## **Preach The Word:**

**Basis of Preaching Biblical Message: Preach the Word** Rev Dr koningthung Ngoru Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings It is imperative for all the committed Christians to lean learn and live with the Biblical truths As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God s will but is not necessary for knowing that God exists or for knowing something about God s character and moral law Basis of Preaching Biblical Message Preach the Word is for the glory of God the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation Biblical preaching is centered around and takes its content from the inerrant Word of God True Biblical preaching aims at life change Biblical preaching also comes through the personality of the preacher Some communicators or preachers are encouragers some are confrontational Some are humour while others use sound logic and well reasoned content It is not good to fall into the trap of trying to mimic your favourite preacher Instead learn from them and develop your own style as a good communicator Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book Basis of Preaching Biblical Message Preach the Word is both an art and a science It is a science in the sense that there are rules and principles of communication that we are to follow It is an art in that each person brings his own unique personality and style to the preaching experience Preaching is truth through personality Both are necessary However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit is focus in the book

Preaching as the Word of God Sam Chan, 2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory Preach the Word Leland Ryken, Todd A. Wilson, 2007 For more than forty years pastor R Kent Hughes has shared the gospel with thousands of people and raised the standard of expository preaching in North America and beyond To celebrate his legacy and pay tribute to his years of ministry fifteen of Hughes s friends and colleagues from across the globe including J I Packer Wayne Grudem John MacArthur Peter Jensen and D A Carson examine what it means to be an expository preacher Among the contributors are professors a university chaplain a college president and urban church planters living testimonies to Hughes s wide influence *"Preach the Word."
