Prayer Life:

The Prayer Life You've Always Wanted Thomas J. Ramundo, 2021-02-26 Every follower of Christ recognizes the importance and value of a consistent and vital prayer life but many struggle to succeed in this essential aspect of Christian living Thomas J Ramundo draws upon a lifetime of observation study experience and fascination with prayer to share biblical principles to motivate your prayer life At the same time he does not shy away from difficult questions such as Why don't our prayers always produce the results we're looking for How do we pray about a matter when we are not sure what God's will is for it What about those times when God's answer is No or what seems even worse than No How long do we keep bringing a request to the Lord when the answer seems a long time in coming Be inspired to go on the greatest adventure of your Christian life with the insights and lessons in *The Prayer Life You've Always Wanted* [How to Resurrect a Dead Prayer Life](#) Bill Thrasher, 2023-07-04 The battle for prayer transforming drudgery into joy and life giving intimacy with God We know that prayer is important it's the lifeblood of the Christian life But almost all believers find prayer to be hard We can experience discouragement or disillusionment in our prayer lives We get distracted and disheartened What can we do if we're in a season of drought or have never experienced a rich life of prayer And how can we sustain a meaningful and lifegiving prayer ministry Dr Bill Thrasher teacher father and husband shares clear and applicable steps to invigorate or jumpstart a life of prayer In *How to Resurrect a Dead Prayer Life* Thrasher helps us answer important questions How do you identify a dead prayer life How can a worried and frantic life begin to enjoy God's presence and peace How can you reach heaven when you don't know what to pray How can times of despair be transformed into prayers that even affect future generations How can you get in touch with the deep concerns of your heart How can your greatest struggle spur effective prayers that defeat the Evil One How does the Spirit motivate and guide our prayers This book seeks to resurrect and revive our prayer life into one that God uses to restore His people to the place of His blessing Begin to breathe again as you offer your heart desires and disappointments to the God who loves to listen and respond to you **A Praying Life** Paul E. Miller, 2017-04-05 More than 300 000 copies sold This book will be like having the breath of God at your back Let it lift you to new hope Dan B Allender PhD author of *Bold Love* This new edition includes an expanded chapter on using the practical prayer cards a hallmark of the teaching found in *A Praying Life* and a chapter on the need and use of prayers of lament Prayer is so hard that unless circumstances demand it an illness or saying grace at a meal most of us simply do not pray We prize accomplishments and productivity over time in prayer Even Christians experience this prayerlessness a kind of practical unbelief that leaves us marked by fear anxiety joylessness and spiritual lethargy Prayer is all about relationship Based on the popular seminar by the same name *A Praying Life* has disciplined thousands of Christians to a vibrant prayer life full of joy and power When Jesus describes the intimacy He seeks with us He talks about joining us for dinner Revelation 3:20 *A Praying Life* feels like having dinner with good friends It is the way we experience and connect to God In *A Praying Life* author Paul Miller lays out a

pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith

The Prayer Life Andrew Murray, 1981-08-01 In 1912 only few years before he passed away Andrew Murray gathered with other pastors at a conference about the low state of spiritual affairs in the South African churches The Prayer Life was borne out of the soul searching and repentance that transpired at that conference Here Murray addresses the problem of prayerlessness a condition that knows no generational boundaries Murray cuts to the heart of the problem offering suggestions that if followed will have a serious impact on the life of the believer Murray explains that since prayer is an outgrowth of abiding in Christ prayerlessness is fundamentally a lack of abiding rather than simply a lack of prayer The Prayer Life is a challenging call to a deeper Christian experience out of which will naturally flow a life of prayer Much more than a book on how to pray this is a book on how to have a deeper more effective spiritual walk with God

Prayer Life Justin Eaton, 2019-09-09 Our heavenly Father's heart cry is for closeness in relationship with those whom He loves His children those whom He sacrificed His Son Jesus Christ for In every relationship there has to be communication and in every deep relationship there has to be mature communication How we get there with God is through mature prayer Prayer is our communication with God However none of us starts out mature in prayer All of us at some point even if it's just in our hearts ask How do I pray A lot of the time I have seen this question answered Just pray what you want Though this answer has truth to it there is a deeper answer that could be given to further along a person's prayer life and through that further along their relationship with the Father That was the goal as I guided by the Holy Spirit wrote this book using examples of prayer and a lot of scripture to help provide a launching point to an enriched mature prayer life full of belief and straightforwardness toward God I pray this book furthers you along in your prayer life or helps to get you started In Jesus Christ's name Amen

The Anglican Prayer Life David F. Sokol, 2001 In our busy every day lives we must change our focus from the worldly mind to the silent contemplation of the spirit from the many to the One In prayer we seek to know the reality and presence of God It is not a cold calculating process but what the Greek Fathers called *theoria* a passionate contemplative insight involving communion and sharing Anglicanism in the Jewish tradition describes three levels of existence as one body mind and spirit We must discipline ourselves to assure the transition from the body and mind to the spirit To help inform our prayers and leave room for personal expression The Anglican Prayer Life emphasizes both the structured prayers in the Book of Common Prayer and personal prayers informed by Scripture Whether used as a companion in individual prayer with a prayer partner *anamchara* or in a formal prayer group this little book will help you enter a relationship with Jesus Christ and provide both solace in your personal needs and the courage to intercede on behalf of others

Improving Your Prayer Life through a Study of the Psalter Randall C. Bailey, 2021-10-04 How should we pray Do we believe God answers our prayers Is it acceptable to complain to God Should we bargain with him to receive the response we desire Why do we praise God Does our praise make him any more God John Calvin argued basically that the purpose of prayer is to realign the petitioner's feelings

and beliefs with God's Many today seem to have adopted this idea One says Why pray at all God knows everything so my prayers cannot change his mind I must pray to discover God's will for my life I must realign my will with God's will for my life In contrast the psalmists assumed a reciprocal process They believed they could bring pressures on God to answer their requests They would bargain with God and promise him certain things if he would only grant their petitions Indeed this was part of the process They would obligate themselves to praise God if he would grant their desires Such bargaining was the foundation of their prayers Comparisons of Calvin's views with the psalmists allows the reader to investigate the nature of his or her prayer life and make improvements where necessary

The Prayer Life You've Always Wanted: You're Only as Strong as Your Prayer Life Thomas J. Ramundo, 2021-02-26 Every follower of Christ recognizes the importance and value

of a consistent and vital prayer life but many struggle to succeed in this essential aspect of Christian living Thomas J Ramundo draws upon a lifetime of observation study experience and fascination with prayer to share biblical principles to motivate your prayer life At the same time he does not shy away from difficult questions such as Why don't our prayers always produce the results we're looking for How do we pray about a matter when we are not sure what God's will is for it What about those times when God's answer is No or what seems even worse than No How long do we keep bringing a request to the Lord when the answer seems a long time in coming Be inspired to go on the greatest adventure of your
