**English**

**Language Super Review** The Editors of REA,2012-09-26 REA's Super Reviews help students brush up on tough subjects. They are more thorough than ordinary subject reviews but less complex than voluminous study guides. Numerous solved problems accompany the review and bring it to life. The English Language Super Review includes an extensive review of grammar, punctuation, and sentence structure. A glossary of usage is also included. Exercises and quizzes enable students to check whether they have learned what they need to know, whether they understand the subject, and have command of it.

**Psychology I Super Review** The Editors of REA,2012-05-11 Need help with Psychology? Want a quick review or refresher for class? This is the book for you. REA's Psychology I Super Review gives you everything you need to know. This Super Review can be used as a supplement to your high school or college textbook or as a handy guide for anyone who needs a fast review of the subject. Comprehensive yet concise coverage. Review covers the material that is typically taught in a beginning level psychology course. Each topic is presented in a clear and easy to understand format. Questions and answers for each topic let you practice what you've learned and increase your subject knowledge. End of chapter quizzes gauge your understanding of the important information you need to know, so you'll be ready for any psychology question you encounter on your next quiz or test. Whether you need a quick refresher on the subject or are prepping for your next test, we think you'll agree that REA's Super Review provides all you need to know.
