Preacher Among The Prophets:

The Prophets as Preachers Gary V. Smith, 1998-09-01 Designed for use in upper level college courses and seminary Preaching Like the Prophets Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets **False Prophets and Preachers**, 2016-04-01 In February 1534 a radical group of Anabaptists gripped with apocalyptic fervor seized the city of M nster and established an idealistic communal government that guickly deteriorated into extreme inequality and theocratic totalitarianism In response troops hired by the city's prince bishop laid siege to the city Fifteen months later the besieged inhabitants were starving and in the dead of the night five men slipped out Separated from his fellow escapees Henry Gresbeck gambled with his life by approaching enemy troops Taken prisoner he collaborated with the enemy to devise a plan to recapture M nster and later recorded the only eyewitness account of the Anabaptist kingdom of M nster Gresbeck's account which attempts to explain his role in the bizarre events disappeared into the archives and was largely ignored for centuries Before now Gresbeck's account was only available in a heavily edited German copy adapted from inferior manuscripts Christopher S Mackay who previously produced the only modern translation of the main Latin account of these events has adhered closely to Gresbeck s own words to produce the first complete and accurate English translation of this important primary source The Oxford Handbook of the Prophets Carolyn Sharp, 2016-09-01 The Latter Prophets Isaiah Jeremiah Ezekiel and the Book of the Twelve comprise a fascinating collection of prophetic oracles narratives and vision reports from ancient Israel and Judah Spanning centuries and showing evidence of compositional growth and editorial elaboration over time these prophetic books offer an unparalleled view into the cultural norms theological convictions and political disputes of Israelite communities caught in the maelstrom of militarized conflicts with the empires of ancient Egypt Babylonia and Persia Instructive for scholar and student alike The Oxford Handbook of the Prophets features wide ranging discussion of ancient Near Eastern social and cultic contexts exploration of focused topics such as the persona of the prophet and the problem of violence in prophetic rhetoric sophisticated historical and literary analysis of key prophetic texts issues in reception history from these texts earliest reinterpretations at Qumran to Christian appropriations in contemporary homiletics feminist materialist and postcolonial readings engaging the insights of influential

contemporary theorists and more The diversity of interpretive approaches clarity of presentation and breadth of expertise represented here will make this Handbook indispensable for research and teaching on the Latter Prophets the Word of God Sam Chan, 2016-07-12 According to the Reformers preaching is the word of God As the word of God preaching is a foundation for the church It is also vital for the personal growth of a Christian But Christians are poorly equipped to understand how preaching is the word of God Some Christians look for preaching that closely reproduces the text in the Bible Other Christians look for preaching that creates maximal emotional and existential impact And there is a lot of name calling with Christians accusing preachers of not preaching the word But what type of preaching is the word of God The purpose of this book is to equip Christians to understand how preaching can be God speaking It accomplishes this with a survey of the problem in the history of the church a detailed overview of key biblical texts and finally the application of the contemporary philosophical tool of speech act theory **Preach the Word** Stephen Oliver Stout, 2014-12-09 At some time or another every preacher has entered the pulpit wondering What shall I preach This study finds the answer in the preaching charge of 2 Timothy 4 1 5 summarized in the command Preach the Word In this careful examination of the preaching ministry of Paul as recorded in his letters and sermons in the book of Acts a Pauline theology of preaching emerges What this work discovers is that the governing activity of the ministry of the Apostle Paul is the verbal proclamation of the gospel of Christ All other activities in his ministry are subservient to this overriding concern and they find meaning only if preaching is primary That being the case this book takes seriously the words of Paul when he encourages future preachers to follow his teaching conduct and purpose 2 Tim 3 10 offering Paul as the model for the Christian preacher As readers will discover anyone who desires to preach biblically should seek to preach like Paul and the way to do that is to Preach the Word The **Preacher's Portrait** John Stott, 2016-09-30 In this updated version of The Preacher's Portrait John Stott presents a portrait of the ideal preacher a portrait painted by the hand of God himself on the broad canvas of the New Testament Through studying five roles of a preacher steward herald witness father and servant Stott illustrates God s ideal for a preacher s Life Woven into God Bruce L. Taylor, 2020-11-02 Continuing his series of sermons for character message and purpose the Common Lectionary Revised Bruce Taylor offers theologically rich sacramentally sensitive and biblically centered proclamations for the Sundays and major feast days of Year B from Pentecost through Christ the King Reign of Christ and a sample of preaching from the Daily Lectionary As in his other sermon collections readers will find here a strong testimony to Christian unity and a deep appreciation of the heritage and contemporary relevance of the church as well as the importance of individual discipleship Taylor's examples of story sermons are poignant and demonstrate how this style of preaching can be profound as well as engaging Preachers and devotional readers alike will find Life Woven into God a welcome companion to their discovery of the treasures of the liturgical year and faithful exploration of Mark's Gospel along with the accompanying Scripture passages commended for use in Christian worship An Exposition of the Prophet Ezekiel William

Lee Ramsey, 2008-01-01 In this compelling book G Lee Ramsey Ir mines the riches of southern fiction and discovers a colorful assortment of ministers who arise out of the religious South At once mystical and mischievous these ministers haunt the margins of southern life while preaching a gospel that startles and compels But their oddness is also their appeal and part of their gift For through these colorful portraits of Christian ministry today s readers are challenged to think about what matters in ministry and to re imagine ministry in ways that bring new life to the church and community Throughout Ramsey shows how ministers such as Roger Hagan in Will Campbell's The Conventionand Hazel Motes in Flannery O Connor's Wise Bloodcan help show us the stumbling blocks to faithful ministry and steer clergy and congregations forward in today s world **Preaching** Walter J.
