Real Life Entertaining:

Entertainment Values Stephen Harrington, 2017-08-14 This collection brings together the work of a range of scholars from around the world with different perspectives on one simple question How can we assess the value of various entertainment products and forms Entertainment is everywhere The industries that produce it earn billions of dollars each year and employ hundreds of thousands of people Its pervasiveness means almost everyone has something to say about entertainment too whether it be our opinion on the latest Hollywood blockbuster a new celebrity couple or our concerns over its place in the world of politics And yet in spite of its significance entertainment has too often been dismissed with surprising ease within the academy as a mindless lowbrow even dangerous form of culture and therefore unworthy of serious appraisal let alone praise Entertainment Values challenges this assumption offering a better understanding of what entertainment is why we should take it seriously as well as helping us to appreciate the significant and complex impact it has on our culture

Media Entertainment Dolf Zillmann, Peter Vorderer, 2000-05 This collection of essays covers all essential aspects of media entertainment written in a non technical style for appeal to scholars in communication and psychology as well as to students at mid to advanced levels of study

Shocking Entertainment Annette Hill, 1997 This exploration of violence in films questions why adults are often entertained by films that social and cultural consensus considers extreme and brutal Hill argues that understanding the process of viewing violence is one way to open up the current debate concerning the effects of violence to include objective and broad minded responses to this phenomenon

Entertainment and Society Shay Sayre, Cynthia King, 2010-04-05 Providing an overview of the entertainment industry this study includes entertainment economics theories of entertainment entertainment research covers different types of entertainment including media sports gaming theme entertainment travel tourism live performance

Entertainment Weekly The Ultimate Guide to The Big Bang Theory The Editors of Entertainment Weekly, 2019-05-03 Entertainment Weekly Magazine presents The Ultimate Guide to The Big Bang Theory

The ^AOxford Handbook of Entertainment Theory Peter Vorderer, Christoph Klimmt, 2021-02-12 This Handbook provides an overview of psychology based research on media entertainment that investigates how media users are drawn into and affected by entertaining media experiences The 41 chapters introduce field defining and emerging theories and demonstrate their application to old and new media and a wide range of media contents

Communication, Entertainment, and Messages of Social Justice Richard West, Christina S. Beck, 2025-04-29 This edited collection explores the contemporary interplay among three pivotal areas found in cultures around the world communication entertainment and messages of social justice Each chapter centralizes communication as instrumental in creating mediated messages pertaining to social justice usually resulting in a more educated audience Using an accessible writing style the contributors investigate both classic and contemporary social media television film stage radio and podcast productions by employing both qualitative and quantitative methods Furthermore through case studies on topics including

transphobia indigenous comedy and drag performance this book assesses key issues and themes portrayed in contemporary entertainment education It provides a foundational framework for analysis by utilizing a broad range of theoretical models to explore representations of race class gender advocacy and pedagogy among others as well as their communication implications This book will be of interest to scholars and students in the fields of Communication Studies Popular Culture Studies Media Studies Theatre Studies Social Justice Studies Sociology and Psychology Entertainment Computing - ICEC 2017 Nagisa Munekata, Itsuki Kunita, Junichi Hoshino, 2017-08-23 This book constitutes the refereed proceedings of the 16th International Conference on Entertainment Computing ICEC 2017 held in Tsukuba City Japan in September 2017 The 16 full papers 13 short papers and 2 posters presented were carefully reviewed and selected from 46 submissions From entertainment to citizenship John Street, Sanna Inthorn, Martin Scott, 2015-11-01 From entertainment to citizenship reveals how the young use shows like X factor to comment on how power ought to be used and how they respond to those pop stars like Bono and Bob Geldof who claim to represent them It explores how young people connect the pleasures of popular culture to the world at large For them popular culture is not simply a matter of escapism and entertainment but of engagement too The place of popular culture in politics and its contribution to democratic life has too often been misrepresented or misunderstood This book provides the evidence and analysis that will help correct this misperception It documents the voices of young people as they talk about popular culture what they love as well as what they dislike and as they reveal their thoughts about the world they inhabit It will be of interest to those who study media and culture and those who study politics

Regulating Violence in Entertainment Paul Ruschmann, 2010 Provides divergent viewpoints on whether or not exposure to violent entertainment harms young people
