The Ungettable Joke is told in retrospect by two guys who were drawn into extraordinary circumstances Individually they are exposed to supernatural experiences which drive them to hit the road one to escape the other to seek the source of the experiences These experiences seem to confirm a theory about an ungettable Joke developed by Dave an engineer and NASA contractor At an apparent chance meeting at a roadside diner Dave explains his personal theories on humor and the ungettable joke to Bill a high school math teacher They wonder whether they have been pushed together by greater forces to discover the ultimate joke a joke so funny that everyone laughs but no one knows why The main characters don t have long to consider this question The greater forces at work evidently don t want them to discover the ungettable joke by sitting around and talking about it Supernatural events continue to force the characters into action and an adventure they might prefer to avoid They seek aid from an eccentric college professor an archeologist who tells the story of an ancient Indian tribe the Chimchuk whose culture revered humor above all else The professor who seems to have an agenda of his own is interested in a Chimchuk symbolic inscription Dave and Bill obtained He is also obsessed with a certain Chimchuk artifact an amulet made in three pieces The professor possesses only one piece his enemy another and the third is missing The professor s enemy is a
