Precious Days And Practical Love Caring For Your Aging Parent:

Precious Days & Practical Love James Taylor, 1999 Caring for an aging parent involves more than finding a care facility or dealing with legal and financial matters It means feeling the frustration of always being on call if you live close by or feeling helpless and guilty because you live far away and can do relatively little It means riding the emotional roller coaster of having your roles reversed It s about the pain of being unable to change the inevitable but of having an inner compulsion to do what you can to make those final weeks or years as gentle as possible It s about continuing to love in spite of everything until the very end and beyond Precious Days Practical Love will help children of aging parents make the final months or years among the best experiences they ll have to remember and it will help counsellors understand the joys and challenges families may face

Religious Abuse Keith Wright, 2001 As a pastor with 40 years of experience Keith Wright came to realise that a dichotomy exists within the walls of many churches While many churchgoers find the environment wonderfully embracing and supportive the fact is that religion can offer both a positive and a negative experience Religious abuse affects millions of church members and church leaders in every denomination It can be blatant but it can also be extremely subtle and unintentional Keith Wright believes that only when we recognise and acknowledge the problem can we work toward positive change that allows us to truly benefit from the good Individuals church leaders Christian educators sociologists psychologists and other counsellors who have experienced or witnessed the results of religious abuse will find the personal stories in this book revealing and enlightening

John for Beginners James Taylor, 2001 This Bible study invites both new and long time learners into an intimate and personal exploration of the Gospel of John While the gospels of Matthew Mark and Luke speak directly to the actions and teachings of Jesus John speaks in more symbolic language that can take us to deeper levels in our own reflection of who Jesus is Intended as a group study launching pad for discussion this commentary can also be used for individual study Includes questions to encourage reflection as well as short prayers after each section Appendix includes Suggestions for Study Leaders Because the Gospel of John appears at various places throughout each of the 3 year cycle this book makes a good study any time for lectionary study groups
