

He who dwells in the  
shelter of the Most  
High will rest in the  
shadow of the  
Almighty. I will say of  
the LORD, "He is my  
refuge and my fortress,  
my God, in whom I  
trust." Surely he will  
save you from the  
fowler's snare and  
from the deadly  
pestilence.

Psalm 91: 1-3

## **Prayers From A Wounded Warrior:**

Prayers from a Wounded Warrior Laura Barnhart, 2004-10 Prayers from a Wounded Warrior speaks softly of all human experience There are prayers of sorrow and prayers of rejoicing laments and hymns of gratitude It speaks to the heart and mind of anyone who wants to be in conversation with God You are invited to use it as a daily devotional and guide for meditation or as a help in times of need Choose those prayers that most fit your experience at the moment and use them to develop your relationship with God These prayers were written in the conviction that God does hear our prayers and answer them Although answers sometimes come in unexpected ways and through unexpected channels God is listening These prayers can guide you in your conversations and be a starting place in learning how to pray **Wounded Warrior,**

**Wounded Home** Marshelle Carter, Kelly K. PhD Orr, ABPP, 2013-03-01 For every wounded warrior there is a wounded home an immediate and extended family and community impacted by their loved one's war experiences Every day service members are returning from combat deployments to their families And every day war comes home with them When a combat veteran struggles with post traumatic stress disorder PTSD and or traumatic brain injury TBI every member of the family experiences the effects Spouses parents and children must undergo changes on the home front a process that resembles the phases of grief Confusion hurt anger guilt fatigue and fear lie behind their brave smiles and squared shoulders Wounded Warrior Wounded Home gives hurting families a look inside the minds and hearts of wounded warriors and guides them in developing their own personal plan for physical emotional and spiritual wholeness in the wake of war The authors one the wife of a career US Navy SEAL and the other a clinical psychologist and Vietnam veteran speak from their own experiences of living with PTSD and TBI They also share insights from dozens of families and careful research offering readers a hope filled way forward **The Wounded Warrior** Roy Bennett, 2022-10-19 We all know about a Peter in our life that someone who has

known Christ and has been a great spiritual warrior for the Lord They have been a very effective pastor minister teacher or inspiring worship leader doing the Lord's work Then something happens in their life that causes them to quit and fall away from God and their calling They become bitter rejected and ashamed Those whom they felt they could trust and lean on have deserted them They go down a spiraling pit of separation from those who truly care for them and begin to fall into the things of the world They feel as if no one understands them and no one cares for them Suddenly they realize that the only hope and peace they ever had in their life was with Christ How can I come back to God What can I do now since I have messed my life up completely This is what happens to a wounded warrior with the scars from the battle of life But there is hope in getting back to God and not just a hope in getting back but being used of God again Jesus told Peter even before he betrayed Him When you have returned to Me strengthen your brethren Luke 22:32 NKJV The Wounded Warrior is about bringing that broken Christian warrior back into the fellowship of the church and helping them get back into serving the Lord with joy fulfilling the calling that God has placed on their life If you have ever been in this position you will understand how important

it is for us as their brother in Christ to help them get back to Christ And if you have never been in this position praise the Lord then it is time to learn how you can help to restore our fallen brothers      **Wounded Christian Warriors** Ernest Pressley,2014-11-04 I pray that you have been encouraged to get back into the race for the battle for righteousness I pray that you get wisdom and understanding to what caused your wounds If you do not know what caused them you will not know how to pray effectively to get specific result that you are praying to accomplish Ask yourself these three questions number one were your wounds self affected by being disobedient to HIS Word Number two were your wounds caused by trials and tribulation through the testing of your faith Number three were they caused by attacks from Satan and his demons If you know the wounds were self affected by acts of disobedience then pray for forgiveness and receive HIS mercy and grace Psalm 103 3 If it is by trials and the testing of your faith then pray for strength and rebuke fear out of your life and be encouraged by HIS every Word 1 Corinthians 16 13 If they are by attacks of Satan and his demons then rebuke them and bind them by speaking the Word of GOD with boldness and authority in JESUS name Ephesians 6 10 18 Always be on guard and never let your guard down by keeping on your spiritual armor at all times Take appropriate responses to the wounds you have received by being a prepared people in GODs Word on this earth We must transform our lives to GODs Holy Will We must have a prescribed rule of conduct or action toward our everyday living Know that whatever causes your wounds no matter how deep it may be it should never replace the love of GOD in your heart HE knows what you are going through and HE knows how to fix it Now pray this prayer Dear Heavenly Father please forgive me for not trusting in You and doubting Your love for me Renew my spirit Lord with the Spirit of Wisdom that I may get understanding Lord give me a hunger and a thirst after Your righteousness and may I always be aware of Your presence with fear and humbleness I will confess now Im fearless strong and fully persuaded in my faith Im an Ultimate Warrior here on this earth for the Kingdom of GOD in JESUS name      **Prayers of Hope for Caregivers** Sarah Forgrave,2019-04-02 As You Give Care God is Caring for You Caring for someone with health needs can be emotionally physically and spiritually draining Sarah Forgrave has spent considerable time both as someone struggling with serious medical issues and as the family member of a chronically ill patient and she understands the many challenges you face in your caregiving role Sarah wants to share what she discovered with you peace through prayer solace in Scripture and unending hope from a Heavenly Father who never stops loving you Each heartfelt prayer and devotion is intended to help you navigate the complex set of emotions that come with caregiving Read it front to back or go directly to the devotion addressing how you feel at any given moment when you need it most Take comfort in the truth that God knows your every need as a caregiver and is always there for you amid your toughest trials

Christians to do more to meet access needs and embrace disabilities as part of God's kingdom. Inclusivity-minded Christians will cheer the lessons laid out here. Publishers Weekly: A book the church desperately needs. Sojourners: Much of the church has forgotten that we worship a disabled God whose wounds survived resurrection, says Amy Kenny. It is time for the church to start treating disabled people as full members of the body of Christ who have much more to offer than a miraculous cure narrative and to learn from their embodied experiences. Written by a disabled Christian, this book shows that the church is missing out on the prophetic witness and blessing of disability. Kenny reflects on her experiences inside the church to expose unintentional ableism and cast a new vision for Christian communities to engage disability justice. She shows that until we cultivate church spaces where people with disabilities can fully belong, flourish, and lead, we are not valuing the diverse members of the body of Christ. Offering a unique blend of personal storytelling, fresh and compelling writing, biblical exegesis, and practical application, this book invites readers to participate in disability justice and create a more inclusive community in church and parachurch spaces. Engaging content such as reflection questions and top ten lists are included. *The Last Battleground* Philip Gerard, 2019-02-05. To understand the long march of events in North Carolina from secession to surrender is to understand the entire Civil War: a personal war waged by Confederates and Unionists, free blacks and the enslaved, farm women and plantation belles, Cherokees and mountaineers, conscripts and volunteers, gentleman officers and poor privates. In the state's complex loyalties, its sprawling and diverse geography, and its dual role as a home front and a battlefield, North Carolina embodies the essence of the whole epic struggle in all its terrible glory. Philip Gerard presents this dramatic convergence of events through the stories of the individuals who endured them, reporting the war as if it were happening in the present rather than with settled hindsight, to capture the dreadful suspense of lives caught up in a conflict whose ending had not yet been written. As Gerard reveals whatever the grand political causes for war, whatever great battles decided its outcome, and however abstract it might seem to readers a century and a half later, the war was always personal.
