## **Reason And Rationality In Health And Human Services Delivery:**

Reason and Rationality in Health and Human Services Delivery Charles F. Longino, John W. Murphy, 1998 Reason and Rationality in Health and Human Services Delivery is the first book to discuss the topic of decisionmaking and services from a multidisciplinary approach It uses theory and social considerations not just technology as a basis for improved services Health and human service students and professionals will learn how to form rational and reasonable decisions that take their clients cultural backgrounds into consideration when identifying an illness or appropriating any kind of intervention With a particular emphasis on theories models organizational settings technologies and practitioner training methods that lead to culturally sensitive decisions Reason and Rationality will help you deliver efficient and improved medical and social services to clients from all ethnic backgrounds Recognizing reason as the centerpiece of most of Western philosophy this text reveals how our idea of truth fact and order are wrongly thought to be universal yet Western principles are continually used in the decision making process for health and social services Focusing on the policy implications of decisionmaking in medical and social service settings this text works to incorporate a broad range of factors into the reasoning process such as cultural traditions and beliefs that will result in better treatment for patients Giving you suggestions and strategies for upgrading reasoning and decision making processes and applying them to every area of service Reason and Rationality discusses different themes that will help you improve services to patients such as the rationale currently used to justify decision making strategies concerning medical and human services using computer technology to make clinical assessments revising administrative structure management theories and organizational strategies so that decision making processes enhance the overall quality of service delivery how the practitioner patient relationship is important in choosing the proper treatment soliciting community based input to assess the public s health and human service needs in order to lessen political involvement in decision making stages In addition Reason and Rationality provides information and examples that show why you should consider the life world the values beliefs and commitments of a culture s history as the key to understanding the powers of reasoning that specify parameters of health and illness

**Reason and Rationality in Health and Human Services Delivery** Jean A Pardeck, John W Murphy, Charles Longino, Jr, 2014-02-04 Reason and Rationality in Health and Human Services Delivery is the first book to discuss the topic of decisionmaking and services from a multidisciplinary approach It uses theory and social considerations not just technology as a basis for improved services Health and human service students and professionals will learn how to form rational and reasonable decisions that take their clients cultural backgrounds into consideration when identifying an illness or appropriating any kind of intervention With a particular emphasis on theories models organizational settings technologies and practitioner training methods that lead to culturally sensitive decisions Reason and Rationality will help you deliver efficient and improved medical and social services to clients from all ethnic backgrounds Recognizing reason as the centerpiece of most of Western philosophy this text reveals how our

idea of truth fact and order are wrongly thought to be universal yet Western principles are continually used in the decision making process for health and social services Focusing on the policy implications of decisionmaking in medical and social service settings this text works to incorporate a broad range of factors into the reasoning process such as cultural traditions and beliefs that will result in better treatment for patients Giving you suggestions and strategies for upgrading reasoning and decision making processes and applying them to every area of service Reason and Rationality discusses different themes that will help you improve services to patients such as the rationale currently used to justify decision making strategies concerning medical and human services using computer technology to make clinical assessments revising administrative structure management theories and organizational strategies so that decision making processes enhance the overall quality of service delivery how the practitioner patient relationship is important in choosing the proper treatment soliciting community based input to assess the public s health and human service needs in order to lessen political involvement in decision making stages In addition Reason and Rationality provides information and examples that show why you should consider the life world the values beliefs and commitments of a culture s history as the key to understanding the powers of reasoning that specify parameters of health and illness

Homelessness in Rural America Paula A. Rollinson, John T. Pardeck, 2019-03-19 This book deals with the rural homeless about whom little is known Offered here are some important insights into the unique problems facing the homeless in rural areas this population lacks adequate housing many live below the poverty level many lack basic services such as health care families are typically female headed substance abuse is a major problem and many of the rural homeless have emotional disabilities The finding that was unexpected is the history of family violence that most of the rural homeless have experienced throughout both childhood and adulthood More than 50 percent of the case records analyzed in this study show a history of family violence from murder to sexual abuse The data suggest that these rates of family violence are much higher than those reported for the urban homeless First published in 2006 Routledge is an imprint of Taylor Francis an informa company

**Health and the American Indian** Hilary N Weaver, Priscilla A Day, 2012-10-12 Health and the American Indian discusses contemporary health and social concerns in American Indian communities and offers recommendations for prevention treatment and future research You ll benefit from recent research that examines topics relating to physical and mental health such as health care gambling historical trauma response child welfare and Native American involvement in the Human Genome Diversity Project In Health and the American Indian you ll find cutting edge information about various concerns in American Indian society that will assist you in offering culturally sensitive services to clients Using in depth studies and statistics to highlight issues facing Native Americans this book provides you with an understanding of American Indian views on family health and being Native American With Health and the American Indian you ll find suggestions and methods to sharpen your service skills including exploring differences in the historical trauma response between men and women to effectively treat both groups investigating the positive and

negative effects that gambling has had on members of the community by using Grounded Theory combating problems related to gambling by redistributing a percentage of gaming income towards gaming abuse prevention and treatment programs traditional community activities and child care participating in continuing education or in service training on cultural issues and understanding a client's cultural background in order to better help clients utilize the benefits of the Indian Child Welfare Act using the Family Systems approach along with community health representatives in health care interventions to provide better health care for Native Americans Exploring the topic of genetic engineering Health and the American Indian discusses the Human Genome Diversity Project gene patents and how Native Americans who supply genetic material are being exploited and see no compensation for their assistance Examining how exploitation and fear stand in the way of better physical and mental well being Health and the American Indian offers you methods and suggestions to help prevent and improve existing health issues in Native American communities

**Disability Issues for Social Workers and Human Services Professionals in the Twenty-First Century** Jean A Pardeck, John W Murphy, 2012-12-06 Examine issues of vital importance to you and your disabled clients today and in the years to come This groundbreaking text provides you with up to date authoritative information that will prove to be of critical importance for disability professionals in the coming years It will leave you better informed about aspects of disability that have not been well covered in the literature issues surrounding spirituality civil rights and the medical model vs social or minority model of viewing disability controversy You'll examine the impact of the Americans with Disabilities Act in the wake of the Supreme Court's narrowing of the Act's powers and explore newly developed theories designed to more accurately define the true meaning of disability Disability Issues for Social Workers and Human Services Professionals in the Twenty First Century explores the current and potential roles of spirituality and religion in the rehabilitation process the use of medication in treating disability with a study focusing on children in foster care whose emotional behavioral disabilities are medically rather than psychologically treated Attention Deficit Hyperactivity Disorder ADHD in college students how it impacts them as a disability requiring academic accommodations disability as an aspect of cultural diversity with suggested methods for educating the non disabled about people with disabilities limitations on the civil rights of those with disabilities and what can be done to eliminate those limitations computer technologies designed to aid people with disabilities with an examination of a health promotion Web site for children with disabilities and their families disability and the managed mental health system with an examination of the differences in service utilization and satisfaction in rural and urban areas how disability can be viewed as a social construct rather than something that is inherent to the disabled person Keeping current with new developments is imperative for social workers and other professionals whose work affects people with disabilities Disability Issues for Social Workers and Human Services Professionals in the Twenty First Century provides the information you need to stay on the cutting edge of progress in this rapidly evolving field

**Bibliographie der Wirtschaftswissenschaften**, 1998 *Tradition and Policy Perspectives in*

*Kinship Care* Rowena G. Wilson, Sandra Edmonds Crewe, 2013-04-03 Kinship care is part tradition and part social welfare policy Tradition and Policy Perspectives in Kinship Care examines the balance of the two perspectives and presents current practice challenges of formal and informal kinship care This important resource focuses on both the needs of the caregiver as well as the impact of kinship care on children Public policy issues related to kinship care are discussed in detail This insightful book explores this crucial issue through the lens of social workers who fully understand the strengths and challenges of kinship care Tradition and Policy Perspectives in Kinship Care discusses this issue from both micro and macro levels explaining the outcomes of kinship based on variables such as the youth's and parent's outlook for the future performance in school welfare reform domestic violence respite care spirituality and involvement of nonbiological relatives The book then focuses on the subject of grandparents as caregivers examining their coping resources effectiveness of programs serving them and recommended changes to services to enhance their well being Topics in Tradition and Policy Perspectives in Kinship Care include study examining the future outlook in African American kinship care families the effect of family disruption on a child's educational performance the impact of the Temporary Assistance to Needy Families TANF legislation and future policy links between domestic violence and kinship care the role of spirituality and religion in kinship care a study on the needs of biological parents the impact of a grandparent's parenting responsibilities on his or her psychological well being intergenerational communication kinship care in public housing examination of the factors that influence kinship care provided by African American grandfathers AARP study of grandparents raising grandchildren in the District of Columbia the KinNET project funded by the Children's Bureau for a national support network for kinship care providers Tradition and Policy Perspectives in Kinship Care is an invaluable resource for social workers counselors child welfare agency administrators and practitioners educators and graduate students Bibliographie der Staats-und Wirtschaftswissenschaften ,1998 **Evaluation Research in Child Welfare** Katharine Briar-Lawson, Joan Levy Zlotnik, 2018-10-24 Since the 1980s child welfare agencies and social work programs in more than 40 states have come together to address recruitment and retention issues by preparing social work students for child welfare practice and to enhance the delivery of child welfare services This book documents the outcomes of these partnerships to help you assess their value and sustainability Evaluation Research in Child Welfare Improving Outcomes Through University Public Agency Partnerships is a critical examination of the diverse outcomes and strategies for assessing them of university public child welfare agency partnerships designed to prepare social work students for public child welfare practice This informative book addresses outcomes of these specialized training efforts which were supported by federal Title IV E and Title IV B Section 426 funds Special attention is paid to programs addressing diversity and cultural competence through staff development The book follows the process of tracking the career paths of students in several states large and small rural and urban as well as cross state collaborations that include university agency consumer and student partnerships From the Editors Rising drug

problems such as crack and cocaine addiction along with co occurring challenges such as poverty domestic violence and mental health issues have helped to reinforce the need to have the most effective services delivered by the most well prepared staff Moreover such challenges compel the most relevant scientifically based approaches requiring a closer connection of public child welfare systems to social work education programs and related academic disciplines The articles featured in this book serve as progress markers for this re professionalization initiative They constitute snapshots of some of the current progress in workforce development including social work based education training and capacity building in public child welfare They also reflect social work public child welfare partnerships and the lessons that are being learned when the research educational and service resources of schools of social work are harnessed to build a better trained work force that can provide improved services In this informative book you ll find a national overview of historical efforts to promote professional social work practice in child welfare as well as examinations of special challenges presented by privatized systems curricula and agencies training opportunities that grow from research partnerships the importance and impact of racial and ethnic diversity for future social workers the cultural competency needs of BSW and MSW students the differing cultural perspectives of universities and agencies which must be bridged to create successful partnerships the benefits of these partnerships in terms of outcomes for students clients agencies and social work education programs

Quality of care for chronic conditions World Health Organization, 2025-09-02 Premature morbidity and mortality caused by the rapid rise of chronic conditions constitute a major challenge for health systems especially in low and middle income countries LMICs Delivering quality services will be key to the health and well being of persons living with a chronic condition This document explores the possible contribution that purchasing arrangements including provider payment mechanisms can make to the delivery of good quality services Because there is limited evidence about using purchasing to encourage quality chronic care in LMICs a two pronged approach was taken a review of the literature conceptualizing quality chronic care and an online Delphi survey focused on collecting views about the quality of chronic care particularly in resource constrained settings and the possible contributions that purchasing arrangements could make to specific types of care providers This background paper mainly aims to equip stakeholders with a more advanced understanding of chronic conditions of what is important for managing the quality of care a sense of the priority issues in LMICs and what purchasing arrangements could accomplish

*Theories Guiding Nursing Research and Practice* Joyce J. Fitzpatrick, Geraldine McCarthy, 2014-06-06 Print CourseSmart

African-American Adolescents in the Urban Community Judith Rozie-Battle, 2013-12-02 Become a more effective social worker with this outstanding volume on inner city urban youth African American Adolescents in the Urban Community Social Services Policy and Practice Interventions examines contemporary issues confronting African American youth It highlights key areas such as health education the criminal justice system and youth development strategies An essential overview of the status of urban African American youth for students professionals working with this important

population and policymakers this vital book proposes policy and programming considerations for today and for the future African American Adolescents in the Urban Community is a one stop view of ways to help African American youth experience responsibility and community involvement health concerns of this population including teen pregnancy alcohol and drug addiction and limited access to health care the challenges that lie ahead for African American girls including crime poverty poor self esteem and peer pressure ways to help teenage fathers meet their financial and emotional obligations to their families police and prosecutorial policies that need to be examined and challenged to end the perception of a racially unjust system and much more **The Economics of Faith-Based Service Delivery** Quentin Wodon, KATHRYN

LOMAS, 2015-10-28 The Economics of Faith Based Service Delivery provides the first ever comprehensive empirical assessment of the role that faith inspired institutions FIIs play in the supply of health care and education services in sub Saharan Africa Wodon focuses on estimating the market share reach to the poor and cost for households that rely on FIIs as opposed to public and private secular providers of education and health care services He also analyzes the causes of user reliance on FIIs the comparative performance of FIIs and the level of satisfaction among those that use their services The Economics of Faith Based Service Delivery is an innovative combination of previously untapped nationally representative household surveys qualitative fieldwork and insights from the fields of religious studies and social economics Social Work Jean A Pardeck, Roland Meinert, Larry W Kreuger, 2020-07-24 Discover why social work must be restructured if it is to remain viable Social Work Seeking Relevancy in the Twenty First Century provides you with a critical examination of the major issues that social work education and practice must confront if social work is to remain as a mainline profession The book explores issues that are not normally covered in social work literature such as the challenge of reconstructing the social work profession the use of technology in social work and the tension surrounding various social work education curriculums You will benefit from this thorough discussion of the many problems that the social work profession is facing a lack of scholarly research inadequate educational programs and the use of hypertechnology to educate social work students Social Work Seeking Relevancy in the Twenty First Century examines the epistemological theoretical socio technical and practice directions that social work has branched into You will discover that today's central direction for social work is generated from liberal postmodern and increasingly feminist ideological perspectives In a field where conceptual and theoretical input rarely allow for intellectual diversity this volume demonstrates that several views are best for inquiry and exploration in social work Issues discussed include examining real or unreal social work values by separating them from beliefs preferences norms attitudes and opinions creating social work course outlines that incorporate practices developed around the globe allowing for more conceptual and theoretical growth within the field realizing the tremendous difference between communication in the instrumental sense via technology and in the affective soul oriented sense via personal interaction investigating the negative effects of communicating with hypertechnology modems e mail in the social work profession realizing the need for a

greater quantity and quality of social work research to progress further in the field Social Work Seeking Relevancy in the Twenty First Century invites you to reinvent social work for today s post industrial and post modern era You will discover a series of challenges that social work must meet and overcome if it is to move into the new century as a relevant and viable profession You will explore solutions such as increasing scholarship and research among social workers and decreasing the use of technology for example classes held via the Internet in social work education programs in order to increase the quality of the social work profession

*Children's Rights* John T. Pardeck,2006 This book covers the children s rights movement and the rights of parents It examines the implications of children s rights for policy and practice with particular reference to children with disabilities and children in the care of protective services

**Children's Rights** Jean A. Pardeck,2012-11-12 Get up to date information on children s and parent s rights Children have a basic human right to be free of abuse and maltreatment The late Dr John Pardeck s *Children s Rights Policy and Practice* Second Edition comprehensively explores the latest legal psychological sociological policy and child advocacy issues dealing with children s rights Essential issues are clearly discussed involving children at home in school in foster care and in residential facilities This new edition of *The Haworth Social Work Practice Press* classic examines the practical and ethical issues inherent in balancing a child s right to self determination against the same child s need to be protected *Children s Rights Policy and Practice* Second Edition delves deep into the causes of abuse and neglect and offers help for families at risk Techniques are presented for case and cause advocacy as well as venues for family and individual therapy Other discussions address the role and function of child protective services and the juvenile justice system a review of effective social policy to protect and care for children family health and children s rights issues and children s rights in schools and day care facilities This essential exploration includes extensive references and notes a list of Web sites and a comprehensive glossary of influential legal rulings focusing on children s rights *Children s Rights Policy and Practice* Second Edition includes over 100 pages of new and updated material on new rulings of the Americans with Disabilities Act ADA that have implications for children s rights legal case studies an overview and analysis of the Leave No Child Behind Act children s rights and school violence an expanded discussion on practice interventions focusing on various approaches for helping children adjust to substitute care an expanded examination on advocacy and children s rights with emphasis on legal case studies as a tool for enhancing the rights of children Balancing theoretical considerations solid information and practical advice *Children s Rights Policy and Practice* Second Edition is an essential resource for child welfare workers attorneys educators students parents and social workers
