Small Church, Excellent Ministry Jeffrey C. Farmer,2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches The Living Church ,1980 *Turnaround and Beyond* Ron Crandall,2010-09-01 Since its publication in 1995 Ron Crandall s Turnaround Strategies for the Small Church has become required reading for anyone striving to revitalize the ministry of a small membership congregation That book was built on extensive interviews and studies conducted in dozens of small membership churches across several denominations that had experienced significant turnaround In a new study Crandall has now returned to those congregations to see what it takes to make the turnaround work over a period of years Learning much from both the churches who maintained significant growth in numbers and ministry and those that failed to do so he offers even more helpful insight to any congregational leader seeking to take a small membership church into a new phase of witness and mission **Leadership in Small Churches** Ben D.
