The magnificent Prayer of Praises and Thanks-giving and Worship Enoch O. Akanji, 2011-02-25 Prayer and Praises are significant part of Christianity and in Christendom since the very beginning of time on the subject of relationship with God Take the spiritual vitamin because when life gets rough the rough gets life but when you pray and praise you will overcome and overtake whatever comes your way The mountain can be moved with prayer and praises by faith in the Lord In this world you will have trouble But take heart Jesus had overcome the world He has done His part do your part by serving praying and praising the Lord God Almighty He hears us when we pray and praise He knows us inside out and outside in This book will help you very greatly in your relationship with God through our Lord and Savior Jesus Christ *Helps to devotion; or, prayers, praises and thanksgivings* Mary Anne Davis, 1822 **Spirit Invocations; Or, Prayers and Praises Publicly**

Through the Vocal Organs of the Late Mrs. J. H. Conant. Compiled by A. Putnam Allen PUTNAM, 1876 *Prayer as Joy, Prayer as Struggle* Mark Braaten, 2008 Mark Braaten describes the experience of seeing the sun rise on a northern Minnesota lake and spontaneously offering thanks to God He describes sitting beside his children's bed as they sleep and resting in the awareness of God's blessings Confronted by such beauty prayer flows out of us That is to say there are times when we are easily aware that we are in the presence of God our awe comes naturally and our prayer is full of joy But Braaten also points out that at times prayer is a struggle Life is often not awe inspiring and prayer is often not easy We find our praying frustrating and difficult Our prayer life is a journey of both joy and struggle It is learning to recognize and reach out to God even more it is recognizing how God is constantly reaching out to us Braaten explores many types of prayer including thanksgiving confession praise wrestling petition intercession listening and hope He also explores what it means when the answer to prayer is no and how we experience prayer in doubt and in confidence In each chapter he uses an extended biblical example of prayer and also provides the text of prayers we can use in our own practice For all who seek joy in prayer even as we struggle Braaten offers an engaging personal and pastoral reflection on the ways we pray 12

Prayers of Praise Chudi Nicholas Adilieje, 2016-03-25 The prayer of praise is a way for us to give honor to God for who he is So much has been written about the power of praise in the life of a Christian We are all familiar with praises in the form of songs of praise Yet one form of praise where we address God with titles and words that call to mind his boundless power ineffable majesty and other divine qualities also help to transport us to the glorious presence of God This book is about this form of praise The author has pieced together the glimpses of God given to us by his Son Jesus Christ and by the words of the Holy Scriptures generally to make a glorious mosaic It contains a variety of 12 prayers of praise Some are short and some are longish There are praises directed to God the Father and there are also praises directed to our Lord Jesus Christ The praises are fully annotated with Scriptural references and that gives you an opportunity to explore the themes of the praises further

It is a worthy companion to bring to your quiet time and we believe that like the author you will find it a great help in prayer. You will get to know the person of the God the Father of our Lord Jesus and his Son more and more. And the more we get to know the God we pray to the better our prayers and our Christian life. *100 Prayers God Loves to Hear, 100 Praise Songs* Stephen Elkins, 2010-08-16.
