**Understanding the Times** Jeff Myers, David A. Noebel, 2015-09-01 Your view of God determines your view of the world You hold in your hands a landmark guide to understanding the ideas and forces shaping our times Understanding the Times offers a fascinating comprehensive look at the how the tenets of the Christian worldview compares with the five major competing worldviews of our day Islam Secular Humanism Marxism New Age and Postmodernism Understanding the Times is a systematic way to understand the ideas that rule our world While the material is expansive the engaging easy to understand writing style invites you to discover the truths of God and our world This classic should be on the shelf of every Christian home on the desk of every pastor and in the hands of every Christian student headed off to college *The*

*Routledge Research Companion to Media Geography* Paul C. Adams, Jim Craine, 2016-03-23 This Companion provides an authoritative source for scholars and students of the nascent field of media geography While it has deep roots in the wider discipline the consolidation of media geography has started only in the past decade with the creation of media geography s first dedicated journal Aether as well as the publication of the sub discipline s first textbook However at present there is no other work which provides a comprehensive overview and grounding By indicating the sub discipline s evolution and hinting at its future this volume not only serves to encapsulate what geographers have learned about media but also will help to set the agenda for expanding this type of interdisciplinary exploration The contributors leading scholars in this field including Stuart Aitken Deborah Dixon Derek McCormack Barney Warf and Matthew Zook not only review the existing literature within the remit of their chapters but also articulate arguments about where the future might take media geography scholarship The volume is not simply a collection of individual offerings but has afforded an opportunity to exchange ideas about media geography with contributors making connections between chapters and developing common themes
