Praying With The Desert Mothers:

Praying with the Desert Mothers Mary Forman, 2005 Introduces the reader to the lives sayings and stories of the fourth and fifth century women who were foundational members of the early Christian community in the Mediterranean region invites readers to explore their own spiritual journeys Provided by publisher The Desert Mothers Mary C. Earle, 2007-02 Includes summaries of the thoughts and spiritual approaches of the Desert Mothers along with spiritual practices based on their writings The Sacred Place of Exile Carla Brewington, 2013-02-01 The person of exile may be considered a wanderer a nomad a refugee or a rebel People of exile can be the marginalized the disenfranchised the outcast the left out and the pushed away Different terms are used but what defines them all is separation Exile is a dangerous and dominant theme that runs through Scripture through the lives of the people of Israel and through the universal church Women who have known the sacred place of exile are uniquely qualified to form a women's mission. The case is made for a momentum shift in missiological thinking There is a desperate and aching need for a women s mission which could lead the way to a women's missionary movement. The emergence of such a mission movement is indeed fraught with skepticism and suspicion from many of those inside the church and leaders in the missionary world But the radical disruptive costly following of Jesus to those outside the camp is our calling An Asian Woman's Religious Journey with Thomas Merton Jung Eun Sophia Park, 2021-11-30 Join Jung Eun Sophia Park on her personal guest for God and her true self through the writings of Thomas Merton Approaching Merton as an Asian immigrant feminist in the postcolonial era Park's perspective is a unique one and in this dance sometimes it is her and sometimes Merton who leads Throughout Eastern and Western spirituality are organically woven together in reflection on Merton's narratives and in the examination of late capitalism poverty beauty and violence These reflections are insightful provocative and illuminating particularly with regard to his androcentric spirituality especially as it relates to his relationships with women The Rebirth of African Orthodoxy Thomas C. Oden, 2016-04-05 African orthodoxy today reveals the same powerful faith that was confessed by Athanasius and Augustine seventeen centuries ago Classic African Christian teaching in the patristic period 100 750 AD preceded modern colonialism by over a thousand years Many young African women and men are now reexamining these lost roots They are hungry for accurate information about their Christian ancestors Thomas C Oden asks readers to recapture the resonance of a consensual orthodoxy the harmony of voices celebrating the apostolic testimony to God's saving work in Jesus Christ witnessed to in scripture and understood best by African interpreters of the faith In ten seminars Oden invites discerning readers to reclaim and reaffirm Christian faith as it emerges from thoughtful conversations between contemporary and ancient African interpreters of orthodox faith This new book by Tom Oden is remarkable and historic His words challenge the worldwide church to return to the true fountain of living water Jesus Christ He specifically encourages us Africans to continue to seek the treasures left to us by our early church fathers and mothers in order to reshape the Christian mind now as they did in the

first millennium The Most Rev Dr Mouneer Hanna Anis Archbishop of the Episcopal Anglican Diocese of Egypt with North Africa and the Horn of Africa A thought provoking book with factual evidences emphasizing the continuity of global orthodoxy that emanated in Africa and has been nurtured by Africans from the time of Mark the evangelist to the present People yearning to discover the intellectual and classical African Christian roots will find the book very helpful Thomas A Oduro President Good News Theological College Seminary Accra Ghana While Tom Oden writes about Africans for Africans The Rebirth of African Orthodoxy Return to Foundations is also addressed to all Christians everywhere who ask What is God doing in the world today The author proposes that the clue to what God is doing in the present is to be found in what God has done in the past for the Holy Spirit has a history Tom directs us to look to Africa where the ancient African Christian orthodoxy is being reborn in the African church today making it a witness to the whole church everywhere Timothy W Whitaker retired bishop Florida Conference of The United Methodist Church City of Prayer Rachel M. Srubas, 2008 The desert will show you what you are and are not made of what you do and do not need Rachel Srubas Christians are familiar with Matthew's account of Jesus temptation in the desert We are familiar with Jesus pithy responses to the devil at the end of those forty days One does not live by bread alone but by every word that comes from the mouth of God Do not put the Lord your God to the test Worship the Lord your God and serve only him But we are likely less familiar with the pithy sayings of those the Desert Fathers and Mothers whom God led into the desert in surprising numbers throughout the early centuries of the church In City of Prayer Forty Days with Desert Christians Rachel Srubas offers readers a collection of reflections inspired by the wisdom of the Desert Fathers and Mothers the Abbas and Ammas Through the wisdom of these desert Christians illuminated by Srubas s powerful narrative readers will ponder such themes as solitude and perseverance illness and humility They will be inspired and challenged comforted and sustained Neither academic nor pietistic this book is candid intelligent and compelling Rachel M Srubas is a Presbyterian clergywoman and oblate of St Benedict She is also the author of Oblation Meditation on St Benedict's Rule Paraclete Press and her writings have appeared in The Christian Century and Weavings A Journal of Christian Spiritual Life In the Sanctuary of Women Jan L. Richardson, 2010-10-01 Come spend some time in the sanctuary of women an often ignored space in Jewish and Christian history This devotional book for women highlights six women from around the world and across the centuries inviting us to discover what their lives tell us about God Jan Richardson a gifted poet artist and author believes it is essential for women to listen to one another s wisdom and bring the fullness of their lives with all the wonders and messiness into their prayer life In the Sanctuary of Women gathers together these women from scripture and history Eve Brigid of Kildare The desert mothers Hildegard of Bingen Harriet Powers The Woman of the Song of Songs Each chapter becomes its own sanctuary with one of the women serving as a companion as you contemplate the theme that her life offers Throughout the readings Richardson weaves her own stories poetry prayers and blessings Midway through each chapter a section called The Secret Room gives you a chance to pause

and reflect on unexpected insights Reading the book daily will carry you through six months or you can dip into the readings as you wish An invitation into reflection and prayer alone or in the company of others In the Sanctuary of Women is a book to treasure and to share with the women and the men in your life The Desert Mothers Mary C. Earle, 2007-02-01 A historical and enlightening introduction to Desert Mothers and the wise spiritual lessons we can glean from their lives trials and tribulations and writings At the dawn of Christianity holy women went into the wilderness of the desert of Northern Egypt to give themselves totally to lives of prayer Explore the unique spirituality of Desert Mothers and learn ways to apply their wisdom today The Desert Mothers are often overshadowed by the better known Desert Fathers but these women who went into the wilderness to pursue deep prayer deserve to be heard Mary Earle has taken nine concise sayings from Desert Mothers and explore them in original ways Frederica Mathewes Green author columnist and speaker Mary Earle is a modern day Desert Mother and we are fortunate indeed for her introduction to Desert Amma s ancient wisdom and for her gentle quidance on ways to incorporate that wisdom into contemporary spiritual practices Debra K Farrington author of Hearing with the Heart A Gentle Guide to Discerning God's Will for Your Life Forgotten Desert Mothers, The Swan, Laura, 2022 In The Forgotten Desert Mothers Laura Swan introduces readers to the sayings lives stories and spirituality of women in the early Christian desert and monastic movement from the third century on In doing so she finally sets the record straight that women played an important and influential role in early Christianity indeed a role that has been long overshadowed by men She begins with an exploration of the historical context and spirituality of the desert ascetics Then she weaves together the sayings of the major desert ammas or mothers along with commentary that invites readers to reflect on their own spiritual journey as they share their wisdom The book then journeys between desert monastery and city to reveal the stories of ascetics and solitaries whose stories are rarely heard organized in the author's own alphabetical collection. The Forgotten Desert Mothers demonstrates like no other work that women have long had a history of leadership in Christianity This engaging eye opening and insightful work targets all faith seekers looking to reclaim the history and spirituality of the women who came before them as well as to understand their own inner journey It will be a welcome addition to courses on early church history women s studies and religious studies **Desert Daughters, Desert Sons** Rachel Wheeler, 2020-11-15 In Desert Daughters Desert Sons professor Rachel Wheeler argues that a new reading of the texts of the Christian desert tradition is needed to present the often anonymous women who inhabit the texts Though these women may have been included by storytellers to provide a foil to the exemplary men in the stories foreground Wheeler demonstrates how women s persistence in places they were not welcome witnesses to truths about where wisdom may be sought and found In this book Wheeler allows these women s stories to critique the desert impulse that can create a spiritual life devoid of social relationships and responsibility Desert Dangers and Delights John Michael Talbot, 2020-01-14 The spirituality and lives of the desert fathers and mothers are often seen as the beginning and end of Christian monastic life Their stories and messages

inspire not only the most devout Christians but also the nones and the dones In Desert Dangers and Delights John Michael Talbot reflects on his experience as a spiritual father and a popularizer of Catholic Christian spirituality through his music and teaching He uses his own stories Scripture and the stories and sayings of the desert fathers and mothers to show a radically alternative way of living and thinking in Christ With questions for reflection at the end of each chapter this book will aid all readers from experienced monastics to those just beginning a spiritual journey with Christ **Embracing Solitude** Bernadette Flanagan, Beverly Lanzetta, 2013-11-12 Embracing Solitude focuses on the interior turn of monasticism and scans the Christian tradition for women who have made this turn in various epochs and circumstances New Monasticism is a movement assuming diverse forms in response to the turn to classical spiritual sources for guidance about living spiritual commitment with integrity and authenticity today Genuine spiritual seeking requires the cultivation of an inner disposition to return to the room of the heart The lessons explored in this book from women spiritual entrepreneurs across the centuries will benefit contemporary New Monastics both women and men The accounts will inspire challenge and guide those who follow in the footsteps of the renowned spiritual innovators profiled here **The Quiet Girl** Peter Høeg, 2025-09-23 The internationally acclaimed bestselling author of Smilla's Sense of Snow returns with this engrossing beautifully written tale of suspense captivating The Miami Herald Set in Denmark in the here and now Peter Hoeg's The Quiet Girl centers around Kaspar Krone a world renowned circus clown with a deep love for the music of Johan Sebastian Bach and an even deeper gambling debt Wanted for tax evasion and on the verge of extradition Krone is drafted into the service of a mysterious order of nuns who promise him reprieve from the international authorities in return for his help safeguarding a group of children with mystical abilities abilities that Krone also shares When one of the children goes missing Krone sets off to find the young girl and bring her back making a shocking series of discoveries along the way about her identity and the true intentions of his young wards The result is a fast paced philosophical thriller blending social realism with the literary fantastic and pitting art and spirituality against corporate interests and nothing less than the will to war by the industrialized world The Quiet Girl is a masterful inventive novel that marks the triumphal return of one of the great writers of the international literary world
