Prayer And Revival:

Revival Dr. D. K. Olukoya, 2018-05-31 There is urgent need for revival in the church as body and in the lives of individual Christians. A Christian must hunger and thirst for spiritual growth. Many Christians are in a state of spiritual slumber. We must wake up or end up in hell. When there is revival, people show concern for where they will spend eternity; they begin to hunger and thirst after God in earnest. To make heaven, Christians must make every necessary sacrifice to get revived. This book is a wake up call for those who are in spiritual slumber. It is a pointer to the part we must take and the pitfalls we must avoid if we must be revived. One thing is sure: if you digest the contents of this book and say the prayers with your whole heart, you will know and neighbours will testify that something new has happened in your life. Longing for a Changed World:

Meditations on Prayer for Revival Ralph Lehman, 2017-08-05 This book is a call for men to prayer and to pray for revival in our churches. Drawing from God's commands and lessons in both the Old and New Testament as well as our rich Church history through men such as Irenaeus, Calvin, and Edwards, we can develop a prayer life that acknowledges God's desire to bring about His kingdom and pleads with Him to do so. A kingdom of peace and healing of justice and life. For a revived land is transformed by the love and respect people have for others; the affirmation of life, the care for the poor and needy, and by justice for all, not merely for a select few. But the first heart that must be transformed is our own, and this comes through prayer. The 30 meditations of this book come complete with questions as well as a prayer incorporating the lesson. May this book encourage us to pray that God will change hearts in our land, including our own, and that God will transform our society.

Revival Praying: An Urgent and Powerful Message for the Family of Christ Leonard Ravenhill, 2020-07-10 Leonard Ravenhill presents prayer as faith in action in this fast-paced presentation of this crucial subject. He called prayer the most essential ingredient in producing revival. Filled with exhortations and illustrations, it teaches the art of effective praying which will result in revival. Moody Monthly said: This is a plea for praying that will melt the preacher's heart, move the people, and magnify the Lord Jesus.

Praying for Revival Eric Hayden, 2001 How often have you heard prayers for Revival in public? How often have you prayed for Revival in private? As Christians, we all long for Revival. We read accounts of revivals in the past with a mildly repressed envy. We wish we would experience them in our local situation, but having seen new methods come and go too often, we resign ourselves to failure. In this devotional book, Eric Hayden reminds us of the necessity of prayer when we desire revival. Looking at the thirty-five prayers for revival found in the Bible, Hayden gives us a series of short studies on Revival and Prayer. Hayden divides these prayers into seven sections: Prayers revealing the Need for Revival; Prayer for a Vision of Revival; Prayer to the Sovereign God of Revival; Prayers for Personal Revival; Prayers for the Corporate Revival of God's People; Prayers for National Revival; Prayers for the Revival of God's Word. With a chapter for each prayer, we are shown how Prayer and Revival are intricately linked in Scripture and consequently in our every day lives. This is a wonderful book that will help revive in us the Biblical attitude to revival and remind us that Revival comes from God himself.

If My People Pray Randy Maxwell,1995 **Prayer** Yonggi Cho,Wayde Goodall,2019-07-02 Revival comes from prayer Today s church needs an outpouring of the Holy Spirit Early church leaders like Luther Wesley Finney and Moody were filled and refilled with the Holy Spirit Prayer like theirs was the powerful key to every revival throughout Christian history Whether you re an ordained minister a stay at home mom or a new Christian God can work through you Join Yonggi Cho and Wayde Goodall in Prayer the story of Pastor Cho s personal life and successful ministry Readers will understand the different types of prayer value the importance of prayer learn why how and when to pray cultivate a lifestyle of prayer and receive new revelations of how to listen to the Holy Spirit Hear the secrets God desires to share with you and be immersed in His profound love

How to Promote & Conduct a Successful Revival Rueben A. Torrey,2020-06-01 Yet we do speak wisdom among those who are mature a wisdom however not of this age nor of the rulers of this age who are passing away 1 Corinthians 2 6 There are too many trying to promote revival by pushing doctrines that have never produced a revival in all of church history These doctrines are called new but they are in reality as old as the early heresies that crept into the church They have never had power to produce conviction of sin conversion or regeneration so presumably they will not have that power today Some of the methods described in this book will appear novel to many but they are methods that have been tried before and proven effective There is no mere theorizing in the book Men whom God has used in winning souls to Christ and building up believers have been asked to write out of their own experience No one who has been asked to write has declined Such a book as this seems to be an absolute necessity of the hour There are thousands of ministers and other Christian workers in the land longing for a true revival of God s work but with no experimental or even theoretical knowledge of how to go to work to promote such a revival It is our earnest prayer and confident expectation that this book will prove helpful to all such men
