Navaho Indian Myths Aileen O'Bryan,2012-05-04 Rich compilation of Navaho origin and creation myths recorded directly from a tribal elder The Creation

of the Sun and Moon The Maiden who Became a Bear and many more **Spider Woman Walks This Land** Kelli Carmean,2002-07-02 Spider Woman Walks This Land is a lively and accessible introduction to issues of traditional cultural properties and cultural resource management among native peoples in the United States Describing her work with the Navajo Nation Carmean shows how specific geographical locations contain significant cultural and religious meaning to the Navajo people With historical and contemporary examples Carmean demonstrates that cultural value of the sacred geography can be in direct opposition to the need to modernize including building roads power lines housing and a variety of natural resource extraction activities that can earn much needed money for the tribe She evaluates the dilemma of sustainability common to many traditional societies as well as to the Navajo Nation as they undergo the tremendous cultural changes that accompany industrialization and seek a balance between continuity and change Spider Woman Walks this Land is a useful introduction for undergraduates and an interested general public **American Book Publishing Record** ,1996-05 **The Elementary School Library Collection, Phases 1-2-3** ,2000 **Nature at War** Thomas Robertson,Richard P. Tucker,Nicholas B. Breyfogle,Peter Mansoor,2020-04-02 World War II was the largest and most destructive conflict in human history It was an existential struggle that pitted irreconcilable political systems and ideologies against one another across the globe in a decade of violence unlike any other There is little doubt today that the United States had to engage in the fighting especially after the Japanese attack on Pearl Harbor on December 7 1941 The conflict was in the words of historians Allan Millett and Williamson Murray a war to be won As the world s largest industrial power the United States put forth a supreme effort to produce the weapons munitions and military formations essential to achieving victory When the war finally ended the finale signaled by atomic mushroom clouds over Hiroshima and Nagasaki upwards of 60 million people had perished in the inferno Of course the human toll represented only part of the devastation global environments also suffered greatly The growth and devastation of the Second World War significantly changed American landscapes as well The war created or significantly expanded a number of industries put land to new uses spurred urbanization and left a legacy of pollution that would in time create a new term Superfund site *Myths of the Origin of Fire - An Essay* James George Frazer,2013-04-26 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The Elementary School Library Collection** ,1998 **Indian Myth and Legend** Donald A.
