sermons     *A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within* Vanessa Lovelace, 2024-05-29 The U S Declaration of Independence of 1776 decreed that all men were created equal and were endowed by their Creator with certain unalienable Rights Yet U S born free and enslaved Black people were not recognized as citizens with equal protections under the law until the passage of the Fourteenth Amendment Even then White supremacists impeded the equal rights of Black people as citizens due to their beliefs in the inferiority of Black people and that America was a nation for White people White supremacists turned to biblical passages to lend divine justification for their views A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within analyzes select biblical narratives including Noah s curse in Genesis 9 Sarah and Hagar in Genesis 16 and 21 Mother in Israel in Judges 5 and Jezebel Phoenician Princess and Queen of Israel in 1 and 2 Kings This analysis demonstrates how these narratives were first used by ancient biblical writers to include some and exclude others as members of the nation of Israel and then appropriated by White supremacists in the antebellum era and the early twentieth century to do the same in America The book analyzes the simultaneously intersecting and interconnecting dynamics among race gender class and sexuality and biblical narratives to construct boundaries between us versus them particularly the politicization of motherhood to deny certain groups inclusion

Preaching to a Divided Nation Matthew D. Kim, Paul A. Hoffman, 2022-08-09 We live in angry times No matter where we go what we watch or how we communicate our culture is rife with division and polarization Unfortunately Christians appear to be caught up in the same animosity as the culture at large While our faith calls us to Christian unity the hard fact remains our churches are tragically divided across class ethnic gender and political lines As these social chasms grow both inside and outside the church the role of the preacher becomes paramount This book issues a prophetic call to pastors to use the influence of their pulpits to promote reconciliation and unity in their churches and communities Two scholar practitioners who are experts in homiletics and reconciliation present a practical 7 step model that empowers faithful leaders to bring healing and peace to their fractured churches and world The book includes questions for reflection salient illustrations and an accountability covenant It also includes useful appendixes on preaching themes preaching texts and sample sermons from three leading preachers Ralph Douglas West Rich Villodas and Sandra Maria Van Opstal
