The Seventh-Day Sabbath and Its Redemptive Function in God's Everlasting Covenant of Grace A. M. Simataa,2012-05-10 This special and remarkablebook The Seventh day Sabbath and its Redemptive Function in Gods Everlasting Covenant of Grace by A M Simataa addresses topical issues in the Bible quite pertinent to the 21st Century Christianity The author takes a defensive approach of the gospel and brings to the surface some of the least understood teachings of the Bible Although written from a Seventh day Adventists perspective people of differing religious background and persuasions will find this book very instructive If you have been looking for a book that pains takingly discusses the Gospel seriously and biblically this is the book you have been searching for Some of the topics featured in the book include The Truth about the Bible Sabbath The Judgment of the Living Heavenly New Jerusalem The Marriage Supper of the Lamband the Rapture The Remnant Church in the Parables Mr A M Simataa teaches at a High School in Windhoek Namibia He likes sharing the Gospel with others and spends some of his spare time witnessing to others The central role of the Seventh day Sabbath in the Redemption of our race is the least understood topic in the Bible today Most believers have even

dismissed its relevance to today's Christianity. However, the truth is that the Sabbath is at the heart of Christ's work to save human beings in accordance with God's plan. The Sabbath is so central to the work of atonement that Christ is referred to in the Bible as the Lord of the Sabbath. The issue of the Sabbath will become pertinent as we near the End and every human being will be required to take a stand in the conflict involving the Sabbath question. This book will plant your feet on a solid foundation.

The Seventh-Day Sabbath and the Christian Doctrine of Redemption A. M. Simataa, 2015-06-30

The Seventh Day Sabbath and the Christian Doctrine of Redemption is a book every Christian must have in their home library. The author tackles the biblical doctrine of redemption in a convincing manner and drives home the centrality of the Sabbath in redemption. Over the past hundred years, the witness of the sciences such as physics and biochemistry, including mathematics as well as the testimony of archaeology and history, has put the skeptics of the Bible on the defensive. To this overwhelming testimony, the author adds the witness of recent fulfilled Bible prophecy. The author proceeds to show persuasively how recent fulfilled prophecies have proved once again that the Bible is truly the Word of God. In the book, the closing work of the gospel on the planet is shown to have a prophetic edge that no one person on the globe can afford to ignore.
