Prayer Gods Perspective And Ours:

Prayer Mary Ann Kiszla,2000-09 When we begin to see prayer as God does it becomes more important to us It is a first response not a last resort Prayer is more than asking the Father for something It is seeking the intimate fellowship He offers To simply ask for our needs stops far short of what God intends for us Ask for more of Him Life is filled with excitement and expectation when He is at the centre of it After reading this book prayer will no longer be something you ought to do but rather something you can't live without *Prayer in Another Dimension* Sue Curran,2011-07-28 It can happen in your life right now After years of national and international research and personal experiences author Sue Curran reveals how all of God's children can live supernaturally through praying into another dimension Learn the five principles that will change your prayer life The power of vocal prayer The need for fervent prayer Praying the Word of God Getting God's attention The authority of prophetic declaration Prayer in Another Dimension is filled with modern day examples of what God is doing in various parts of the world in churches with people empowered by prayer Christians in Africa the Korean peninsula China and around the world are experiencing the supernatural power of God in their lives on a daily basis The five principles revealed in this book will allow you to cooperate with God through His Word to manifest His power and presence in your life impacting your family church and community for His Kingdom **Define Your Destiny Through Prayer** Sue Curran,2012-08-21 Holy Spirit Prayers Prayer connecting with God's wisdom through your born again spirit In Define Your Destiny Through Prayer Your Journey to Divine Revelation you will learn how the Holy Spirit can teach you how to pray according to the will of God to establish your personal Spirit breathed destiny Today you can live in the supernatural realm of prayer to experience revival healing miracles of finance and a harvest of souls Miraculous intervention can characterize your life through simple obedience in a Spirit led walk with God Now He who searches the hearts knows what the mind of the Spirit is because He makes intercession for the saints according to the will of God Romans 8:27 Learning the principles for walking in the Spirit teaches you the practical aspects of allowing the Holy Spirit to guide you and pray through you to establish His exciting and fulfilling purposes for your life *Transforming Prayer* Daniel Henderson,2011-01-01 Praying Christians are hungry to learn how to connect with God in a way that takes them beyond the typical grocery list approach Transforming Prayer explores the profound difference between seeking God's hand what he does for people and seeking God's face who he really is With captivating stories of the transformative power of personal worship and its connection with prayer this book equips readers with practical tools for a more effective personal and corporate prayer life **Quest for Meaning Through an Intimate Walk with God** H. Baté Agbor-Baiyee,2015-01-28 Quest for Meaning through an intimate walk with God is about divine empowerment and spiritual awakening through the incalculable possibilities of prayers and relationship with God This book underscores the fact that nothing is too immense or trifling to be a theme or subject of prayer Though prayer is central in vitalizing our existence all too often it is not understood ignored or avoided In our deepest valley of despair and despondency

Jesus notices our tears and sufferings He knows the full magnitude of our aches and has reassured us that He will not leave us to our own stratagem All He asks of us is to invite Him to dwell in us the temple of God There is something simply prophetic and powerful about a heart which even in disillusionment is willing to look up to God in praise and worship as the case is for many despairing African and immigrant children They struggle with doubt and wrestle with anxiety and discouragements especially when their prayers go unanswered while lost in the gorge of the shadow Yet they have undertaken to categorically love the Lord your God with all your heart and with all your soul and with your entire mind This is a bare knuckled collection of stimulating and liberating prayers that addresses a broad expanse of existential issues faced by fearless African children in their fragile stations in life They are passionately praying like Paul asking Father God the good Shepherd for direction and protection Although the fear in their eyes and angst in their souls have transformed into futility their hearts do not panic because they know no satanic weapon formed against them shall flourish They are assured through prayers that they are more than conquerors through Christ Jesus the enthroned Creator Quest for Meaning proffers assuring prayers that serve as tonic to cool off the penury effrontery and tormenting experiences of the afflicted Be anxious of nothing but in everything by prayer and supplication with thanksgiving let your requests be made known to God And the peace of God which surpasses all comprehension will guard your hearts and your minds in Christ Jesus Philippians 4 6 7

Grounded in God Suzanne G. Farnham, Stephanie A. Hull, R. Taylor McLean, 1999-08-01 A powerful prayerful and practical guide teaches groups a whole new way of conducting meetings and reaching consensus Whether your group committee or board is secular or religious its members can now move beyond parliamentary procedure to a higher level using the model described here Rooted in scripture *Grounded in God* energizes and inspires Learn how to incorporate creative silence imagination intuition attentive listening scripture and prayer into routine meetings decision making or working retreats By opening up to new perspectives discover that the first order of business is to become attuned to God's presence within those assembled As members of the group become receptive to alternative viewpoints they are opened to tap into the flow of divine wisdom and align with the will and mind of God The results can be both spiritual and practical as they are put into action
