*Translated* William Harwood,2017-07-21 There has long been a need for a translation of the Judaeo Christian Bible that did not deliberately mistranslate certain words and sentences for the purpose of concealing that the biblical authors beliefs were quite different from those of modern Jews Christians and Muslims For example The LORD is a falsification of the proper name Yahweh a god like Zeus or Jupiter But the most blatant fraud has been the rendering of the Hebrew word allahiyim as the male proper name God Allahiyim is neither a proper name nor singular nor unisexual Al means a god The suffix ah is a feminine singular inflection so that allah means goddess The suffix iym is a masculine plural inflection making allahiyim a dual sex generic plural male and female gods or in the common gender gods This translation corrects such falsifications For extra copies contact [www.worldaudience.org](http://www.worldaudience.org)     *Applying the Sermon* Daniel Overdorf,2009-08-28 Finally a tool to help Pastors shape applications that so many congregations have long desired Even the most seasoned homileticsians balk at sermon application Why Because application requires preachers to toss a grenade like thus saith the Lord into people s lives and to do so repeatedly From the introduction Despite the concern many pastors feel when it comes to sermon application most homiletics texts devote little more than a chapter if that to this vital topic Daniel Overdorf has filled this glaring gap with *Applying the Sermon* This book equips preachers to develop sermon application that grows from the biblical text and addresses the needs of contemporary congregations Each chapter includes snippets of interviews with five of today s most respected homileticsians Haddon Robinson Will Willimon Tom Long Vic Pentz and Bob Russell A great addition to any pastoral library and a valuable resource for Bible college and seminary courses Overdorf s *Applying the Sermon* also includes an extensive bibliography and a sermon application worksheet to give pastors a chance to acquire hands on experience with these techniques     *The Congregationalist and Christian World* ,1909     **Homiletical Handbook** Donald L.
