James C. The Devotional Life Patrick Oben,2018-03-10 This book is not a daily devotional Rather it is an in depth review of what the devotional life entails Its primary purpose is therefore to give you a thorough scriptural understanding of the what how when and most especially the why of the devotional life For many Christians today a devotional is almost equivalent to reading a piece of inspiring scripture or Christian writing each day from their favorite ministry While the devotional always involves daily scripture reading and sometimes a devotional piece of writing there is more to the devotional life than these A paradoxical truth is that many believers do not fully understand what a devotional really is though many do have some form of regular devotions ever so often Well this is the spiritual knowledge gap this book is seeking to fill There is nothing that will impact your spiritual life as a habit of spending time with God on a daily basis Yes I mean there is nothing that has this practical ability to impact your intimacy with the Lord to the degree that a personal life of the Word and prayer will do Interestingly there are few things in our lives that are facing the pressure of life's demands to the point of near extinction like our daily time with the Lord As a Minister I have seen the deplorable struggles of so many Christians with their spiritual lives They love the Lord but are just living in a dry place struggling day by day to keep up with the Christian life For many it is a daily struggle without results One believer told me she knows what the Lord wants her to do but she just cannot help it I vividly remember an online comment I read from a frustrated believer who said paraphrased I just cannot understand Christianity I do not seem to relate to the experiences that I read in scriptures or what others are saying Christianity appears

to be a spiritual scam to him He loves the Lord but the promises of the Christian life seems to be a distant reality Is this what the Lord intended the Christian life to be Certainly not As you will read in *The Devotional Life Your Key to a Spiritual Life with Results* there are no shortcuts to a healthy and fruitful spiritual life The secret to a blissful Christian life is your practical relationship with the Holy Spirit on a day to day basis which is built upon a solid foundation of spending time with Him in the Word and in prayer Something happens inside of us in the presence of the Lord And if believers will overcome the pressures of life to develop a healthy devotional life the rewards will be overwhelming As a Physician I understand the value of proper nutrition for the health and vitality of the body I will show you how the Word of God as spiritual food is crucial for your spiritual health and vitality In fact the struggles of many Christians today are due to what I call spiritual malnutrition This occurs when the Word of God is not where it should be and or not doing what it is meant to do Some might have an excellent head knowledge of the Word but have no results to show as the Word is not where it has to be and not working in their lives as it should But first I will show you why less time is not the main reason why many believers are struggling so desperately to maintain a healthy devotional life There are a few other reasons which are not so obvious My prayer is that as you read through this book the Lord will stir up in your heart a fresh and holy hunger to spend time at His feet hearing His Word and talking with Him and to see for yourself the practical consequences of spending time with the Lord Christian Prayer Through the Centuries Josef Andreas Jungmann, Christopher Irvine, 2007 The author looks at nine periods of history tracing the development of Christian prayer **Teach Us to Pray** Katharine Mahon, 2019-04-01 The study of liturgical reform is usually undertaken through a close examination of liturgical texts In order to consider the impact of reform on the worship life of Christians Katharine Mahon takes a wider view of liturgy by considering the worship practices of Christian churches beyond what appears in the rites themselves Looking at how Christians were taught how to pray and instructed in liturgical and sacramental participation Mahon explores the late medieval patterns of Christian ritual formation and the transformation of these patterns in the sixteenth century reforms of Martin Luther Thomas Cranmer and Roman Catholic leaders She uses the Lord's Prayer the backbone of medieval lay catechesis liturgical participation and private prayer to paint a panorama of medieval ritual formation integrated into the life of the church in the fourteenth and fifteenth centuries She then follows the disintegration and reconstruction of that system of formation through the changing functions of the Lord's Prayer in the official reforms of catechesis liturgy and prayer in the sixteenth century **The One Year Real Life Encounters with God**, 2002-12-10 A book of daily devotions each exploring a verse or story from the Bible **Jesus Listens** Sarah Young, 2021-10-05 When your days feel overwhelming and life has you anxious and stressed you can find peace and hope in Jesus In this 365 day devotional prayer book from the author of *Jesus Calling* you'll find confidence to come to God in all circumstances with short heartfelt prayers based on Scripture God desires a relationship with you through continual conversation prayer *Jesus Listens* empowers you to pray daily whether it serves as your only prayer for the day or simply a

jump starter to your own prayers This comforting book is ideal for those who are going through difficult times and are looking for rest and hope are busy from life s demands but want to grow their prayer life are not sure how to pray have been praying for years but want a closer relationship with God The biblical basis for each prayer is given at the end of each entry so you can continually return to God s promises in Scripture This devotional includes 365 days of Bible based prayers Scripture references for each devotion a ribbon marker Whether you gift Jesus Listens or pick it up yourself to establish a more consistent prayer practice Sarah s words and her constant return to the Word of God will greatly enrich your prayer life By praying Scripture through this daily devotional prayer book you ll experience how intentional prayer connects you to God changes your heart and can even move mountains Look for additional life changing life giving books from Sarah Young including Jesus Calling Jesus Always Jesus Today
