call upon me and ye shall go and pray unto me and I will hearken unto you And ye shall seek me and find me when ye shall search for me with all your heart Jeremiah 29 11 13 *Spiritually Revitalizing Your Community of Faith through Prayer* Robert Arthur Hansen, DMin, 2023-08-03 As we enter a Community of Faith for the first time we are naturally drawn to a shared spirituality It may be a congregation synagogue mosque or temple It is shared spiritually of the people at prayer which attracts us and draws us to unite with others in prayer There are three shared stands of any Community of Faith their shared faith tradition the culture of the community and the personalities of the members This book examines the elements of tradition culture and personal temperament to determine how the three become spiritually integrated at the moment of prayer The conclusion is that through an explicit assessment of these three elements members of the faith community can enrich their personal spiritual life resulting in spiritual growth and can ultimately revitalize the spiritual prayer life of the community of faith The books is a spiritual intervention of a Presbyterian congregation in Central New York in the 1980s I m grateful for the prayer group that committed there Wednesday nights during 1986 This is their story of how they were able to revitalize the spiritual life of a 150 year old three hundred member Presbyterian congregation **Understanding Prayer for the Dead** James B Gould, 2017-08-31 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory and sometimes even for the deliverance of the unsaved from hell Understanding Prayer for the Dead defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James B Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the centre of God s purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox

ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned
