**What's the Matter with Preaching Today?** Mike Graves, 2004-01-01 Seventy five years ago renowned preacher Harry Emerson Fosdick asked in Harper's Magazine what's the matter with preaching Fosdick's question is even more relevant today as both pastors and laity acknowledge the need for improvement in Sunday morning's sermons And who better for pastors and students to learn from than those who already do it well The contributors to this book are a some of the best and most thoughtful preachers in the church and classroom today In their essays they assess the state of preaching today identify a variety of issues that challenge effective preaching and offer helpful suggestions for what can be done to improve preaching In the process they help to define what effective preaching is [Biblical Preaching for Today's World](#) Lloyd Perry, 1990-03-08 Biblical preaching has not outgrown its usefulness The methods may vary but the message remains the same God's challenge and call to the preacher still come through loud and clear Preach the Word Lloyd M Perry's Biblical Preaching for Today's World has been helping pastors and speakers preach the Word since 1973 Although the principles Perry originally established are timeless the needs and concerns of audiences are always changing To help pastors preach more effectively to today's congregations Perry has updated his original manuscript He offers pastors help in understanding and adjusting to the effects television has had on an audience's listening skills Historical references throughout each chapter will also help preachers learn from yesterday's teachers and styles Biblical Preaching for Today's World continues to offer sound time tested principles for preaching regardless of the preacher's style Filled with helpful suggestions annotated outlines and solid documentation it is invaluable reading for all who aspire to preach the Word

**Preaching in Today's World** James C. Barry, 1984      **Holy Attention** Frances Ward, Richard Sudworth, 2019-08-30

With the growing renewed attention to the art of preaching this timely collection from the influential Littlemore Group of theologians explores the role of this vital ministry in today's Church. Experienced contributors from a wide range of backgrounds—Catholic, evangelical, and liberal—weave together theology, anecdote, and reflection on practice as they share their passion for preaching. Each one is noted for their attentiveness to the poetry of the spoken word in preaching and the practical challenges and pitfalls of this central activity of public worship. Chapters include *The Joy and Terror of Preaching*, *The Power of Language*, *Localizing the Gospel*, *Attentiveness to the Word*, *The Sermon as Sacrament*, *Genres of Preaching*. Contributors include Rachel Mann, Paula Gooder, Donna Lazenby, Sr. Judith SLG, Edmund Newey, Anderson Jeremiah, and Joel Love.

**What's Right with Preaching Today?** Mike Graves, Andre Resner, 2021-03-09. In 1928 when Riverside Church NYC pastor Harry Emerson Fosdick asked the question in *Harpers Magazine* "What's the Matter with Preaching Today?" he did not know that one response to that question had just entered the world in Humboldt, Tennessee. Fred B. Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive, often called the preaching as storytelling revolution, and in so doing brought renewed interest and impact to the practice of preaching, effectively rescuing it from an often tedious and moralizing fate. With Fred, preaching was anything but boring. Rather, it was an exciting and enlightening ride that led to the renewal of faith. To honor Craddock's legacy, Mike Graves and Andre Resner invited ten leading voices in homiletics to identify something that is right about preaching today. In addition, they issued a call to a wide variety of people to contribute stories about Fred's impact on their lives and ministries. Twenty-seven remembrances of Fred are included here throughout the book. If you appreciate effective and engaging preaching as either a preacher or listener, the essays and remembrances here will speak to you and provide encouragement about preaching's present and future. With contributions from Ronald J. Allen, Barbara K. Lundblad, Alyce McKenzie, Debra J. Mumford, Luke Powery, Andre Resner, Richard Ward, Dawn Ottoni, Wilhelm Paul, Scott Wilson.

*Inductive Preaching* Ralph L. Lewis, Gregg

Lewis,1983-08-01 I spend hours in my study and on my knees preparing sermons but when I preach them no one listens What's wrong Why aren't I getting through Why do I see blank stares daydream reveries nodding heads as soon as I open my mouth to preach I know my messages are biblically sound I'm sure I'm preaching what God has laid on my heart But it's not being received What's wrong What can I do Sound familiar If you're a preacher you probably know the feeling But it doesn't have to be that way You can learn to preach in a way that will be readily even eagerly received by your congregation It's all here what inductive preaching is how it works why it's effective who's used it including Jesus Peter Paul Augustine St Francis Wesley Edwards and Moody to name only a few Also included are Step by step guidelines for constructing an inductive sermon Two sample inductive sermons A list of 96 inductive preachers from 20 centuries A strategy for making traditional sermon structures inductive A checklist of inductive characteristics The principles in this book can dramatically increase your sermon effectiveness turn apathy into involvement make listeners out of the listless Inductive preaching is preaching that works

**Choosing to Preach** Kenton C. Anderson,2009-05-26 Today traditional forms of preaching are being scrutinized and challenged The biblical sermon is not immune to the pressure to evolve or even fall by the wayside leaving pastors and seminary students confused over how best to communicate to today's listeners In this forward looking textbook Kenton Anderson delivers a strong call to current and future ministers to indeed choose to preach biblical sermons despite the obstacles to doing so While preaching itself is non negotiable the exact form it takes can be much more flexible allowing people to hear from God as they hear his Word preached Rather than presenting one model or process for preparing a sermon Anderson explains several available options As you discern your message from the Bible will you begin with the text deductive or with the listener inductive Will you focus on the idea cognitive or the image affective The choices you make lead to five possible sermon structures DECLARATIVE make an argument PRAGMATIC solve a mystery NARRATIVE tell a story VISIONARY paint a picture INTEGRATIVE sing a song Each model is described in detail and related to well known contemporary preachers including John MacArthur Rick Warren Eugene Lowry and Rob Bell This book equips you with a variety of tools for your preaching tool kit A CD ROM with additional helpful resources is included as well as discussion questions and practical exercises

**The Folly of Preaching** Michael P. Knowles,2007-08-28 The Folly of Preaching contains a wealth of theoretical and practical insights into preaching from some of today's best known preachers scholars and homiletics teachers Many of these contributions derive their inspiration from Paul's letters to the church at Corinth in which the apostle vigorously defends both the message of the gospel and his own manner of proclaiming it Several of the twelve exemplary sermons rounding out The Folly of Preaching continue reflecting on the key theme of grace amid weakness and need expounding passages from Paul's Corinthian correspondence Of all the current preaching

Earl Allen, Joel C. Gregory, 1987 **Preaching That Comes Alive** Maggie Low, 2017-03-30 People go to church every Sunday hoping to hear a life giving word from the Lord but often find that they have to make do with either the dry crust of cognitive sermons or the empty calories of emotional exhortations This book provides preachers with the tools to feed their flock with hearty sustenance Using real life sermon examples from across Asia that reflect issues facing Asian Christians Maggie Low builds a picture of a sermon as a body taking you step by step through guidelines for what this body needs to come alive Whether you are a beginner or an experienced preacher you will learn to preach more confidently and relevantly through this skillful integration of biblical theology homiletical theory spirituality and communication skills Preaching cannot deliver life unless preachers themselves listen to the Word of Life Dr Low guides the reader to exegete the Scriptures and to listen to God personally so that they can deliver a life giving word to the hearers Reformed Preaching Joel Beeke, 2018-10-15 Preaching today all too often tragically misses the point We've all heard sermons that sound more like a lecture filling the head but not the heart And we've all heard sermons tailored to produce an emotional experience filling the heart but not the head But biblical preaching both informs minds and engages hearts giving it the power to transform lives By the Spirit's grace biblical preaching brings truth home from the heart of the preacher to the heart of the hearer Joel Beeke a pastor and professor of preaching with over four decades of experience explores the fundamental principles of Reformed experiential preaching examining sermons by preachers from the past and bridging the historical gap by showing pastors what the preaching of God's life transforming truth looks like today **Preaching the Manifold Grace of God, Volume 1** Ronald J. Allen, 2022-06-08 Preaching the Manifold Grace of God is a two volume work describing theologies of preaching from the historical and contemporary periods Volume 1 focuses on historical theological families Orthodox Roman Catholic Lutheran Reformed Anabaptist Anglican Episcopal Wesleyan Baptist African American Stone Campbell Friends and Pentecostal Volume 2 focuses on families that are evangelical liberal neo orthodox postliberal existential radical orthodox deconstructionist Black liberation womanist Latinx liberation Mujerista Asian American Asian American feminist LGBTQAI Indigenous postcolonial and process In each case the author describes the circumstances in which the theological family emerged and describes the purposes and characteristics of preaching from that perspective Revival Preaching Ernest Eugene Klassen, 2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost He believes strongly that God honoring Christ exalting and Spirit empowered preaching plays a critical role in revival and awakening No one models this dynamic better than Jonathan Edwards He was a pastor who was a protagonist of the First Great Awakening

He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection. Revival Preaching extracts the most important lessons of Edwards's writings and sermons for preaching in today's world.
