The Texas Panhandle Frontier Frederick W. Rathien, 1998 The Texas Panhandle its eastern edge descending sharply from the plains into the canyons of Palo Duro Tule Quitague Casa Blanca and Yellow House is as rich in history as it is in natural beauty Long considered a crossroads of ancient civilizations the twenty six northernmost Texas counties lie on the southern reaches of the Great Plains w An Overview of the Prehistory of Western and Central North Dakota Dale The Prehistory of Missouri Michael John O'Brien, W. Wesson, 2009-08-06 Those unfamiliar with the prehistory of North America have a general perception of the cultures of the continent that includes Native Americans living in tipis wearing feathered headdresses and buckskin clothing and following migratory bison herds on the Great Plains Although these practices were part of some Native American societies they do not adequately represent the diversity of cultural practices by the overwhelming majority of Native American peoples Media misrepresentations shaped by television and movies along with a focus on select regions and periods in the history of the United States have produced an extremely distorted view of the indigenous inhabitants of the

continent and their cultures The indigenous populations of North America created impressive societies engaged in trade and had varied economic social and religious cultures Over the past century archaeological and ethnological research throughout all regions of North America has revealed much about the indigenous peoples of the continent This book examines the long and complex history of human occupation in North America covering its distinct culture as well as areas of the Arctic California Eastern Woodlands Great Basin Great Plains Northwest Coast Plateau Southwest and Subarctic Complete with maps a chronology that spans the history from 11 000 B C to A D 1850 an introductory essay more than 700 dictionary entries and a comprehensive bibliography this reference is a valuable tool for scholars and students An appendix of museums that have North American collections and a listing of archaeological sites that allow tours by the public also make this an accessible guide to the interested lay reader and high school student Timeless Heritage ,1988 **American Indian** *NUREG/CR.* U.S. Nuclear Regulatory Commission,1979 Denver Sarah M.
