## **Prayers Of The American President:**

*From the Oval Office, Prayers of the Presidents* Larry Keefauver, 2003      *Religion and the American Presidency* Mark J. Rozell, Gleaves Whitney, 2023-12-20 This book chronologically analyzes fourteen key US Presidents from Washington to Biden to highlight how religion has informed or influenced their politics and policies For years leading scholars have largely neglected religion in presidential studies Yet religion has played a significant role in a number of critical presidencies in US history This volume reveals the deep religious side to such presidents as Truman Eisenhower and Reagan among others and the impact that faith had on their administrations Now in its fourth edition this work includes analysis of Joe Biden as the second Catholic president in United States history and provides a timely update to a key text in the study of religion and the presidency      *The Soul of an American President* Alan Sears, Craig Osten, Ryan Cole, 2019-06-04 While there have been many biographies of Dwight D Eisenhower that focus on his military career or the time of his presidency none clearly explores the important role faith played both in his personal life and in his public policy This despite the fact that he is the only US president to be baptized as a Christian while in office Alan Sears and Craig Osten invite you on a journey that is unique in American history and is essential to understanding one of the most consequential admired and complex Americans of the 20th Century The story begins in abject poverty in rural Texas then travels through Kansas West Point two World Wars and down Pennsylvania Avenue This is the untold story of a man whose growing faith sustained him through the loss of a young son marital difficulties depression career disappointments and being witness to some of the worst atrocities humankind has devised A man whose faith was based in his own sincere personal conviction not out of a sense of political expediency or social obligation You've met Dwight Eisenhower the soldier and Dwight Eisenhower the president Now meet Dwight Eisenhower the man of faith      *The Treasury of American Prayers* James P. Moore, 2008-11-25 What I have compiled in this extraordinary treasury are the very private thoughts of American philosophers farmers athletes statesmen mothers laborers scientists industrialists and others in their relationship with God Some are simple straightforward entreaties others are elaborate invocations All of them however provide indelible imprints and keys to understanding the inner sanctum of the individuals who made America what it is today The prayers of these Americans are intimate snapshots of how they dealt with the gamut of human emotions conditions and events they experienced They found comfort hope and the ability simply to endure by turning to God in their often unpredictable lives While the language of these prayers may vary from era to era the essence remains the same Americans from all walks of life and faiths have found their existences incomplete without being able to reach out to a higher power It is through the words of their prayers that they find purpose in a larger context and from a greater perspective James P Moore Jr Since its inception America has remained a deeply religious and spiritual nation fostering a prayer culture that has thrived among its diverse population and its wide ranging faith traditions The Treasury of American Prayers brings together hundreds of prayers composed largely by Americans from all walks of life to create an

unparalleled and comprehensive collection of home grown expressions of spirituality and religious conviction These prayers form an inspiring portrait of the country s rich and profound faith and provide access to the innermost thoughts of such individuals as Benjamin Franklin Elvis Presley Eleanor Roosevelt and Conrad Hilton They have helped sustain Americans in times of war and recession as well as in periods of change and even prosperity Jim Moore has compiled an extraordinary anthology in *The Treasury of American Prayers* arranged by such topics as patience thanksgiving despair love and other timeless themes He provides context historical perspective and a personal insight for each prayer While this collection reflects the great history of the American experience these prayers also hold great resonance for Americans today

**Religion and the American Presidency** Gastón Espinosa,2009 This book challenges the idea that the mixing of religion and presidential politics is a new phenomenon It explores how presidents have drawn on their religious upbringing rhetoric ideas and beliefs to promote their domestic and foreign policies to the nation This influence is evident in Washington s decision to add so help me God to the presidential oath accusations by Adam s supporters that Jefferson was an infidel Lincoln s biblical metaphors during the Civil War and FDR s call to fight against Nazi totalitarianism on behalf of Judeo Christian civilization It is also apparent in Truman s support for Israel Eisenhower s Cold War decision to add In God We Trust on American currency the debate over JFK s Catholicism Jimmy Carter s born again Christianity Reagan s Evil Empire speech Clinton s public repentance and George W Bush s crusade against Islamic terrorists This volume explores these issues of religion and power in the presidencies of Washington Jefferson Madison Lincoln FDR Truman Eisenhower JFK Carter Reagan George H W Bush Clinton and George W Bush through scholarly interpretations primary sources and illustrations
