Praying To God:

Prayers Gloria Fustino, 2012 Gloria is the President and founder of Gloria Fustino's Living Word Ministries Inc. She came from the Western New York area where part of her family still lives. After 12 years living and ministering in the DC Metro area, she is now based in Boynton Beach, Florida. Gloria has been counseling and mentoring since 1977 and was ordained in 1982. Gloria's main focus has always been to teach, train, and empower people with the knowledge and understanding of God's Word to live a highly successful life in Him. Her goal is to continue reaching out to others with the Word, knowing full well what is needed to be a strong person living in today's world and still bringing glory to God. Jesus taught us how to pray and gave us the example in Matthew 6:7-13. Amplified Jesus said that your Father knows what you need before you ask. So when you ask, He said to pray like this. Throughout the scripture, we find the pattern for prayer involves praying according to the model of prayer that Jesus taught: Praise and thank Him for who he is; Recognize and submit to His authority in Heaven and earth; Recognize that He gives you your daily needs; Forgive as He forgives you; Trust Him to lead you and keep you from evil. Psalm 9 is one of those examples. It begins by expressing praise and trust in Him, knowing He will meet all our needs. He does not forget the cry of the afflicted, the poor, and the humble. Verse 12b, Amplified: We are not forgotten. As you read this book, you will find examples of how to keep your prayers in line with God's will and the way to find joy and peace while you wait for your answer. The One Year Praying in Faith Devotional

Chris Tiegreen, 2021-11-09 The faith journey can be hard, but it doesn't have to be. Abraham, Joseph, David, Paul, and even Jesus himself, all heroes of the faith, who experienced both the soaring grace of answered prayers and crushing sorrow when God seemed unwilling to respond or too far away to hear. And yet even in the darkest times, God was working, writing an unseen story of redemption that would save the world. When we pray, how do we see beyond the immediate and into the eternal? How do we know when to keep praying and when to give up? when to consider something a promise from God and when to recognize that it was from our own imagination? Why does silence from God rarely mean no and almost always mean come closer? The One Year Praying in Faith Devotional answers these questions and many more, taking you through a 365-day journey that will help you experience a prayerful relationship with God like never before.

Prayer Matters Marilyn Wragg, 2017-12-20 Have you ever wondered how prayer works Have you ever wished you were better at praying Have you ever been at a loss for words to pray This is not a book that attempts to answer all your questions on prayer On the contrary the author acknowledges upfront that prayer is a mystery for which there is no magic formula There are Biblical principles that teach much about prayer and God's spiritual spokespersons have offered insight But God is God and prayer is in the realm of His unfathomable ways and workings Rather this is a book that invites you to come alongside the author and delve into the practice of prayer It contains reflections on varied prayer matters that are based on exploring principles about prayer and trying various ways to pray It is the fruit of the author's entreating God to teach her to pray Since much of this entreating occurred while walking with her son through his cancer battle and now as she grieves his passing the author's insights are presented as one questioning pilgrim desiring to help another The book's premise is that we do not have to understand prayer to pray We learn to pray by praying The more we pray the more natural praying therefore becomes Hence suggestions and tools are offered to facilitate praying Whether you are relatively experienced with prayer brand new or somewhere in between you are invited to ponder these prayer matters and to implement those suggestions for doing prayer that appeal to you Because ultimately while we may not know the intricate workings of prayer this side of Heaven one thing we do know is **Prayer Matters** **God Still Hears and Answers Prayers** Dr. Marcia
