A Legacy of Faith Sam Elliott,2021-04-12 God is real alive and very active in the lives of people all across the Earth today He has invited us to come boldly into His presence to make our needs and petitions known to Him He is able to make a way where there is no way today as much as ever My wife Angie and I have always believed that and determined from the beginning of our marriage that we would look to God first in every situation we faced Our desire was to experience God stories so our lives would glorify Him and be a living testimony of His greatness in a world that attempts to undermine faith in God This book chronicles the most obvious and amazing answers to prayer in our lives so far Of course we know that there are many more stories that are equally important but more mundane and ordinary He has healed us to the amazement of the doctors involved He has worked miracles of provision in our lives He has protected us and guided our steps He has been the Great Shepherd in our lives Our hope is that this book will inspire you to carry all your needs to Him in prayer and live in expectation of His divine activity in your life He wants to make your life a living testimony as well We hope you will be inspired to recognize the God stories in your own life and build a legacy of faith that is passed on to your children and grandchildren 36

Jezebel's Puppets Jennifer LeClaire,2016 Many charismatic Christians are familiar with the biblical character of Jezebel yet they do not know the demonic spirit by that name that still wreaks havoc today The Jezebel spirit characterizes anyone who acts in the same manner as Jezebel did engaging in immorality idolatry false teaching and unrepentant sin Its manifestations are conniving and destructive dwelling in she who desires to have her way no matter who is destroyed in the process You can t defeat what you can t see While most people are hyper focused on Jezebel and are basing their warfare on a misunderstanding of what Jezebel really is fewer understand the workings of Jezebel s demonic partners in crime The spirit of Jezebel couldn t execute all its wicked plots without the spirits of Ahab the false prophets and the eunuchs This book will fully expose this destructive team s plan teaching readers how to discern each spirit and defeat them

Youthful Preaching Richard Voelz,2016-01-21 What if adolescents aren t bored with preaching What if they have and are interacting with preaching in complex various

ways that have escaped the attention of adult listeners and preachers What if their own preaching informed the ways adults think about Christian faith and theories practices of preaching While much recent discussion in preaching revolves around underrepresented groups the relationship between adolescent youth and preaching remains largely unexplored Youthful Preaching brings youth into contemporary conversations about preaching by listening to their voices and by advocating for communities of faith and practice to seek ways to reimagine renew and strengthen the relationships between youth adults and preaching Hatching Chickens for the Hawks Theodore Eaton Beebe,1920 Appalachian Mountain Religion Deborah Vansau McCauley,1995 A monumental achievement Certainly the best thing written on Appalachian Religion and one of the best works on the region itself Deborah McCauley has made a winning argument that Appalachian religion is a true and authentic counter stream to modern mainstream Protestant religion Loyal Jones founding director of the Appalachian Center at Berea College Appalachian Mountain Religion is much more than a narrowly focused look at the religion of a region Within this largest regional and widely diverse religious tradition can be found the strings that tie it to all of American religious history The fierce drama between American Protestantism and Appalachian mountain religion has been played out for nearly two hundred years the struggle between piety and reason between the heart and the head has echoes reaching back even further from Continental Pietism and the Scots Irish of western Scotland and Ulster to Colonial Baptist revival culture and plain folk camp meeting religion Deborah Vansau McCauley places Appalachian mountain religion squarely at the center of American religious history depicting the interaction and dramatic conflicts between it and the denominations that comprise the Protestant mainstream She clarifies the tradition histories and symbol systems of the area s principally oral religious culture its worship practices and beliefs further illuminating the clash between mountain religion and the dominant religious culture of the United States This clash has helped to shape the course of American religious history The explorations in Appalachian Mountain Religion range from Puritan theology to liberation theology from Calvinism to the Holiness Pentecostal movements Within that wide realm and in the ongoing contention over religious values the many strains of American religious history can be heard *The Higher Christian Life* Donald W.
