Covington Jr. PhD,2021-04-28 With the current social upheaval in the world today some individuals seem to become exhausted with life choices and goals leading people not to pursue their dreams Grit is missing from our society However there is an answer to achieving one s objectives and improving as individuals Indeed the answer is God who helps us as Christians overcome obstacles and reach our full potential to serve God who gives us the perseverance in overcoming earthly barriers Dr William G Covington Jr provides a template to follow which combines Bible teachings and other forms of application such as extensive research theory and real world applications to negate the psychological noise that continues to impede our progress as both Christians and Homo Sapiens Dr Covington s book *Perseverance* The power that gets results he challenges the reader to remove toxic thoughts through Biblical readings which transform individuals in reaching their full potentials through the Word of God The book highlights how by submitting to God we as Christians develop into warriors on earth who can both design and transform ourselves and others through perseverance which allows us to be free and practice Christian principles thus overcoming earthly obstacles Implementing these practices allows for a paradigm shift in a world that tells us we can achieve goals without effort This is especially valid in our modern day world of

Schuller,2024-06-11 To mark the golden anniversary of his ministry one of America s most revered ministers offers a profound book of wisdom for a new generation Fifty years agoIn 1955through all of our dreams can become realities A gifted and moving storyteller Schuller offers a personal and inspirational look at the principles that have guided his life and work and explains how they can guide our lives as well Starting with the message of Don t Throw Away Tomorrow he discusses such powerful and universal principles as starting with optimism choosing positive values keeping focused clearing the channels of communication and most importantly looking to the Ultimate Authority For 50 years Americans have been watching and listening to Schuller s thoughtful guidance and being inspired by his love of humanity and God This book is a culmination of that wisdom and love delivered and a tribute to the power of possibility thinking *Orange County* Gustavo Arellano,2008-09-16 Bestselling author of Ask a Mexican Gustavo Arellano returns with Orange County a seamlessly woven history of California s Orange County with Gustavo s personal narrative of growing up within its neighborhoods The story began in 1918 when Gustavo Arellano s great grandfather and grandfather arrived in the United States only to be met with flying potatoes They ran and hid and then went to work in Orange County s citrus groves where eventually thousands of fellow Mexican villagers joined them Gustavo was born sixty years later the son of a tomato canner who dropped out of school in the ninth grade and an illegal immigrant who snuck into this country in the trunk of a Chevy Meanwhile Orange County changed radically from a bucolic paradise of orange groves to the land where good Republicans go to die American Christianity blossoms and way too many bad television shows are green lit Part personal narrative part cultural history

Orange County is the outrageous and true story of the man behind the wildly popular and controversial column Ask a Mexican and the locale that spawned him It is a tale of growing up in an immigrant enclave in a crime ridden neighborhood but also in a promised land a place that has nourished America s soul and Gustavo s family both in this country and back in Mexico for a century Nationally bestselling author syndicated columnist and the spiciest voice of the Mexican American community Gustavo Arellano delivers the hilarious and poignant follow up to Ask a Mexican his critically acclaimed debut Orange County not only weaves Gustavo s family story with the history of Orange County and the modern Mexican immigrant experience but also offers sharp caliente insights into a wide range of political cultural and social issues **God and**
