Private Sessions:

PRIVATE SESSIONS Joseph C. Reyes, 2017-06-01 PRIVATE SESSIONS and The Sweaty Sexy Stories Behind The Sprawling Walls of The World's Most Luxurious Gym is an unlikely tome about a hapless crew of Personal Trainers that work at The Metropolitan Grand Health Club. The largest most luxurious gym in the world, The Grand, as it's affectionally known to its members and staff, is the eminent Mega Gym. Still standing barely surviving the economic crisis of 2008. Located in New York City, this 50 million dollar 100 000 square foot sweat Mecca offers everything to induce heavy breathing. Its members are a microcosm of characters from all over the city. Intermingling on a daily basis, creating some interesting fodder for gossip and tabloids. Worlds collide when famous celebrities, sleazy execs and underworld figures intertwine with poor little rich girls, old wealthy eccentrics and aging swinging singles. On the surface, the eclectic team of trainers seem moronic, superficial, even immature. But beneath it all, they're even more moronic. Be that as it may, they're people just like us. Living with the repercussions of the second worst recession in history. A time when millions of people lost their jobs, their homes and their dignity. They live with undiagnosed mental health issues in denial of any symptoms of personality disorders. Whilst stoking the flames of their misogynistic tendencies, reaffirming the toxic masculine environment, gyms are notoriously known for Private Sessions, bares the realities of prescription pill abuse and the trafficking of performance enhancing drugs, making readers cringe as the subjects come to life before your very eyes. Nevertheless, this merry band of dysfunctional Fitness Professionals work hard, play harder, living for the nightlife, Reaching Rockstar like status in the community, low key hustling, trying to make ends meet, Building their bodies, their businesses and reputation. Aspiring to be like their wealthy clientele. All while trying to fend off a hostile corporate takeover from Fit Corp. A multi billion dollar gym conglomerate attempting to undermine The Grand's ability to prosper. **WARNING: THIS BOOK CONTAINS ADULT SITUATIONS NOT SUITABLE FOR YOUNG READERS**

Private Sessions Tape 1: Kyron Santos Kyron Santos, 2017-08-11 Thug Shorts to be read in this order: The Letter by Trae Macklin, The Response by Tasha Macklin, Shit Just Got Real by Tasha Macklin, Fifty Shades of Trae by Charli Li, It's That Serious by Tasha Macklin, Private Sessions Tape One by Kyron Santos. Kyron Santos, Kaylin's older brother, was used by Tasha Macklin to get back at Trae for his infidelities, a relationship that ultimately ended in pregnancy, murder, broken relationships and mistrust. No one knew about the court ordered sessions that Kyron was forced to attend. At least not until Mari, his woman, who stuck by him throughout the majority of his prison bid, dropped the recordings off to Trae Macklin. Tasha's husband, Mari, never got closure over Kyron's death. She couldn't understand why Kaylin wasn't more distraught than he was over his brother's death. Her anger built over Tasha using Kyron, and now seeing Tasha was happily reunited with her husband, it was about to explode. She had it all. But that was soon to come to an end. Her happily ever after would be short lived. Mari had in her possession transcripts of taped sessions of Kyron and the psychologist unbeknownst to Kyron, which would shed light on Tasha's relationship with Kyron, and with an anaconda smile, she places those transcripts

International Negotiation Evangelos Raftopoulos, 2019-01-03

Evangelos Raftopoulos explores international negotiation as a structured process of relational governance that generates international common interest between and among international participants and in relation to the international public order. He challenges prescriptive models of negotiation developed in international relations and positivistic approaches to international law which artificially separate treaties from negotiation in the name of objectivity and opens a window for looking at international negotiations from a novel international law perspective. Using an interdisciplinary approach that incorporates law, philosophy, politics, and linguistics, he proposes a holistic theoretical model of multilateral international negotiation that not only offers a subjective view of international law in practice but also demonstrates the importance of understanding the horizontal normativity of international ordering. This work should be read by academics and practitioners of international law and negotiations, officials of international organizations, and anyone else interested in international law and international relations.
