Preface To A Killing:

Asymmetric Killing Neil C. Renic, 2020 This book examines the moral right to kill in war and the extent to which this right is challenged by the growing capability of certain states to kill with little or no physical risk to their own forces **The Works of Christopher Marlowe: Preface. Introduction. 1st pt. of Tamburlaine. 2d pt. of Tamburlaine. The tragical history of Dr. Faustus** Christopher Marlowe, 1885 **The works of Daniel Defoe...with the author's preface and an introduction by G.H. Maynadier** Daniel De Foe, 1903 **Understanding Parricide** Kathleen M. Heide, 2013

Understanding Parricide is the most comprehensive book available about juvenile and adult sons and daughters who kill their parents Dr Heide moves far behind the statistical correlates of parricide by synthesizing the professional literature on parricide in general matricide patricide double parricides and familicides As a clinician she explains the reasons behind the killings Understanding Parricide includes in depth discussion of issues related to prosecuting and defending parricide offenders The book is enriched with its focus on clinical assessment case studies and follow up of parricide offenders as well as treatment risk assessment and prevention *Murder* Shani D'Cruze, Sandra Walklate, Samantha Pegg, 2013-06-17 This

book uses detailed case studies as a way of exemplifying and exploring more general questions of socio cultural responses to murder and their explanation and also incorporates a valuable historical perspective to this issue It is a seeks accessible account of the subject for people coming to it for the first time **Extreme Killing** James Alan Fox, Jack Levin, Emma E. Fridel, 2023-04-02 Accessibly written yet analytically rich Extreme Killing Understanding Serial and Mass Murder is renowned for its fascinating examination of historical and contemporary serial and mass murder Authors and experts in the field James Alan Fox Jack Levin and Emma Fridel bring their years of research to bear in this fascinating analysis of serial multiple and mass murder They examine the theories of criminal behavior and apply them to a multitude of tragic events that involve hate crimes killings at religious services music festivals and school shootings This Fifth Edition is filled with contemporary and classic case studies and has been updated to include coverage of controversial issues such as gun control and mental illness the role of high powered weapons in mass shootings and the distinction between serial and mass murder

Who Killed Che? Michael Ratner, Michael Steven Smith, 2011 In compelling detail two leading U S civil rights attorneys recount the extraordinary life and deliberate killing of the world s most storied revolutionary Ernesto Che Guevara

Killing the Indian Maiden M. Marubbio, 2006-12-15 Killing the Indian Maiden examines the fascinating and often disturbing portrayal of Native American women in film M Elise Marubbio examines the sacrificial role in which a young Native woman allies herself with a white male hero and dies as a result of that choice In studying thirty four Hollywood films from the silent period to the present she draws upon theories of colonization gender race and film studies to ground her analysis in broader historical and sociopolitical context and to help answer the question What does it mean to be an American The book reveals a cultural iconography embedded in the American psyche As such the Native American woman is a

racialized and sexualized other A conquerable body she represents both the seductions and the dangers of the American frontier and the Manifest Destiny of the American nation to master it *Towards a Global Femicide Index* Sandra Walklate, Kate Fitz-Gibbon, Jude McCulloch, Jane Maree Maher, 2019-12-16 Increasingly there is global attention on the prevalence of women's deaths resulting from intimate partner violence Campaigns such as Counting Dead Women in Australia the Femicide Census in England the Canadian Femicide Observatory and the emergence of family violence death review teams globally build on the work of agencies such as the United Nations and the World Health Organisation highlighting the fatal consequences of intimate partner violence for women around the world This book considers the need for and the steps to be taken towards creating a meaningful framework for a global index of women's deaths from intimate partner violence While there are global indices for deaths that relate to public violence such as terrorism there is to date no systematic global count of killings of women by their intimate partners It considers the possibilities and challenges that arise in counting intimate femicide It argues that such an exercise needs to avoid narrow empiricism and instead be part of a broader feminist political project aimed at ending violence against women This work will be of great interest to students and scholars of criminology sociology law policing and politics **Death Row at Truro** Geoff Plunkett, 2022-08-03 Innocent young women a sadistic serial killing duo and the true story as revealed by the lead detective Australia's most prolific serial sexual killers met in prison They were a complete contrast Christopher Worrell the charismatic psychopathic youngster and James Miller the older and socially awkward loner For Miller it was love at first sight They developed an ominous sexual bond proving that opposites can attract and then kill Once free the inseparable tag team slayed as many people as notorious Australian serial killer Ivan Milat Whereas Milat took a year to murder seven victims the duo achieved the same in seven short weeks the last four killed in only six days The frenzied carnage only stopped when Worrell died in a car accident So ended the life of Australia's own BTK Like America's Dennis Radar Worrell bound tortured and killed because he could Revealed for the first time is the full account of the victims the serial killers and the lead detective a relentless investigator who broke the silence of the surviving murderer the only person who knew the full truth But was Miller's truth the whole truth and nothing but the truth **To Kill a Text** Ilinca Sarifopol-Johnston, 1995 Ilinca Zarifopol Johnston's book traces the covert manifestations of Hugo's romantic notion of the novel through later French and English realism arguing that the anachronistic traces of past literary periods are always at work defining the aims of the present no matter how radical a new departure it seems or tries to be Preface. General introduction. Introduction to Robinson Crusoe. Author's preface. Against Napoleon Tim Clayton, 2019-03-05 Between two assassination attempts in 1800 and 1804 on Napoleon Bonaparte the British government launched a propaganda campaign of unprecedented scope and intensity to persuade George III's reluctant subjects to fight the Napoleonic War a war to the death against one man the Corsican usurper and tyrant The Secret War Against Napoleon tells the story of the British government's determination to destroy the French Emperor by any means possible We have been taught to think of Napoleon as the aggressor a man with an unquenchable thirst for war and glory but what if this story masked the real truth that the British refusal to make peace either with revolutionary France or with the man who claimed to personify the revolution was the reason this epic conflict continued for more than twenty years At this pivotal moment when it wanted to consolidate its place as the premier world power Britain was uncompromising This dynamic historical narrative plunges the reader into the hidden underworld of Georgian politics where faced with the terrifying prospect of revolution the British government used bribery and coercion in an effort to kill the French leader

Who Killed Betty Gail Brown? Robert G. Lawson, 2017-11-24 On October 26 1961 after an evening of studying with friends on the campus of Transylvania University nineteen year old student Betty Gail Brown got into her car around midnight presumably headed for home But she would never arrive Three hours later Brown was found dead in a driveway near the center of campus strangled to death with her own brassiere Kentuckians from across the state became engrossed in the proceedings as lead after lead went nowhere Four years later the police investigation completely stalled In 1965 a drifter named Alex Arnold Jr confessed to the killing while in jail on other charges in Oregon Arnold was brought to Lexington indicted for the murder of Betty Gail Brown and put on trial where he entered a plea of not guilty Robert G Lawson was a young attorney at a local firm when a senior member asked him to help defend Arnold and he offers a meticulous record of the case in Who Killed Betty Gail Brown During the trial the courtroom was packed daily but witnesses failed to produce any concrete evidence Arnold was an alcoholic whose memory was unreliable and his confused inconsistent answers to questions about the night of the homicide did not add up Since the trial new leads have come and gone but Betty Gail Brown's murder remains unsolved A written transcript of the court proceedings does not exist and thus Lawson drawing upon police and court records newspaper articles personal files and his own notes provides an invaluable record of one of Kentucky's most famous cold cases

The Killing of Chief Crazy Horse Robert A. Clark, 2018-08 The Killing of Chief Crazy Horse is a story of envy greed and treachery In the year after the Battle of the Little Big Horn the great Oglala Sioux chief Crazy Horse and his half starved followers finally surrendered to the U S Army near Camp Robinson Nebraska Chiefs who had already surrendered resented the favors he received in doing so When the army asked for his help rounding up the the Nez Perc s Crazy Horse s reply was

allegedly mistranslated by Frank Grouard a scout for General George Crook By August rumors had spread that Crazy Horse was planning another uprising Tension continued to mount and Crazy Horse was arrested at Fort Robinson on September 5 During a scuffle Crazy Horse was fatally wounded by a bayonet in front of several witnesses Here the killing of Crazy Horse is viewed from three widely differing perspectives that of Chief He Dog the victim's friend and lifelong companion that of William Garnett the guide and interpreter for Lieutenant William P Clark on special assignment to General Crook and that of Valentine McGillycuddy the medical officer who attended Crazy Horse in his last hours Their eyewitness accounts edited and introduced by Robert A Clark combine to give *The Killing of Chief Crazy Horse* all the starkness and horror of classical tragedy *Beyond the Killing Fields* Usha Welaratna, 1994-10-01 In 1975 after years of civil war Cambodians welcomed the Khmer Rouge Once in power the regime closed Cambodia to the outside world Four years later when the Vietnamese invaded Cambodia and defeated the Khmer Rouge the world learned how the Khmer Rouge had turned the country into killing fields After the Vietnamese takeover thousands of Cambodians fled their homeland This book presents the Cambodian refugee experience through nine first person narratives of men women and children who survived the holocaust and have begun new lives in America *Homicide* Martin Daly, Margo Wilson, 2017-07-12 The human race spends a disproportionate amount of attention money and expertise in solving trying and reporting homicides as compared to other social problems The public avidly consumes accounts of real life homicide cases and murder fiction is more popular still Nevertheless we have only the most rudimentary scientific understanding of who is likely to kill whom and why Martin Daly and Margo Wilson apply contemporary evolutionary theory to analysis of human motives and perceptions of self interest considering where and why individual interests conflict using well documented murder cases This book attempts to understand normal social motives in murder as products of the process of evolution by natural selection They note that the implications for psychology are many and profound touching on such matters as parental affection and rejection sibling rivalry sex differences in interests and inclinations social comparison and achievement motives our sense of justice lifespan developmental changes in attitudes and the phenomenology of the self This is the first volume of its kind to analyze homicides in the light of a theory of interpersonal conflict Before this study no one had compared an observed distribution of victim killer relationships to expected distribution nor asked about the patterns of killer victim age disparities in familial killings This evolutionary psychological approach affords a deeper view and understanding of homicidal violence
