

A Mother's Prayer

Sweet Mary, you are the ideal Mother. Help all mothers to imitate your purity, faith, modesty, humility and obedience to God's Will. You are our wise and loving Mother, and you care about all mothers and their children. Help mothers to care for their families with strength, patience and tenderness. Mary, you are our Heavenly Mother. Grant all mothers the graces necessary to lovingly follow God's Laws and lead their families to do the same, so that they may all be united in Heaven for eternity.

Amen.

Prayer For Innocence

Prayer For Innocence:

Monastery Without Walls Bruce L. Davis, PhD, 2001-06-21 There is a part of each of us that is a monk or a mystic We yearn for perfect peace yet live our lives far removed from traditional monasteries yet most of us would not want to give up our personal and spiritual freedom to join monastic life We seek wholeness but realize that wholeness is not possible without sacredness Sacred life takes root in solitude in the time we take to develop a relationship with our inner life in the kind of setting a monastery would offer This book speaks to the monk or mystic within us It affirms our place in the sacred silence of solitude and inner reflection showing how even everyday life is filled with opportunities to live fully in the world as if it were a holy monastery Here we learn to live within the limits as well as the spirit of everyday life how to appreciate our most human self as the path to explore the divine Here we encounter a world that is clearly available to us a world filled with nothing less than the gift of sacred silence within the monastery without walls

The Innocence of Pontius Pilate David Lloyd Dusenbury, 2021-12-01 The gospels and ancient historians agree Jesus was sentenced to death by Pontius Pilate the Roman imperial prefect in Jerusalem To this day Christians of all churches confess that Jesus died under Pontius Pilate But what exactly does that mean Within decades of Jesus' death Christians began suggesting that it was the Judaeans who had crucified Jesus a notion later echoed in the Qur'an In the third century one philosopher raised the notion that although Pilate had condemned Jesus he'd done so justly this idea survives in one of the main strands of modern New Testament criticism So what is the truth of the matter And what is the history of that truth David Lloyd Dusenbury reveals Pilate's innocence as not only a neglected theological question but a recurring theme in the history of European political thought He argues that Jesus' interrogation by Pilate and Augustine of Hippo's North African sermon on that trial led to the concept of secularity and the logic of tolerance emerging in early modern Europe Without the Roman trial of Jesus and the arguments over Pilate's innocence the history of empire from the first century to the twenty-first would have been radically different

Boundless Innocence in Thomas Traherne's Poetic Theology Elizabeth S. Dodd, 2016-03-16 The seventeenth-century poet and divine Thomas Traherne finds innocence in every stage of existence He finds it in the chaos at the origins of creation as well as in the blessed order of Eden He finds it in the activities of grace and the hope of glory but also in the trials of misery and even in the abyss of the Fall Boundless Innocence in Thomas Traherne's Poetic Theology traces innocence through Traherne's works as it transgresses the boundaries of the estates of the soul Using grammatical and literary categories it explores various aspects of his poetic theology of innocence uncovering the boundless desire which is embodied in the yearning cry *Were all Men Wise and Innocent* Recovering and reinterpreting a key but increasingly neglected theme in Traherne's poetic theology this book addresses fundamental misconceptions of the meaning of innocence in his work Through a contextual and theological approach it indicates the unexplored richness complexity and diversity of this theme in the history of literature and theology

Prayerbook of Christ Brad Pribbenow, 2018-08-31 The contributions of Dietrich Bonhoeffer to the fields of systematics ethics sociology and theology have become well known in recent decades What has been overlooked however is the significant contribution he has also made to the study and interpretation of the Psalms Bonhoeffer's approach to the Psalms is built upon an understanding of its relationship to prayer and to Jesus Christ the Crucified One Employing methods drawn from both premodern and modern exegetes Bonhoeffer develops a Christological interpretation of the Psalms which in certain key aspects has not been seen in the history of interpretation His is an interpretation informed by the historical reality of Jesus Christ praying the prayers of the Psalms in his incarnation As the church of today prays the Psalms it is encouraged by understanding that they are also praying the very words which Jesus prayed The Psalms are not only the prayerbook of the church more fundamentally they are the prayerbook of Jesus Christ In this book Pribbenow explores Bonhoeffer's unique Christological interpretation of the Psalms by means of a concentrated analysis of its development coherence and significance tracing it from its formation at Berlin University into the years of development at the Confessing
