The life force animating these tales is almost tangible. printed words seem to vibrate as if the author possessed the voices of various tellers and lent their lilting tones and ripe inflections to the printed page Furthermore the laughter sobs and delighted cries of countless listeners also echo in these pages Schram who has written a thoughtful informative introduction for each story demonstrates on every page her belief that the stories connect to our lives And when the lifelike characters woven into Schram's magic tapestry suffer or enjoy the fates they most deserve we rejoice secure in their storybook world a world where justice however incomprehensible is always done and where we attain happiness by living in accordance with Jewish law and in harmony with the world's natural order Jewish Stories One Generation Tells Another abounds in a gentle wisdom that presses itself upon our complex and often self contradictory lives infusing us with patience tolerance and hope We identify with the kings and princes fools and beggars heroes and leaders villains and witches of yesteryear because though our lives are vastly different from theirs we share their moral choices and experience their dilemmas Schram joins Jewish storytellers throughout the ages linking past to present and preserving an invaluable legacy for generations yet unborn Stories of the Law Moshe Simon-Shoshan, 2012-04-01 Winner of Honorable Mention in the Jordan Schnitzer Book Awards of the Association for Jewish Studies Moshe Simon

Shoshan offers a groundbreaking study of Jewish law halakhah and rabbinic story telling Focusing on the Mishnah the foundational text of halakhah he argues that narrative was essential in early rabbinic formulations and concepts of law legal process and political and religious authority The book begins by presenting a theoretical framework for considering the role of narrative in the Mishnah Drawing on a wide range of disciplines including narrative theory Semitic linguistics and comparative legal studies Simon Shoshan shows that law and narrative are inextricably intertwined in the Mishnah Narrative is central to the way in which the Mishnah transmits law and ideas about jurisprudence Furthermore the Mishnah s stories are the locus around which the Mishnah both constructs and critiques its concept of the rabbis as the ultimate arbiters of Jewish law and practice In the second half of the book Simon Shoshan applies these ideas to close readings of individual Mishnaic stories Among these stories are some of the most famous narratives in rabbinic literature including those of Honi the Circle drawer and R Gamliel's Yom Kippur confrontation with R Joshua In each instance Simon Shoshan elucidates the legal political theological and human elements of the story and places them in the wider context of the book s arguments about law narrative and rabbinic authority Stories of the Law presents an original and forceful argument for applying literary theory to legal texts challenging the traditional distinctions between law and literature that underlie much contemporary scholarship Stories within Stories Peninnah Schram, 2000-11-01 The stories presented in Peninnah Schram's highly anticipated Stories within Stories From the Jewish Oral Tradition are drawn primarily from talmudic and midrashic sources medieval texts and the Israel Folktale Archives Each enchanting story within a story is part of the Jewish oral tradition and continues to enlighten educate and entertain audiences as have all of the author's previous works. The types of stories found in this wonderful collection described by Peninnah Schram as frame and chain stories have been widely popular in both Jewish and non Jewish literary traditions Since Jews have lived in so many places they have been influenced by the stories told by their surrounding neighbors For example this genre of tales has been especially popular in the Jewish stories of the Middle East having been influenced by the structure and contents of Arabic literature Stories within Stories contains fifty stories mostly made up of folktales Various types of stories are interspersed so that a humorous story is followed by a romantic tale which is followed by a religious tale which is followed by a tall tale and so on The stories come from various ethnic communities represented in the Israel Folktale Archives including Morocco Iraq Kurdistan Persia Yemen and Eastern Europe Gifted and highly acclaimed storyteller Peninnah Schram contributes to the ever growing library of Jewish folklore collections thus actively helping to restore the rich treasures of Jewish oral tradition in our contemporary world Early Christian Monastic Literature and the Babylonian Talmud Michal Bar-Asher Siegal, 2013-12-23 This book examines literary analogies in Christian and Jewish sources culminating in an in depth analysis of connections between Christian monastic texts and Babylonian Talmudic traditions The Galaxy William Conant Church, 1874 The Galaxy .1874 **Story Thru the Bible** Walk Thru the Bible, 2014-02-27 For centuries people have passed on their heritage and history

through storytelling In Story Thru the Bible you will learn an easy hands on approach to oral teaching that engages the listener while sharing a biblical worldview This approach causes the storyteller and the listener to engage in a whole new way while creating a laid back atmosphere This step by step guide uses 52 Bible stories adaptable to any culture or age group Comes complete with summaries questions and practical applications **Jesus the Jewish Theologian** Brad H. Young, 1993-11-01 Jesus the Jewish Theologian establishes Jesus firmly within the context of first century Judaism and shows how understanding Jesus Jewishness is crucial for interpreting the New Testament and for understanding the nature of Christian faith Insights from Jewish literature archeology and tradition help modern readers place Jesus within his original context Particular attention is given to the Jewish roots of Jesus teaching concerning the kingdom of God A Hard Time Story Linda Fay Covington, 2013-11-15 That Old Man That old man That old man Those were the first words out of your mother's mouth every evening when I dragged through the door from a long hard day in the field She was so bitter about our life as sharecroppers and it was tearing the family apart I worked from sun up to sun down to take care of my family and provide income for my landlord The white man don t work us like mules anymore Dad talked leaning over in his recliner In a few months he would be seventy nine years old He reminisced about his life experiences as a sharecropper The old sharecropper's steps were getting slower by the day His oversized head was full of gray curly hair and his thick black eyebrows I knew as a child were snow white but as eye catching as ever I moved close to him to make sure he could hear me Dad I asked Why didn t you move north and get away from the south Why didn t you take us and move away from the cotton fields of Mississippi for a better life He looked up at me flushed and he slowly began to tell his story. One day I came home and your mother had packed her things and left for Illinois with all of y all I should have seen it coming she has asked me so many times to pack up and go north but I refused I knew times were hard and jobs were scarce in the north because everybody was running there to get away from the cotton fields She wrote me and begged me for weeks to come to Alton Folks like us with little or no money didn t have a telephone back then so we had to write letters I was farming with an old broke down tractor that would turn over One day the landlord came to the field to threaten to curse and to blame me for the tractor turning over Even though he knew the tractor was old and worn out he continued to blame me Eventually I gave in and moved to Alton Illinois to keep the family together and to get away from the abuse of that old man I was in Alton for about five months or so with my wife and three girls at that time living with my brother and his family I couldn t find a job for nothing in the world that paid enough money to support my family It was the mid fifties and times were hard even in the North That was when Eisenhower was President I had to drop out of school when I was fifteen to work the fields I only made it to the fifth grade Besides farming the only work experience I had back then was working on a logging camp I made twenty five to thirty five dollars a week on the logging camp minus a dollar and fifty cents a day room and board I had to guit I was away from my family six days a week I only saw them on Sunday and my wife was really unhappy about that Your mother and I argued a lot because money was so scarce when we were in Alton I wanted our own place for my family I didn t like staying with other folks even though it was my brother and his family I have always been an independent man and took care of myself and my family So after a few months of being in Alton I moved back to Mississippi by myself It was in the spring and time to plant the crop So I decided to move back and to give it another try My landlord was glad to see me return even though he tried to hide his feelings That happy kind of a look was all over his face He refused to buy another tractor for me to work the farm Trying to work the fields with a broke down tractor was hard My wife was right That old man she would often exclaim about the landlord It's a wonder I didn't fall dead to the ground Your mother refused to move back at first She stayed in Alton for several more weeks One day I looked up and my wife Essie Mae and my girls were walking in the house She looked at me and said I have to keep the family together Even though my wife returned on her own will she was still unhappy she continued to complain One evening a truck came through picking up folks for revival We got on that truck and went to church Your mother got save The Story of Gösta Berling Selma Lagerlöf, 2018-03-23T22:49:50Z Set in the 1820s in central Sweden The Story of G sta Berling
