Kendall,2023-05-02 How can we know God's will if we don't pray His prayer After reading this book you will understand the intricacies of the Lord's Prayer and how it was designed to powerfully affect your relationship with the heavenly Father No prayer is better known or more misunderstood than the prayer Jesus provided in His Sermon on the Mount The words though simple can transform the way Christians pray and live With remarkable insight wisdom and depth respected theologian R T Kendall uncovers the transforming truths contained within each line of this familiar prayer including the following When and why to pray the Lord's Prayer How to know and pray the will of God How unanswered prayer can be a sign of God's favor How the Lord's Prayer can be misused Why we should pray at all This book will give readers not only a model for prayer but also a revolutionary way to pray effectively while drawing closer to the Father **War Cries** Mark Davidson,2015-09-17 War Cries is the first ever collection of prayers which reflects the faith experiences of Christians within a military context It comprises 225 formal and informal prayers from the Army Navy and RAF from civilian sources and other nations which are presented in 7 chapters each of which exposes a different aspect of military life The prayers appear in a way that mirrors the military experience beginning with the act of joining up and ending with post conflict reflection This structuring helps the reader join the recruits in mind and heart at the beginning of their military journey to experience the frustration of training the boredom of life at sea the formality of the parade ground the horrors of battle the traumatic aftermath of war and ultimately the desire for a meaningful peace The collection also includes prayers of service families during times of conflict Compiled by a serving military chaplain Not intended to glorify military service deify the dead or sanitise the horrors of war but rather to reveal something of the realities of Christian military service Will help clergy who have had little exposure to military life to provide homilies and prayers for Remembrance Sunday 8 November in 2015 and other civic occasions **My Prayer for Peace** Richard Doiron,2008-02 [The Battlefield Reviewed](#) Landon Taylor,1881 **Practical Spiritual Warfare Through Prayer** Zacharias Tane Fomum,2015-02-20 In this handbook Professor Fomum demonstrates in very powerful terms the determinant role of prayer in spiritual warfare The burden he is labouring to discharge is to bring every believer to develop an ever increasing life of prayer with the aim of destroying the devil's plans and purposes Throughout his message it emerges that to wage spiritual warfare you must 1 Identify your enemy 2 Build a hedge of protection around you and around everything that belongs to you That should be in addition to the hedge already built by God 3 For more range in combat you've got to draft in a great number of people of quality 4 You and them have got to be united for the same purpose 5 Do not omit the role of angels in combat 6 Finally know that whoever engages in combat must persevere until the end Don't ever give up till victory This book is a very practical and precious work meant to lead you to realise as a believer that you must pray or perish Read it now and act
