## **Prehistoric Cannibalism At Mancos 5MTUMR 2346:**

Prehistoric Cannibalism at Mancos 5MTUMR-2346 Tim D. White, 2014-07-14 Cannibalism is one of the oldest and most emotionally charged topics in anthropological literature Tim White's analysis of human bones from an Anasazi pueblo in southwestern Colorado site 5MTUMR 2346 reveals that nearly thirty men women and children were butchered and cooked there around A D 1100 Their bones were fractured for marrow and the remains discarded in several rooms of the pueblo By comparing the human skeletal remains with those of animals used for food at other sites the author analyzes evidence for skinning dismembering cooking and fracturing to infer that cannibalism took place at Mancos As White evaluates claims for cannibalism in ethnographic and archaeological contexts worldwide he describes how cultural biases can often distort the interpretation of scientific data This book applies and introduces anatomical taphonomic zooarchaeological and forensic methods in the investigation of prehistoric human behavior It is an important example of how we can exchange opinion for knowledge Cannibalism is a controversial topic because many people do not want to believe that their prehistoric ancestors engaged in such activity but they will be hard put to reject this meticulous study Kent V Flannery University of Michigan This is the best piece of detailed research yet to appear that seeks to put in place a body of justified knowledge and a procedure for its use in making inferences about the past No student of bones can ignore this work Lewis R Binford University of New Mexico This could be one of the most important books in archaeology written in the last decade James F O Connell University of Utah Paleontologists and zooarchaeologists archaeologists and physical anthropologists taphonomists and forensic scientists should all read this work Quite frankly I think this will become one of the most important books of the 1990s R Lee Lyman University of Missouri Columbia Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **An**

**Archaeology of Desperation** Kelly J. Dixon, 2014-10-20 The Donner Party is almost inextricably linked with cannibalism In truth we know remarkably little about what actually happened to the starving travelers stranded in the Sierra Nevada in the winter of 1846-47 Combining the approaches of history ethnohistory archaeology bioarchaeology and social anthropology this innovative look at the Donner Party's experience at the Alder Creek Camp offers insights into many long unsolved mysteries Centered on archaeological investigations in the summers of 2003 and 2004 near Truckee California the book includes detailed analyses of artifacts and bones that suggest what life was like in this survival camp Microscopic investigations of tiny bone fragments reveal butchery scars and microstructure that illuminate what the Donner families may have eaten before the final days of desperation how they prepared what served as food and whether they actually butchered and ate

their deceased companions The contributors reassess old data with new analytic techniques and by examining both physical evidence and oral testimony from observers and survivors add new dimensions to the historical narrative The authors integration of a variety of approaches including narratives of the Washoe Indians who observed the Donner Party destroys some myths deconstructs much of the folklore about the stranded party and demonstrates that novel approaches can shed new light on events we thought we understood

**Ancient Southwestern Mortuary Practices** James T. Watson, Gordon F. M. Rakita, 2020-08-03 Ancient Southwestern Mortuary Practices chronicles the modal patterns diversity and change of ancient mortuary practices from across the US Southwest and northwest Mexico over four thousand years of Prehispanic occupation The volume summarizes new methodological approaches and theoretical issues concerning the meaning and importance of burial practices to different peoples at different times throughout the ancient Greater Southwest Chapters focus on normative mortuary patterns the range of variability of mortuary patterns how the contexts of burials reflect temporal shifts in ideology and the ways in which mortuary rituals behaviors and funerary treatments fulfill specific societal needs and reflect societal beliefs Contributors analyze extensive datasets archived and accessible on the Digital Archaeological Record tDAR from various subregions structurally standardized and integrated with respect to biological and cultural data Ancient Southwestern Mortuary Practices together with the full datasets preserved in tDAR is a rich resource for comparative research on mortuary ritual for indigenous descendant groups cultural resource managers and archaeologists and bioarchaeologists in the Greater Southwest and other regions Contributors Nancy J Akins Jessica I Cerezo Rom n Mona C Charles Patricia A Gilman Lynne Goldstein Alison K Livesay Dawn Mulhern Ann Stodder M Scott Thompson Sharon Wester Catrina Banks Whitley

**Massacres** Cheryl P. Anderson, Debra L. Martin, 2018-11-05 The goal of this edited volume is to present case studies that integrate the evidence from human remains with the broader cultural and historical context through the utilization of social theory to provide a framework for interpretation This volume highlights case studies of massacres across time and space that stress innovative theoretical models that help make sense of this unique form of violence The primary focus will be on how massacres are used as a strategy of violence across time and cultural geopolitical landscapes

*The Bioarchaeology of Violence* Debra L. Martin, Ryan P. Harrod, 2012-08-05 Human violence is an inescapable aspect of our society and culture As the archaeological record clearly shows this has always been true What is its origin What role does it play in shaping our behavior How do ritual acts and cultural sanctions make violence acceptable These and other questions are addressed by the contributors to *The Bioarchaeology of Violence* Organized thematically the volume opens by laying the groundwork for new theoretical approaches that move beyond interpretation it then examines case studies from small scale conflict to warfare to ritualized violence Experts on a wide range of ancient societies highlight the meaning and motivation of past uses of violence revealing how violence often plays an important role in maintaining and suppressing the challenges to the status quo and how it is frequently a performance meant to be witnessed by others The

interesting and nuanced insights offered in this volume explore both the costs and the benefits of violence throughout human prehistory

**Archaeology of Food: An Encyclopedia** Karen Bescherer Metheny, Mary C. Beaudry, 2015-08-07 What are the origins of agriculture In what ways have technological advances related to food affected human development How have food and foodways been used to create identity communicate meaning and organize society In this highly readable illustrated volume archaeologists and other scholars from across the globe explore these questions and more The Archaeology of Food offers more than 250 entries spanning geographic and temporal contexts and features recent discoveries alongside the results of decades of research The contributors provide overviews of current knowledge and theoretical perspectives raise key questions and delve into myriad scientific archaeological and material analyses to add depth to our understanding of food The encyclopedia serves as a reference for scholars and students in archaeology food studies and related disciplines as well as fascinating reading for culinary historians food writers and food and archaeology enthusiasts

**War, Peace, and Human Nature** Douglas P. Fry, 2015-02 The chapters in this book posit that humans clearly have the capacity to make war but since war is absent in some cultures it cannot be viewed as a human universal And counter to frequent presumption the actual archaeological record reveals the recent emergence of war It does not typify the ancestral type of human society the nomadic forager band and contrary to widespread assumptions there is little support for the idea that war is ancient or an evolved adaptation Views of human nature as inherently warlike stem not from the facts but from cultural views embedded in Western thinking Amazon com

*Troubled Times* David W. Frayer, Debra L. Martin, 2014-05-01 Evidence amassed in *Troubled Times* indicates that much like in the modern world violence was not an uncommon aspect of prehistoric dispute resolution From the civilizations of the American Southwest to the Mesolithic of Central Europe the contributors examine violence in hunter gatherer as well as state societies from both the New and Old Worlds Drawing upon cross cultural analyses archaeological data and skeletal remains this collection of papers offers evidence of domestic violence homicide warfare cannibalism and ritualized combat among ancient peoples Beyond the physical evidence various models and explanations for violence in the past are explored

*Becoming Villagers* Matthew S. Bandy, Jake R. Fox, 2010-12-15 Outgrowth of a symposium at the 2006 Society for American Archaeology meetings in San Juan and of a seminar at the Amerind Foundation Cf pref

*People of the Silence* Kathleen O'Neal Gear, W. Michael Gear, 1997-09-15 In A D 1150 the Great Sun Chief of the Anasazi people learns that his wife has given birth to the child of another man and now that daughter Cornsilk with the help of a young man named Poor Singer must flee the wrath of the Great Sun Chief

*War Before Civilization* Lawrence H. Keeley, 1997-12-18 The myth of the peace loving noble savage is persistent and pernicious Indeed for the last fifty years most popular and scholarly works have agreed that prehistoric warfare was rare harmless unimportant and like smallpox a disease of civilized societies alone Prehistoric warfare according to this view was little more than a ritualized game where casualties were limited and the effects of aggression relatively mild Lawrence Keeley s

groundbreaking *War Before Civilization* offers a devastating rebuttal to such comfortable myths and debunks the notion that warfare was introduced to primitive societies through contact with civilization an idea he denounces as the pacification of the past Building on much fascinating archeological and historical research and offering an astute comparison of warfare in civilized and prehistoric societies from modern European states to the Plains Indians of North America *War Before Civilization* convincingly demonstrates that prehistoric warfare was in fact more deadly more frequent and more ruthless than modern war To support this point Keeley provides a wide ranging look at warfare and brutality in the prehistoric world He reveals for instance that prehistorical tactics favoring raids and ambushes as opposed to formal battles often yielded a high death rate that adult males falling into the hands of their enemies were almost universally killed and that surprise raids seldom spared even women and children Keeley cites evidence of ancient massacres in many areas of the world including the discovery in South Dakota of a prehistoric mass grave containing the remains of over 500 scalped and mutilated men women and children a slaughter that took place a century and a half before the arrival of Columbus In addition Keeley surveys the prevalence of looting destruction and trophy taking in all kinds of warfare and again finds little moral distinction between ancient warriors and civilized armies Finally and perhaps most controversially he examines the evidence of cannibalism among some preliterate peoples Keeley is a seasoned writer and his book is packed with vivid eye opening details for instance that the homicide rate of prehistoric Illinois villagers may have exceeded that of the modern United States by some 70 times But he also goes beyond grisly facts to address the larger moral and philosophical issues raised by his work What are the causes of war Are human beings inherently violent How can we ensure peace in our own time Challenging some of our most dearly held beliefs Keeley's conclusions are bound to stir controversy

*Hawaii's Past in a World of Pacific Islands*  
James M. Bayman, Thomas S. Dye, 2013-03-12 Given its relatively late encounter with the West Hawaii offers an exciting opportunity to study a society whose traditional lifeways and technologies were recorded in native oral traditions and written documents before they were changed by contact with non Polynesian cultures This book in the SAA Press Current Perspectives Series chronicles the role of archaeology in constructing a narrative of Hawaii's cultural past focusing on material evidence dating from the Polynesians first arrival on Hawaii's shores about a millennium ago to the early decades of settlement by Americans and Europeans in the nineteenth century A final chapter discusses new directions taken by native Hawaiians toward changing the practice of archaeology in the islands today

*Chimney Rock* J. McKim Malville, 2004-01-01 This volume sheds new light on the geography and the history of the Chimney Rock Archaeological Area in southwestern Colorado Home until the mid twelfth century to the ancestral Pueblo peoples the Chaco Canyon and Chimney Rock area holds a wealth of information for present day archaeologists to uncover The contributors suggest varied pre historical uses for the towering double spires of Chimney Rock as a logging camp military garrison home of Chacoan priests astronomical observatory and or ceremonial pilgrimage center Chimney Rock The Ultimate Outlier is a model of multi faceted inquiry into

a physically intriguing and certainly symbol laden ancient North American residential site      **People of the Moon W.** Michael Gear, Kathleen O'Neal Gear, 2006-10-31 A tale inspired by the Native American builders of the famous Chimney Rock finds reluctant young Ripple dispatched by the goddess of winter on a perilous quest to destroy the hated Chacoan conquerors of the First Moon People      **The Archaeology of Grotta Scaloria** Ernestine S. Elster, Eugenia Isetti, John Robb, Antonella Traverso, 2016-12-31 Grotta Scaloria a cave in Apulia was first discovered and explored in 1931 excavated briefly in 1967 and then excavated extensively from 1978 to 1980 by a joint UCLA University of Genoa team but it was never fully published The Save Scaloria Project was organized to locate this legacy data and to enhance that information by application of the newest methods of archaeological and scientific analysis This significant site is finally published in one comprehensive volume and in an online archive of additional data and photographs that gathers together the archaeological data from the upper and lower chambers of the cave These data indicate intense ritual and quotidian use during the Neolithic period circa 5600 5300 BCE The Grotta Scaloria project is also important as historiography since it illustrates a changing trajectory of research spanning three generations of European and American archaeology      *Tribal and Chiefly Warfare in South America* Elsa M. Redmond, 1994-01-01 This book presents new data on warfare from both ethnohistoric and ethnographic sources The author documents principal differences between tribal and chiefly warfare outlines the evidence archaeologists can expect to recover from warfare and formulates testable hypotheses on the role of warfare in social and political evolution This monograph is part of a series on Latin American Ethnohistory and Archaeology      **Wielding Words like Weapons** Ward Churchill, 2017-04-15 Wielding Words like Weapons is a collection of acclaimed American Indian Movement activist intellectual Ward Churchill's essays in indigenism selected from material written during the decade 1995 2005 It includes a range of formats from sharply framed book reviews and equally pointed polemics and op eds to more formal essays designed to reach both scholarly and popular audiences The selection also represents the broad range of topics addressed in Churchill's scholarship including the fallacies of archeological and anthropological orthodoxy such as the insistence of cannibalists that American Indians were traditionally man-eaters Hollywood's cinematic degradations of native people questions of American Indian identity the historical and ongoing genocide of North America's native peoples and the systematic distortion of the political and legal history of U S Indian relations Less typical of Churchill's oeuvre are the essays commemorating Cherokee anthropologist Robert K Thomas and Yankton Sioux legal scholar and theologian Vine Deloria Jr More unusual still is his profoundly personal effort to come to grips with the life and death of his late wife Leah Renae Kelly thereby illuminating in very human terms the grim and lasting effects of Canada's residential schools upon the country's indigenous peoples A foreword by Seneca historian Barbara Alice Mann describes the sustained efforts by police and intelligence agencies as well as university administrators and other academic adversaries to discredit or otherwise neutralize both the man and his work Also included are both the initial stream of consciousness version of Churchill's famous or

notorious little Eichmann's opinion piece analyzing the causes of the attacks on 9/11 as well as the counterpart essay in which his argument was fully developed

**Mimesis and Science** Scott R. Garrels, 2011-10-31 This exciting compendium brings together for the first time some of the foremost scholars of René Girard's mimetic theory with leading imitation researchers from the cognitive developmental and neurosciences. These chapters explore some of the major discoveries and developments concerning the foundational yet previously overlooked role of imitation in human life, revealing the unique theoretical links that can now be made from the neural basis of social interaction to the structure and evolution of human culture and religion. Together, mimetic scholars and imitation researchers are on the cutting edge of some of the most important breakthroughs in understanding the distinctive human capacity for both incredible acts of empathy and compassion as well as mass antipathy and violence. As a result, this interdisciplinary volume promises to help shed light on some of the most pressing and complex questions of our contemporary world.

**Bioarchaeology** Mark Q. Sutton, Eric J. Bartelink, 2025-05-21 Bioarchaeology covers the history and general theory of the field plus the recovery and laboratory treatment of human remains. Bioarchaeology is the study of human remains in context from an archaeological and anthropological perspective. The book explores through numerous case studies how the ways a society deals with their dead can reveal a great deal about that society, including its religious, political, economic, and social organizations. It details recovery methods and how once recovered human remains can be analyzed to reveal details about the funerary system of the subject society and inform on a variety of other issues such as health, demography, disease, workloads, mobility, sex, and gender, and migration. Finally, the book highlights how bioarchaeological techniques can be used in contemporary forensic settings and in investigations of genocide and war crimes. In Bioarchaeology, theories, principles, and scientific techniques are laid out in a clear, understandable way, and students of archaeology at undergraduate and graduate levels will find this an excellent guide to the field.

**The Cannibal Within** Lewis F. Petrinovich, *The Cannibal Within* offers an evolutionary account of the propensity of human beings in extreme circumstances to eat other human beings despite the strong Western taboo against such practices. What sets this volume apart from the large body of literature on cannibalism, both popular and anthropological, is the underlying premise: cannibalism as an alternative to starvation is tacitly condoned by the same biological morality that would condemn cannibalism of other sorts in non-threatening situations. Deep as the taboos may be, the survival instinct runs even deeper. The title of the book reflects the author's belief that cannibalism is not a pathology that erupts in psychotic individuals but is a universal adaptive strategy that is evolutionarily sound. The cannibal is within all of us, and cannibals are within all cultures should the circumstances demand cannibalism's appearance and usage. Petrinovich's work is rich in historical detail and rises to a level of theoretical sophistication in addressing a subject too often dealt with in sensationalist terms. The major instances in which survival cannibalism has occurred convinced the author that there is a consistent pattern and a uniform regularity of order in which different kinds of individuals are consumed. In considering who eats whom when

and under what circumstances this regularity appears and it is consistent with what would be expected on the basis of evolutionary or Darwinian theory In short he concludes that starvation cannibalism is not a manifestation of the chaotic psychotic behavior of individuals who are driven to madness but reveals underlying characteristics of evolved human beings Lewis Petrinovich is professor emeritus in the Department of Psychology of the University of California Riverside and is currently a resident of Berkeley California

This book delves into Prehistoric Cannibalism At Mancos 5mtumr 2346. Prehistoric Cannibalism At Mancos 5mtumr 2346 is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Prehistoric Cannibalism At Mancos 5mtumr 2346, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
    - Chapter 1: Introduction to Prehistoric Cannibalism At Mancos 5mtumr 2346
    - Chapter 2: Essential Elements of Prehistoric Cannibalism At Mancos 5mtumr 2346
    - Chapter 3: Prehistoric Cannibalism At Mancos 5mtumr 2346 in Everyday Life
    - Chapter 4: Prehistoric Cannibalism At Mancos 5mtumr 2346 in Specific Contexts
    - Chapter 5: Conclusion
  2. In chapter 1, this book will provide an overview of Prehistoric Cannibalism At Mancos 5mtumr 2346. This chapter will explore what Prehistoric Cannibalism At Mancos 5mtumr 2346 is, why Prehistoric Cannibalism At Mancos 5mtumr 2346 is vital, and how to effectively learn about Prehistoric Cannibalism At Mancos 5mtumr 2346.
  3. In chapter 2, this book will delve into the foundational concepts of Prehistoric Cannibalism At Mancos 5mtumr 2346. The second chapter will elucidate the essential principles that need to be understood to grasp Prehistoric Cannibalism At Mancos 5mtumr 2346 in its entirety.
  4. In chapter 3, this book will examine the practical applications of Prehistoric Cannibalism At Mancos 5mtumr 2346 in daily life. The third chapter will showcase real-world examples of how Prehistoric Cannibalism At Mancos 5mtumr 2346 can be effectively utilized in everyday scenarios.
  5. In chapter 4, this book will scrutinize the relevance of Prehistoric Cannibalism At Mancos 5mtumr 2346 in specific contexts. This chapter will explore how Prehistoric Cannibalism At Mancos 5mtumr 2346 is applied in specialized fields, such as education, business, and technology.
  6. In chapter 5, this book will draw a conclusion about Prehistoric Cannibalism At Mancos 5mtumr 2346. This chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Prehistoric Cannibalism At Mancos 5mtumr 2346.

## **Table of Contents Prehistoric Cannibalism At Mancos 5mtumr 2346**

### **Prehistoric Cannibalism At Mancos 5mtumr 2346 Introduction**

Prehistoric Cannibalism At Mancos 5mtumr 2346 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Prehistoric Cannibalism At Mancos 5mtumr 2346 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Prehistoric Cannibalism At Mancos 5mtumr 2346 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to

copyright issues, its a popular resource for finding various publications. Internet Archive for Prehistoric Cannibalism At Mancos 5mtumr 2346 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Prehistoric Cannibalism At Mancos 5mtumr 2346 Offers a diverse range of free eBooks across various genres. Prehistoric Cannibalism At Mancos 5mtumr 2346 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Prehistoric Cannibalism At Mancos 5mtumr 2346 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Prehistoric Cannibalism At Mancos 5mtumr 2346, especially related to Prehistoric Cannibalism At Mancos 5mtumr 2346, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Prehistoric Cannibalism At Mancos 5mtumr 2346, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Prehistoric Cannibalism At Mancos 5mtumr 2346 books or magazines might include. Look for these in online stores or libraries. Remember that while Prehistoric Cannibalism At Mancos 5mtumr 2346, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Prehistoric Cannibalism At Mancos 5mtumr 2346 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Prehistoric Cannibalism At Mancos 5mtumr 2346 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Prehistoric Cannibalism At Mancos 5mtumr 2346 eBooks, including some popular titles.

### **FAQs About Prehistoric Cannibalism At Mancos 5mtumr 2346 Books**

**What is a Prehistoric Cannibalism At Mancos 5mtumr 2346 PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Prehistoric Cannibalism At Mancos 5mtumr 2346 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that

can convert different file types to PDF. **How do I edit a Prehistoric Cannibalism At Mancos 5mtumr 2346 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Prehistoric Cannibalism At Mancos 5mtumr 2346 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Prehistoric Cannibalism At Mancos 5mtumr 2346 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
