*Prayer: The Hidden Fire* Tom Harpur,1998 For over 25 years journalist author and commentator Tom Harpur has been thinking speaking and writing about religion and spirituality for the mass media and a popular audience In the process he has travelled the globe written 14 books and thousands of articles on everything from life after death and the place of healing in religion to the controversy over who Jesus is and the rational basis for a firm belief in God In all of this experience Tom Harpur discovered that one of the central issues for every faith is prayer Yet over his time as a parish priest seminary professor and commentator Harpur found a distinct gap in the books available on prayer Simple practical and focused on real life Prayer *The Hidden Fire* is the kind of book on prayer Tom Harpur wanted and badly needed many years ago when he first consciously took over his own spiritual journey This book examines our deep inner need to pray Harpur encourages readers to go beyond childhood notions of prayer and to develop a personal style of praying and repertoire of prayers that work for them today Along the way Tom Harpur shares experiences from his own spiritual journey and gives readers his most personal work to date      **Prayer & Multiple Intelligences** Bernadette Stankard,2005 In clear insightful prose rich with real life examples Stankard discusses the multiple intelligences and how they enable readers to pray as they are and so develop a deeper friendship and intimacy with the God whose love transforms them

**Prayer Points for Pastors** Audrey L. Dowling,2016-05-24 In November 2013 Pastor Teddy Parker was found dead by his wife Larrinecia Parker in the driveway of their home with a self inflicted gunshot wound hours after he had sent her and his two daughters ahead of him to church then failed to show up It was later revealed that he had been battling manic depression until his death Since that time over 30more pastors have committed suicide These men and women of God face many challenges that could potentially affect every aspect of their lives As the Body of Christ most of us have not been cultured to automatically pray for our pastors Pastors dont always ask for prayers and many members may not feel comfortable praying for them We need a renewed

culture where prayer for the pastor is encouraged and taught Pastors need to have specific anointed and focused prayer going on for them regularly Prayer Points for Pastors A Tool for Pastors and Their Intercessors will help both pastors and their intercessors alike by offering prayer points that may be important to pray for or about for pastors **Shiva's**

*The Prayer of Silence* PhD Bruce Fraser MacDonald,2011-11 The Prayer of Silence has several aims 1 to teach basic relaxation and concentration methods based on bodily awareness 2 to develop an awareness of the Divine Presence 3 to overcome emotional and personality blocks to develop a sense of personal wholeness 4 to develop an awareness of what the author drawing on a near death experience in 1966 calls the Watcher aspect of consciousness that speeds the development of spiritual perception of inner Love Peace and Joy 5 to transform the ego from attachment to material and emotional limits to a spiritual Ego that is one with the Atman or Spirit and to extend that spiritual awareness to the world and other people 6 to be able to deal with the conflicts and potential arising from the memory of past lives 7 to be able to find a Spiritual Guide in the inner person 8 to be able to deal with the inevitable dry periods in spiritual practice 9 to experience Nirvana where all lower attachments are blown out and 10 to achieve Divine Union where the Ego and God are One where Atman experiences itself as one with Brahman where one can say with Jesus I and the Father are One There is also a very good chapter on mantras so the student can learn about their nature and use although the Prayer of Silence uses a different more direct form of focus to achieve concentration and inner awareness Dr MacDonald has also remembered and worked with many of his own past lives so he is a reliable guide to others who are going through that process The author is a master teacher and the book presents its material in a steadily more complex form laying the necessary foundations before proceeding to the higher levels of learning There is a combination of theory and practical exercises so the learner can develop meditation skills gradually but with confidence building from one stage to the next to achieve mastery of the subject The writing is clear and concise and easy to understand In order to explain the often difficult ideas associated with meditation and spiritual growth Dr MacDonald draws on the language ideas and practice of Christian Hindu Jewish and Buddhist traditions to clarify ideas from different

angles He also draws on relevant scientific studies of human consciousness to help make the ideas and aims of this Prayer of Silence clear to the reader      **JOY OF PRAYER** Stephen Nielsen,2013-04-29 In this book of 190 pages the author shows you how to really enjoy your prayer time how to find the beautiful place of prayer Here are a few chapter titles Aroma in Prayer Confidence in Prayer Power in Prayer and Unity in Prayer Also included are three chapters on how to have a quiet time

Kit behind the Power of Prayer offers an analysis of a mystic ancient form of prayer that manipulates subtle cosmic energies through ancient techniques of yoga science and religious rituals that are not understood in today s materialistic modern science The mystic prayer technique that this book is advocating uses the spoken word along with positive imagination and visualization to invoke and harness this power of cosmic energies or pranas This book goes into detail on the ancient science for manipulating the five major pranas that flow through our subtle bodies and gross physical body The technique also uses pranayama techniques an ancient method of breath control that allows man to control the flow of prana that enters and exits the body s psychic centers Chakras The prayer technique also incorporates mudra yoga that assists the prayer practitioner in sealing and redirecting pranas so that they can be impregnated with a mind substance that has the purpose and direction of

Smithson, 2006 It is with these intriguing questions that David Smithson begins a thought provoking examination of the contrasts and connections between Christian prayer and eastern meditation In Prayer or Mantra A Contrast Between Christian Prayer and Eastern Meditation Smithson a physician in the field of physical medicine and rehabilitation delivers not a definitive treatise on meditation and prayer but an enthralling book that will challenge readers to consider a new way of connecting scientific findings to spiritual concepts Book jacket
