Let the Communion Commence Kevin Dean Smith, 2021-05-13 Let the Communion Commence Lighthearted Reflections on the Heart of God for Humanity is a humble effort by a long time Christian public educator and traveler to use his somewhat unique style and experiences to communicate to his graduating students and to anyone else who might come along for the read the wonders of a life consuming relationship with God Much of the content is also inspired by reflections on the sacrament of Communion and thus the book may be of interest to a broader audience than just to graduates embarking on the next stage of life Part one of the book seeks to introduce the Christian faith to those who may be unfamiliar with the Gospel message that the Author and Creator of the Universe seeks communion or a personal relationship with anyone willing to embrace the death resurrection and Lordship of Jesus Christ in order to receive salvation from the consequences of disobedience to God Part two encourages lifelong enrollment in the class of learning to be like Jesus Christ in preparation for becoming citizens of and for introducing others into the Kingdom of God Finally part three of Let the Communion Commence reflects on the ultimate commencement the beginning of never ending life in the presence of our Creator Class is about to begin Please join me
