Missing People, Animals, Things? Go to Anthony Juanita de Guzman Gutierrez,2019-11-26 Inside this book is a very powerful prayer to Saint Anthony that will shake your hearts out Saint Anthony of Padua is also a matchmaker For those of you who are looking for suitable partners Saint Anthony is the way to go Actually this prayer was taught and given to me by my beloved mother who was a devoted Saint Anthony of Padua believer Mom assured me that this prayer to Saint Anthony will always be heard by the Saint It was in World War II in a jungle that two young newlyweds were hiding They can see the marching boots of the Japanese soldiers These soldiers held bayonets in their hands Nearby the newlyweds was their friend who was bayoneted It was at this time when the Japanese soldiers were approaching their exact location that the new husband saw a tall man with a brown Habit or clothing spread it out to hide these two newlyweds Each time the Japanese soldiers will close in to these newlyweds hiding spot this browned clothed man with an almost bald hair very young and fair skinned will stand in front of them and spread his cloak or long robe around these blessed newlyweds to hide the two of them The Japanese soldiers did not see the two newlyweds and had changed directions and went away And these newly weds were

safe And the vision of Saint Anthony of Padua disappeared These newlyweds were my future parents And my beloved mother was a devotee of Saint Anthony of Padua As a very young girl my future mother was always wearing a brown Habit or Clothing just as Saint Anthony of Padua each time she went to church And it was only my beloved father who saw the vision of Saint Anthony of Padua who saved them from being killed by the Japanese soldiers bayonets in that jungle hideaway in 1944 That hideaway jungle was now where our ancestral home was built and where we grew up All these give me tears each time I recall these very holy and galactic events And I myself have experienced so many miracles from Saint Anthony of Padua This is precisely why this very precious book was written My beloved parents have experienced the miraculous intervention of Saint Anthony during World War II when they were newly married And up to this day Saint Anthony always runs to our rescue whenever we are looking for something After I have said this powerful prayer to Saint Anthony I have found this manuscript that I have been searching for I said to Saint Anthony that if I found this very manuscript that this was Creator Source and Saint Anthony s sign that I will publish this miraculous book And I have found this my manuscript that is in your hands right now

Wallace,2016-07-05 Confronting Religious Denial of Science Christian Humanism and the Moral Imagination traces the cultural backstory of contemporary conflicts between biblical literalists who oppose evolution and New Atheists who insist that religion is so pernicious it should be outlawed if not exterminated That s a clash of fundamentalisms It s a zero sum game derived from high Victorian misunderstanding of both religion and science The God whom science supposedly replaces is the Engineer Almighty sitting at his keyboard controlling every event on earth But that s not a viable concept of God Far better Wallace argues to understand Christianity in Clifford Geertz s terms as a system of symbols that both constitutes a worldview and according to David Sloan Wilson encourages prosocial behavior That reframing makes it possible to reclaim what biblical scholars have said for decades the miracles of Jesus were confrontational symbolic actions They contradicted the political status quo in colonial Palestine not the laws of biology Prayer she explains is not magical thinking It s a creative highly disciplined introspective process most familiar to many people in forms like mindfulness meditation Wallace offers an intriguing exploration of issues that believers seldom discuss in ways that make sense to the religiously unaffiliated Saints and Feasts of the Liturgical Year John Paul Thomas,2023-12-10 If a list were made of the greatest human beings who have ever lived those reflected upon

in this four volume series would be at the top of that list Though historians often attempt to judge greatness from their own subjective perspective there must be an objective criteria by which human greatness is judged The only Person Who is capable of establishing that criteria is God The criteria that God has established are the virtues as identified by Jesus and revealed by Him through the holy Gospels The goal of this four volume series is to present each saint found on the Catholic liturgical calendar as a Solemnity Feast or Memorial in such a way as to identify the Godly virtues that place them on the top of that list Though their greatness has already been established and their heroic virtues confirmed by the Church God chose the men and women found in these pages not only for greatness in their lifetimes but also as models of holiness in ours These men and women are gifts to you given by God through the Church Every saint is unique but every saint is similar because each one became living witnesses to Christ and living Gospels for a world in need Some saints were united to God through martyrdom some through virginity and chastity some through works of charity and some through lives of intense prayer The saints have come from every culture every socio economic background every level of education and every personality type Through every saint God shines forth radiating His abundant mercy through the diversity of their lives In the end it is not their personality preferences gifts or any other unique qualities that unite them as the one communion of saints It is God and God alone Who floods their souls and forms them into a united song of praise of God s eternal glory Why read about the saints Why learn about their lives Why ponder what they said and did The answer is simple You are called to be among their company You are called to become as holy as they were transformed by God s grace and to radiate that grace in the world today At first the virtues of the saints might seem to be out of your reach The saints can appear to be superhuman The truth is that the saints became fully human by becoming who they were created to be They rejected the deceptions of the devil the seductions of the world and the weaknesses of the flesh Instead they discovered the truths of God sought out the riches of Heaven and became filled with the strength of every virtue As you read about the lives of the saints ponder their words and actions study their heroic virtues and learn from their lives of prayer allow yourself not only to be inspired by them but also to desire to imitate them Nothing is stopping you from being counted among the saints in Heaven God promises to lavish every grace upon you that you need to walk down that holy path Only when you refuse His grace is that mission thwarted
