

Prayer to Resist Temptation to Keep Smoking

Lord God, I have been clean from smoking for five days now and the urge to pick up the habit again is so very strong.

I got rid of all my cigarettes and my lighters when I stopped last week. I am going to my support group regularly which is so helpful. But I was walking in the parking lot this morning and I caught a whiff of smoke and my body and mind went into a craving mode.

I realize this decision to stop smoking was a big one and it would be an arduous journey, but I don't think I was ready for how strong the temptation would be to keep on smoking, to pick up the habit again. I cry out to you for help to resist this temptation.

Help me stay away from the cigarette case at the store. Help me stay away from anywhere I will smell second-hand smoke. Help me be transparent and vulnerable with my support group. I need to know I'm not alone in this struggle. I make this prayer in the name of Jesus, my Strong Tower. I run to him and I am safe. Amen.

Prayers Of Smoke:

The Epistle of Jesus to the Church James D. Quiggle,2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the

Revelation of Jesus to the church Soak In My Love My Bride Patricia Green,2015-10-08 During her quest to draw closer to Yahweh and Yahshua Patricia Green received a revelation from the Holy Spirit The Spirit showed her seven ways in which God s children can soak in His love From that revelation Green understood that the bride of Christ needs to prepare for her Bridegroom as His imminent return is coming swiftly Those who are wise and have set extra oil in their lamps will be ready when the trumpet sounds and Yahshua appears in the sky Now is the time for the bride of Christ to soak in His love by becoming intimate with her Bridegroom The Holy Word for Morning Revival - Crystallization-study of Exodus, Volume 6

Witness Lee,2016-01-02 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the winter training held December 21 26 2015 in Anaheim California on the continuation of the Crystallization study of Exodus Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ Pray Like This Michael Zarlengo,2012-07-10 Christian Living A Navajo Legacy John

Holiday,Robert S. McPherson,2005 In the second part of the book Holiday details the family and tribal teachings he has acquired over a long life He tells his grandparents stories of the Long Walk era discusses local attitudes about the land relates Navajo religious stories and recounts his training as a medicine man All of Holiday s experiences and teachings reflect the thoughts of a traditional practitioner who has found in life both beauty and lessons for future generations BOOK JACKET **The Apocalypse explained according to the spiritual sense. Revelation Exegetical Commentary - 2 volume set Robert L. Thomas,2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of

explaining the book's meaning. For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery. An avalanche of interpretive literature has evidenced remarkable interest in the book's contents but along with the interest has come widespread bewilderment. Written especially for the informed layman, student and scholar, this commentary seeks to clear the air. The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement. This commentary interacts with a range of major views both evangelical and nonevangelical. It reaffirms the basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ. All exegesis and exposition in this 2 volume commentary are based on the original language of the text. Translations used are those of the author and textual criticism and word study are included where appropriate. This in depth commentary also includes extended excursions on important topics of theological and historical interest.

As numerous scholars have noted, The Revelation was first received orally. Directed not merely to the intellect, its author deliberately employed different literary schemes and devices to evoke the imagination of his audience. In this new study, Joe Luncford examines the specific use of parody and counterimaging in The Revelation, arguing that this often overlooked device was an essential means by which its author engaged the imagination of his readers and hearers. In light of the best of recent scholarship on The Revelation, Luncford examines over thirty uses of this device, most notably the contrasting images of the evil trinity of dragon, beast from the sea and beast from the earth and the Holy Trinity. **The Apocalypse Or Book of Revelations, Explained According to the Spiritual Sense, Wherein are Disclosed the Arcana Therein Foretold which Have Been Hitherto Hidden** Emanuel Swedenborg, 1889 Looking Unto Jesus: a View of the Everlasting Gospel; Or, the Soul's Eying of Jesus, as Carrying on the Great Work of Man's Salvation,
